

Senate Bill 167 Workshop

CalRecycle will hold a workshop on Senate Bill 167 (Ducheny, Chapter 333, Statutes of 2009) on July 14, 2010 at 11:00 am. During the workshop staff will present proposed activities for the border area that may be included in the next version of the Waste Tire Recycling Management Program's Five-Year Plan, scheduled for adoption in spring 2011. Staff is seeking input at the workshop from stakeholders on these proposed activities and on other ideas that stakeholders may want to present. Questions regarding this workshop can be directed to Sally French at Sally.French@CalRecycle.ca.gov
