The California Department of Resources Recycling and Recovery (CalRecycle), acting as the solid waste Enforcement Agency (EA) for the City of Stockton, will be holding this public information meeting to consider a proposed revision to the SWFP that includes the following change:

- Receipt of materials and maintenance 24 hours a day, Monday through Sunday.

On March 11, 2014, the EA accepted the application to revise the SWFP submitted by Recology Stockton. The EA's preliminary determination is that the SWFP be revised to incorporate the proposed change and incorporate updates to the Transfer/Processing Report. A copy of the application and supporting documentation are available for public review during regular business hours at the EA's office located at 1001 I Street, Sacramento, CA 95814 by contacting the EA as provided above.

The public information meeting is for any interested parties to provide comments on the EA's proposed action to revise the SWFP. If you would like to comment on this project you may do so at the meeting or you may send your written comments to the EA as provided above.

For information on the appeals process pursuant to Public Resources Code Section 44307 after the decision to issue or deny the permit revision, you may contact the EA as provided above.
