

Attachment 7: Minor Revisions to the Used Mattress Recovery and Recycling Plan

Deletions shown in ~~striketrough~~ and additions shown in underline.

Used Mattress Recovery and Recycling Plan:

- Throughout the document refer to the appendices as “appendix/appendices” instead of as “attachments.”
- Page 4: Add the statutory definition of “recycler” to the Plan.
- Page 3: Modify this sentence to read: “In addition to administrating the Program required by the Act, MRC operates under mattress recycling laws in other states.”
- Page 7: Replace “bio-mass” and “bios-mass” with the term biomass
- Page 9: Modify this sentence to read: “The Program is designed to properly manage mattresses ~~and~~ at the end of life...”
- Page 10: Modify this sentence to read: “MRC will proactively address bed-bug contamination by providing ~~participation~~ participating solid waste facilities with...”
- Page 12: Capitalize “Plan” in the last paragraph.
- Page 13: Under collection containers, replace “light weight” with “lightweight”
- Page 18: Replace the zeros with the word “million” in the parenthetical at the top of the table
- Page 19: Modify this sentence to read: “CalRecycle appointed the Advisory ~~Council~~ Committee required by Section 42987(a)(3) of the Act on March 18, 2014, the composition of which includes, among other entities, non-profit and for-profit mattress collectors and mattress recyclers in California...”
- Page 31: Renovators that are registered with the MRC need to be listed as drop-off locations or a reference to Appendix B added.

Used Mattress Recovery and Recycling Budget:

- Page 1: Modify the text to read: “Section ~~43988~~ 42988 of the Act”
