1994-146	Adopted	Santa Barbara LEA Certification	Marjorie Dailey
1994-147	Adopted	French Camp Rev	Marjorie Dailey
1994-148	Adopted	Contra Costa Transfer and Recovery Station New	Marjorie Dailey
1994-149	Adopted	New Major Waste Tires Permit San Bernardino	Marjorie Dailey
1994-150	Adopted	Delegation of Authority for Waste Tire Hauler	Marjorie Dailey
1994-151	Adopted	Mead Valley Sanitary Landfill	Marjorie Dailey
1994-152	Adopted	Baker Solid Waste Disposal Site	Marjorie Dailey
1994-153	Adopted	Apple Valley Solid Waste Disposal Site	Marjorie Dailey
1994-154	Adopted	Ramona Landfill Revised	Marjorie Dailey
1994-155	Adopted	Waste Tire Hauler Ref	Marjorie Dailey
1994-156	Adopted	Approval Admin Procedures Act	Marjorie Dailey
1994-157	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the County of Merced Cities of Atwater, Dos Palos, Gustine, Livingston, Los Banos and Merced	Marjorie Dailey
1994-158	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Atwater	Marjorie Dailey
1994-159	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Dos Palos	Marjorie Dailey
1994-160	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Gustine	Marjorie Dailey
1994-161	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Livingston	Marjorie Dailey
1994-162	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Los Banos	Marjorie Dailey
1994-163	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Merced	Marjorie Dailey
1994-164	Adopted	Consideration of Approval of the Nondisposal Facility Element for the County of Merced	Marjorie Dailey
1994-165	Adopted	Approval of the Source Reduction and Recycling Element for the Unincorporated Kings County and the Cities of Corcoran Hanford and Lemoore	Marjorie Dailey

1994-166	Adopted	So Cal Edison Commendation for In-House Recycling	Marjorie Dailey
1994-167	Adopted	Approval of the Household Hazardous Waste Element for Unincorporated Kings County and the Cities of Corcoran Hanford and Lemoore	Marjorie Dailey
1994-168	Adopted	Approval of the Source Reduction and Recycling Element for the City of Avenal	Marjorie Dailey
1994-169	Adopted	Approval of the HHWE for the City of Avenal	Marjorie Dailey
1994-170	Adopted	Approval of the Nondisposal Facility Element for the City of Avenal	Marjorie Dailey
1994-171	Adopted	Approval of the NDFE for the Unincorporated Kings County	Marjorie Dailey
1994-172	Adopted	Approval of the NDFE for the City of Corcoran	Marjorie Dailey
1994-173	Adopted	Approval of the NDFE for the City of Hanford	Marjorie Dailey
1994-174	Adopted	Approval of the NDFE for the City of LeMoore	Marjorie Dailey
1994-175	Adopted	Approval of the SRRE City of Beverly Hills	Marjorie Dailey
1994-176	Adopted	Approval of the HHWE City of Beverly Hills	Marjorie Dailey
1994-177	Adopted	Approval of the NDFE City of Beverly Hills	Marjorie Dailey
1994-178	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of San Fernando	Marjorie Dailey
1994-179	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of San Fernando	Marjorie Dailey
1994-180	Adopted	Consideration of Approval for a Uniform Method to Adjust Jurisdiction Waste Amounts to Account for Changes in Population and Other Factors	Marjorie Dailey
1994-181	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Whittier	Marjorie Dailey
1994-182	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Whittier	Marjorie Dailey
1994-183	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Whittier	Marjorie Dailey
1994-184	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of Lomita	Marjorie Dailey
1994-185	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Lomita	Marjorie Dailey
1994-186	Adopted	Approval of the NDFE City of Lomita	Marjorie Dailey
1994-187	Adopted	Approval of the SRRE City of Huntington	Marjorie Dailey
1994-188	Adopted	Approval of the HHWE City of Huntington	Marjorie Dailey
1994-189	Adopted	Approval of the NDFE City of Huntington	Marjorie Dailey
1994-190	Adopted	Final Designation of the Sonoma Mendocino Recycling Market Development Zone for Designation Cycle 1993-1994	Marjorie Dailey

