The application for the Medium Volume Transfer/Processing Facilities Registration Permit was received on November 13, 2013. The public was noticed via posting at the facility and on CalRecycle's website.

**Recommendation:** Based on our review of the submitted permit package, staff recommends the Branch Chief issue the permit. All of the required submittals and findings required by Title 14, Section 18104.2 have been made. The documents on which staff's findings are based are in the facility files.
