Subject: Request for Approval for 3rd Extension of Compliance Schedule beyond Two Years for Bass Hill Landfill, Facility (18-AA-0009), County of Lassen

Dear Mr. Jones:

I have received and considered your agency's request to extend the compliance schedule due date for Bass Hill Landfill Facility by an additional one year. The request is consistent with the provisions of Title 14, California Code of Regulations (CCR), Section 18365(b). The operator has made a good faith effort, and the LEA is taking appropriate enforcement if the LEA issues a revised Compliance Schedule.

Therefore, I hereby approve your request for the extension of the compliance schedule until September 6, 2015 with the understanding that a revised Compliance Schedule is submitted. The LEA needs to update the Compliance Schedule to include updated milestones including, requiring the operator to submit an application for permit revision. All necessary work shall be carried out in an expeditious manner to meet the proposed compliance schedule. The operator shall continue to submit the quarterly status reports, to show all measurable progress being made to comply with the applicable requirements.

We appreciate your work in the matters of the Bass Hill Landfill and in your commitment to partnership with CalRecycle staff. If you have further questions regarding this letter, please contact Mr. Tadese Gebrehawariat, Supervisor, Inspections and Enforcement Agency Compliance Unit, at (916) 341-6402 or by email at Tadese.Gebrehawariat@calrecycle.ca.gov.

Sincerely,