1994-191	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Grass Valley	Marjorie Dailey
1994-192	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Grass Valley	Marjorie Dailey
1994-193	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Grass Valley	Marjorie Dailey
1994-194	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the County of Alpine	Marjorie Dailey
1994-195	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the County of Alpine	Marjorie Dailey
1994-196	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Santa Monica	Marjorie Dailey
1994-197	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Santa Monica	Marjorie Dailey
1994-198	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Santa Clarita	Marjorie Dailey
1994-199	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Santa Clarita	Marjorie Dailey
1994-200	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Hidden Hills	Marjorie Dailey
1994-201	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Hidden Hills	Marjorie Dailey
1994-202	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Hidden Hills	Marjorie Dailey
1994-203	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of La Verne	Marjorie Dailey
1994-204	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of La Verne	Marjorie Dailey
1994-205	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of La Verne	Marjorie Dailey
1994-206	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Glendora	Marjorie Dailey
1994-207	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Glendora	Marjorie Dailey
1994-208	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City Agoura Hills	Marjorie Dailey
1994-209	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Agoura Hills	Marjorie Dailey
1994-210	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Agoura Hills	Marjorie Dailey
1994-211	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of Alhambra	Marjorie Dailey
1994-212	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Alhambra	Marjorie Dailey
1994-213	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Arcadia	Marjorie Dailey
1994-214	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Arcadia	Marjorie Dailey
1994-215	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Arcadia	Marjorie Dailey
1994-216	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Artesia	Marjorie Dailey

1994-217	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Artesia	Marjorie Dailey
1994-218	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Artesia	Marjorie Dailey
1994-219	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Bradbury	Marjorie Dailey
1994-220	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Burbank	Marjorie Dailey
1994-221	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Burbank	Marjorie Dailey
1994-222	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Burbank	Marjorie Dailey
1994-223	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Calabasas	Marjorie Dailey
1994-224	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Cerritos	Marjorie Dailey
1994-225	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Commerce	Marjorie Dailey
1994-226	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Commerce	Marjorie Dailey
1994-227	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Commerce	Marjorie Dailey
1994-228	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Compton	Marjorie Dailey
1994-229	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Compton	Marjorie Dailey
1994-230	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Compton	Marjorie Dailey
1994-231	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Covina	Marjorie Dailey
1994-232	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Covina	Marjorie Dailey
1994-233	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Covina	Marjorie Dailey
1994-234	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Culver City	Marjorie Dailey
1994-235	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Downey	Marjorie Dailey
1994-236	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Downey	Marjorie Dailey
1994-237	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Downey	Marjorie Dailey
1994-238	Adopted	Consideration of Disapproval of the Source Reduction and Recycling Element for the City of El Segundo	Marjorie Dailey
1994-239	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of El Segundo	Marjorie Dailey
1994-240	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of El Segundo	Marjorie Dailey
1994-241	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Gardena	Marjorie Dailey
1994-242	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Glendale	Marjorie Dailey

1994-243	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Glendale	Marjorie Dailey
1994-244	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Hawaiian Gardens	Marjorie Dailey
1994-245	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Hawaiian Gardens	Marjorie Dailey
1994-246	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Hawaiian Gardens	Marjorie Dailey
1994-247	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Huntington Park	Marjorie Dailey
1994-248	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Huntington Park Los Angeles County	Marjorie Dailey
1994-249	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Huntington Park	Marjorie Dailey
1994-250	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of Inglewood	Marjorie Dailey
1994-251	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Inglewood	Marjorie Dailey
1994-252	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Inglewood	Marjorie Dailey
1994-253	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of LA Canada Flintridge	Marjorie Dailey
1994-254	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of LA Canada Flintridge	Marjorie Dailey
1994-255	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Lakewood	Marjorie Dailey
1994-256	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Lancaster	Marjorie Dailey
1994-257	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Lancaster	Marjorie Dailey
1994-258	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Long Beach	Marjorie Dailey
1994-259	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Long Beach	Marjorie Dailey
1994-260	Adopted	Consideration of Conditional Approval of the Nondisposal Facility Element for the City of Long Beach	Marjorie Dailey
1994-261	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Lynwood	Marjorie Dailey
1994-262	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Lynwood	Marjorie Dailey
1994-263	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Lynwood	Marjorie Dailey
1994-264	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Malibu	Marjorie Dailey
1994-265	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Monterey Park	Marjorie Dailey
1994-266	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of Norwalk	Marjorie Dailey
1994-267	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Norwalk	Marjorie Dailey
1994-268	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Norwalk	Marjorie Dailey

