Subject: Issuance of Registration Permit for Buckeye Processing & MRF, LLC
Facility No. 40-AA-0047, San Luis Obispo County

Dear Mr. Kardashian:

On November 13, 2013 the Department of Resources Recycling and Recovery (CalRecycle), serving as the Local Enforcement Agency (EA) for San Luis Obispo County, received your registration permit application for the subject facility to change the facility name and operator name. No other changes were proposed.

The registration permit application was deemed complete and correct and accepted for filing on November 15, 2013. Enclosed is the registration permit and accepted application for the facility, issued on November 20, 2013, which reflects the new facility name and operator name. A copy of the Permit shall be maintained at the facility's office. Any change in design or operation at the facility is subject to review by the EA before implementation.

Additionally, please be advised that nothing in Title 14, California Code of Regulations, Article 6.0 shall be construed as relieving the owner, operator, or designee from complying with any other local, state, and federal permits, licenses, or other requirements.

Thank you for your cooperation throughout the permitting process. If you have any questions, please contact Patrick Snider at 916-324-3753 or Patrick.snider@calrecycle.ca.gov.

Sincerely,