1994-269	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of Paramount	Marjorie Dailey
1994-270	No Action Taken	Not On File	Marjorie Dailey
1994-271	No Action Taken	Not On File	Marjorie Dailey
1994-272	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Palmdale	Marjorie Dailey
1994-273	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Palmdale	Marjorie Dailey
1994-274	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Palmdale	Marjorie Dailey
1994-275	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of Pasadena	Marjorie Dailey
1994-276	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Pasadena	Marjorie Dailey
1994-277	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Pico Rivera	Marjorie Dailey
1994-278	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Pico Rivera	Marjorie Dailey
1994-279	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Pico Rivera	Marjorie Dailey
1994-280	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Rancho Palos Verdes	Marjorie Dailey
1994-281	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Redondo Beach	Marjorie Dailey
1994-282	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Redondo Beach	Marjorie Dailey
1994-283	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Redondo Beach	Marjorie Dailey
1994-284	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Rolling Hills	Marjorie Dailey
1994-285	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Rolling Hills Estates	Marjorie Dailey
1994-286	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of San Marino	Marjorie Dailey
1994-287	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Signal Hill	Marjorie Dailey
1994-288	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Signal Hill	Marjorie Dailey
1994-289	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Temple City	Marjorie Dailey
1994-290	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Temple City	Marjorie Dailey
1994-291	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Temple City	Marjorie Dailey
1994-292	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Torrance	Marjorie Dailey
1994-293	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Torrance	Marjorie Dailey
1994-294	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Walnut	Marjorie Dailey

1994-295	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Walnut	Marjorie Dailey
1994-296	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Walnut	Marjorie Dailey
1994-297	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of West Hollywood	Marjorie Dailey
1994-298	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of West Hollywood	Marjorie Dailey
1994-299	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of West Hollywood	Marjorie Dailey
1994-300	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Westlake Village	Marjorie Dailey
1994-301	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Westlake Village	Marjorie Dailey
1994-302	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Westlake Village	Marjorie Dailey
1994-303	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the Unincorporated Areas Los Angeles County	Marjorie Dailey
1994-304	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the Unincorporated Areas of Los Angeles County	Marjorie Dailey
1994-305	Adopted	Consideration of Approval of the Nondisposal Facility Element for the Unincorporated Areas of Los Angeles County	Marjorie Dailey
1994-306	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Napa	Marjorie Dailey
1994-307	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Napa	Marjorie Dailey
1994-308	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Napa	Marjorie Dailey
1994-309	Adopted	Consideration of Staff Recommendations on the Adequacy of the Multijurisdictional Source Reduction and Recycling Element for the County of San Mateo and the Cities of Atherton, Belmont, Burlingame, Colma, Daly City, East Palo Alto, Foster City, Half Moon Bay, Hillsborough, Menlo Park, Redwood City, San Carlos and San Mateo, San Mateo County	Marjorie Dailey
1994-310	Adopted	Consideration of Conditional Approval of the Multijurisdictional Source Reduction and Recycling Element for the City of Portola Valley San Mateo County	Marjorie Dailey
1994-311	Adopted	Consideration of Conditional Approval of the Multijurisdictional Source Reduction and Recycling Element for the City of Woodside San Mateo County	Marjorie Dailey
1994-312	Adopted	Consideration of Staff Recommendations on the Adequacy of the Multijurisdictional Nondisposal Facility Element for the County of San Mateo and the Cities of Atherton, Belmont, Brisbane, Burlingame, Colma, Daly City, East Palo Alto, Half Moon Bay, Hillsborough, Menlo Park, Millbrae, Portola Valley, Redwood City, San Carlos, San Mateo, South San Francisco and Woodside, San Mateo County	Marjorie Dailey
1994-313	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Brisbane	Marjorie Dailey
1994-314	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Millbrae	Marjorie Dailey
1994-315	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Pacifica	Marjorie Dailey

1994-316	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Pacifica	Marjorie Dailey
1994-317	No Action Taken	Not Used	Marjorie Dailey
1994-318	No Action Taken	Not Used	Marjorie Dailey
1994-319	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of Crescent City	Marjorie Dailey
1994-320	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Crescent City	Marjorie Dailey
1994-321	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Crescent City	Marjorie Dailey
1994-322	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the Unincorporated Area of Del Norte County	Marjorie Dailey
1994-323	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the Unincorporated Area of Del Norte County	Marjorie Dailey
1994-324	Adopted	Consideration of Approval of the Nondisposal Facility Element for the Unincorporated Area of Del Norte County	Marjorie Dailey

1994-334	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Paramount	Marjorie Dailey
1994-335	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Paramount	Marjorie Dailey
1994-336	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of South San Francisco San Mateo County	Marjorie Dailey
1994-337	Adopted	Consideration of Approval of the Nondisposal Facility Element for the County of Nevada	Marjorie Dailey
1994-338	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Sonora and the Unincorporated Area of Tuolumne County	Marjorie Dailey
1994-339	Adopted	Consideration of Approval of the Nondisposal Facility Element	Marjorie

		for the City of Sonora and the Unincorporated Area of Tuolumne County	Dailey
1994-340	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the Cities of Placerville and South Lake Tahoe and the Unincorporated Area of El Dorado County	Marjorie Dailey
1994-341	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the Cities of Placerville and South Lake Tahoe and the Unincorporated Area of El Dorado County	Marjorie Dailey
1994-342	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Chino Hills	Marjorie Dailey
1994-343	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Baldwin Park	Marjorie Dailey
1994-344	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Baldwin Park	Marjorie Dailey
1994-345	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Calabasas	Marjorie Dailey
1994-346	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Cerritos	Marjorie Dailey
1994-347	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Cerritos	Marjorie Dailey
1994-348	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Culver City	Marjorie Dailey
1994-349	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Culver City	Marjorie Dailey
1994-350	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Diamond Bar	Marjorie Dailey
1994-351	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Diamond Bar	Marjorie Dailey
1994-352	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Diamond Bar	Marjorie Dailey
1994-353	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of La Mirada	Marjorie Dailey
1994-354	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of La Mirada	Marjorie Dailey
1994-355	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of La Mirada	Marjorie Dailey
1994-356	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of Monrovia	Marjorie Dailey
1994-357	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Monrovia	Marjorie Dailey
1994-358	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Montebello	Marjorie Dailey
1994-359	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Montebello	Marjorie Dailey
1994-360	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Monterey Park	Marjorie Dailey
1994-361	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Delano	Marjorie Dailey
1994-362	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Pomona	Marjorie Dailey
1994-363	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Pomona	Marjorie Dailey

1994-364	Adopted	Consideration of Conditional Approval of the Source Reduction and Recycling Element for the City of Rolling Hills	Marjorie Dailey
1994-365	Adopted	For the Reduction of Diversion Requirements for the City of Firebaugh	Marjorie Dailey
1994-366	Adopted	Consideration of Approval of a Negative Declaration and the Adoption of Regulations for the Permit Reform Act which Establish Informaitonal Guidelines on Minimum Median and Maximum Time Limits for Processing Applications	Marjorie Dailey
1994-367	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the County of Plumas	Marjorie Dailey
1994-368	Adopted	Consideration of Approval of the Nondisposal Facility Element for the County of Plumas	Marjorie Dailey
1994-369	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the County of Plumas	Marjorie Dailey
1994-370	Adopted	Adoption of Regulatory Tier Regulation	Marjorie Dailey
1994-371	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Gardena	Marjorie Dailey
1994-372	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Lawndale	Marjorie Dailey
1994-373	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Lawndale	Marjorie Dailey
1994-374	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Lawndale	Marjorie Dailey
1994-375	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Sierra Madre	Marjorie Dailey
1994-376	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Sierra Madre	Marjorie Dailey
1994-377	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of West Covina	Marjorie Dailey
1994-378	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of West Covina	Marjorie Dailey
1994-379	Adopted	Considertion of Approval of the Nondisposal Facility Element for the City of West Covina	Marjorie Dailey
1994-380	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Vernon	Marjorie Dailey
1994-381	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Santa Fe Springs	Marjorie Dailey
1994-382	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Lakewood	Marjorie Dailey
1994-383	Adopted	For Final Designation of the Stanislaus County Recycling Market Development Zone for Designation Cycle 1993-94	Marjorie Dailey
1994-384	Adopted	City of Chico/Northern Butte Co	Marjorie Dailey
1994-385	Adopted	For Final Designation of the North San Diego County Recycling Market Development Zone for Designation Cycle 1993-94	Marjorie Dailey
1994-386	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Roseville Placer County	Marjorie Dailey
1994-387	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Roseville Placer County	Marjorie Dailey
1994-388	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the Cities of Amador City, Ione, Jackson,	Marjorie Dailey

		Plymouth, Sutter Creek and the Unincorporated Area of Amador County	
1994-389	Adopted	Consideration of Approval of the Nondisposal Facility Element for the Cities of Amador City, Ione, Jackson, Plymouth, Sutter Creek, and the Unincorporated Area of Amador County	Marjorie Dailey
1994-390	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the Cities of Amador City, Ione, Jackson, Plymouth, Sutter Creek, and the Unincorporated Area of Amador County	Marjorie Dailey
1994-391	Adopted	Consideration of Approval of the Nondisposal Facility Element for the County of Placer	Marjorie Dailey
1994-392	Adopted	Consideration of Approval of the Nondisposal Facility Element for the County of Alpine	Marjorie Dailey

1994-399	Adopted	A) Approval of the Scoring Criteria for the Used Oil Grant for Nonprofit Organizations B) Revised SEF Permit for Puente Hills Sanitary Landfill La County	Marjorie Dailey
1994-400	Adopted	A) Approval of Local Government Used Oil Opportunity Grant Scoring Criteria B) Concurrence in the Issuance of a SWF Permit for the L&D Recycling Facility City of Sacramento	Marjorie Dailey
1994-401	Adopted	Revised SWF Permit for Union Mine Disposal Site El Dorado Co	Marjorie Dailey
1994-402	Adopted	A) Negative Declaration for Regulatory Tier Regs B) Approval of Cleanup of Six Sites Under the Solid Waste Disposal and Codisposal Site Cleanup Program	Marjorie Dailey
1994-403	Adopted	Adoption of the California Tire Recycling Management Fund FY 1994-95 Policy	Marjorie Dailey
1994-404	Adopted	Consideration of Approval of the Multi-Jurisdictional Nondisposal Facility Element for the City of Poster City San Mateo County	Marjorie Dailey
1994-405	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of La Habra Heights	Marjorie Dailey
1994-406	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of La Habra Heights	Marjorie Dailey
1994-407	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of La Habra Heights	Marjorie Dailey
1994-408	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Bellflower	Marjorie Dailey
1994-409	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Bellflower	Marjorie Dailey
1994-410	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Bellflower	Marjorie Dailey

1994-411	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Rosemead	Marjorie Dailey
1994-412	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Rosemead	Marjorie Dailey
1994-413	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of San Marino	Marjorie Dailey
1994-414	Adopted	For Final Designation of the Chico/Northern Butte County Recycling Market Development Zone for Designation Cycle 1993-1994	Marjorie Dailey
1994-415	Adopted	For Consideration of Approval of the Multi Jurisdictional Household Hazardous Waste Element for the County of Marin and the Cities of Vervedere, Corte Madera, Fairfax, Larkspur, Mill Valley, Novato, Ross, San Anselmo, San Rafael, Sausalito, and Tiburon	Marjorie Dailey
1994-416	Adopted	Consideration of Conditional Approval of the Multi-Jurisdictional SRRE for the County of Marin and the Cities of Belvedere, Corte Madera, Fairfax, Larkspur, Mill Valley, Novato, Ross, San Answimo, San Rafael, Sausalito, Tiburon, Marin County	Marjorie Dailey
1994-417	Adopted	Consideration of Disapproval of the Source Reduction and Recycling Element for the Unincorporated Area of Sacramento County	Marjorie Dailey
1994-418	Adopted	Consideration of Approval of the Nondisposal Facility Element for the Unincorporated Area of Sacramento County	Marjorie Dailey
1994-419	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Ojai Ventura County	Marjorie Dailey
1994-420	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Ojai Ventura County	Marjorie Dailey
1994-421	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Ojai Ventura County	Marjorie Dailey
1994-422	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Simi Valley Ventura County	Marjorie Dailey
1994-423	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the city of Simi Valley Ventura County	Marjorie Dailey
1994-424	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Simi Valley Ventura County	Marjorie Dailey
1994-425	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the County of Ventura	Marjorie Dailey
1994-426	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the County of Ventura	Marjorie Dailey
1994-427	Adopted	Consideration of Approval of the Nondisposal Facility Element for the County of Ventura	Marjorie Dailey
1994-428	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Moorpark Ventura County	Marjorie Dailey
1994-429	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Moorpark Ventura County	Marjorie Dailey
1994-430	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Moorpark Ventura County	Marjorie Dailey
1994-431	Adopted	Consideration of Disapproval of the Source Reduction and Recycling Element for the City of Oxnard Ventura County	Marjorie Dailey
1994-432	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Oxnard Ventura County	Marjorie Dailey
1994-433	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Oxnard Ventura County	Marjorie Dailey

1994-434	Adopted	Consideration of Disapproval of the Source Reduction and Recycling Element for the City of Port Hueneme Ventura County	Marjorie Dailey
1994-435	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Port Hueneme Ventura County	Marjorie Dailey
1994-436	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Port Hueneme Ventura County	Marjorie Dailey
1994-437	Adopted	For the Reduction of Diversion Requirements for the City of Colusa	Marjorie Dailey
1994-438	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Chino	Marjorie Dailey
1994-439	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Chino	Marjorie Dailey
1994-440	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Chino	Marjorie Dailey
1994-441	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Monclair	Marjorie Dailey
1994-442	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Montclair	Marjorie Dailey
1994-443	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Montclair	Marjorie Dailey
1994-444	Adopted	Consideration of Approval of the Source Reduction and Recycling Element for the City of Rancho Cucamonga	Marjorie Dailey
1994-445	Adopted	Consideration of Approval of the Household Hazardous Waste Element for the City of Rancho Cucamonga	Marjorie Dailey
1994-446	Adopted	Consideration of Approval of the Nondisposal Facility Element for the City of Rancho Cucamonga	Marjorie Dailey
1994-447	Adopted	Adoption of the Negative Declaration for California Environmental Quality Act (CEQA) Compliance and the revised regulations for Recycled Content Plastic Trash Bags Title 14 California Code of Regulations Division 7 Chapter 4 Article 5	Marjorie Dailey
1994-448	Adopted	Commendation for BD Member Kathy Neal	Marjorie Dailey
1994-449	Adopted	Approval of Loans for 4th Quarter of 1994 from the RMDZ Revolving Loan Fund	Marjorie Dailey
1994-450	Adopted	For the Reduction of Diversion Requirements for the City of Colusa	Marjorie Dailey

California Integrated Waste Management Board
Permit Decision No. 94-1
January 26-27, 1994

WHEREAS, the Palmdale Disposal Company, Inc., has operated the Antelope Valley Public Landfill at the present location since 1956 under a permit issued by the County of Los Angeles Department of County Engineers Office; and

WHEREAS, since May 25, 1979 the site has been operating under a Solid Waste Facilities Permit (SWFP) issued by the then newly designated Local Enforcement Agency (LEA) for the jurisdiction, the County of Los Angeles, Department of Health Services, Solid Waste Management Program; and

WHEREAS, the LEA's 1979 permit had established terms and conditions for site operation, including rates for daily waste receipt of 1,000 cubic yards (or 350 tons) per day; and

WHEREAS, subsequent to the 1979 permit, after the scales had been installed at the site, the LEA realized that the permitted rate of daily waste had been exceeded and issued a series of Notices and Orders to allow receipt of waste at levels of up to 750 tons per day, until the SWFP is revised to delineate all operational limits; and

WHEREAS, the County of Los Angeles, Department of Health Services, Solid Waste Management Program acting as Local Enforcement Agency, has submitted to the Board for its review and concurrence in, or objection to a revised Solid Waste Facilities Permit (SWFP) for the Antelope Valley Public Landfill; and

WHEREAS, this proposed permit is to revise the terms and conditions contained in the permit that was issued in 1979; and

WHEREAS, the County of Los Angeles, Department of Regional Planning (County), the Lead Agency for CEQA review, prepared an Environmental Impact Report (EIR) and a Negative Declaration (ND) for the project and Board staff reviewed the EIR and ND and provided comments to the County on December 4, 1991 and on October 5, 1993, respectively; and the proposed project will not have a significant effect on the environment; and mitigation measures were not submitted to the Board because the potential environmental impacts associated with the project of an increase in the throughput daily tonnage at the site are mitigated by conditions incorporated into the County's resolution of approval of the proposed project and are reflected in the SWFP; and the project was approved on December 1, 1993, and a Notice of Determination was filed by the Lead Agency on December 2, 1993; and

WHEREAS, Board staff has evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the General Plan, and compliance with the California Environmental Quality Act.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 19-AA-0009.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on January 26-27, 1994.

Dated: JAN 26 1994

Ralph E. Chandler
Executive Director

California Integrated Waste Management Board
Permit Decision No. 94-02
January 26-27, 1994

WHEREAS, the Cold Canyon Landfill began operations in 1965;
and

WHEREAS, the operator, Cold Canyon Landfill, Inc., obtained
a Solid Waste Facilities Permit in 1979; and

WHEREAS, the permit expired in 1984; and

WHEREAS, the San Luis Obispo County Department of
Environmental Health, acting as the Local Enforcement Agency,
determined that the facility was operating without a valid Solid
Waste Facilities Permit and issued a Notice and Order on July 23,
1991 to Cold Canyon Landfill, Inc. requiring that the operator
obtain a valid permit; and

WHEREAS, the County of San Luis Obispo Planning Commission,
the lead agency for CEQA review, prepared an Environmental Impact
Report for the proposed project and Board staff reviewed the
Environmental Impact Report and provided comments to the lead
agency on February 6, 1991; and the proposed project will have
significant effects on the environment; and mitigation measures
were made a condition of the approval of the proposed project;
and the County of San Luis Obispo adopted a Statement of
Overriding Considerations; and the County Board of Supervisors
filed a Notice of Determination with the County Clerk on February
20, 1992; and

WHEREAS, the project description in the CEQA document is
consistent with the proposed permit; and

WHEREAS, the Central Coast Regional Water Quality Control
Board issued new Waste Discharge Requirements for the site on
July 9, 1993; and

WHEREAS, the San Luis Obispo County Department of
Environmental Health, acting as the Local Enforcement Agency, has
submitted to the Board for its review and concurrence in, or
objection to a new Solid Waste Facilities Permit for the Cold
Canyon Landfill; and

WHEREAS, Board staff have evaluated the proposed permit for
consistency with the standards adopted by the Board and found the
facility design and operation in compliance with State Minimum
Standards; and

WHEREAS, the Board finds that all state and local
requirements for the proposed permit have been met, including
consistency with Board standards, conformance with the County
Solid Waste Management Plan, consistency with the General Plan,
and compliance with the California Environmental Quality Act; and

WHEREAS, the most recent joint CIWMB/LEA inspection, conducted on January 3, 1994, documented that the site is currently operating in compliance with State Minimum Standards for Solid Waste Handling and Disposal.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 40-AA-0004.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held January 26-27, 1994.

Dated: JAN 26 1994

Ralph E. Chandler
Executive Director

California Integrated Waste Management Board
Permit Decision No. 94-03
February 24, 1994

WHEREAS, the Amador County Environmental Health Department, acting as the Local Enforcement Agency (LEA), submitted a draft Solid Waste Facilities Permit (permit) and Report of Disposal Site Information (RDSI) to the Board on April 7, 1993, for the Amador County Sanitary Landfill; and Board staff provided comments on the draft permit and RDSI on July 7, 1993;

WHEREAS, on July 7, 1993, the LEA submitted to the Board for its review and concurrence in, or objection to, a proposed permit revision for the Amador County Sanitary Landfill; and Board staff provided comments on the proposed permit and RDSI on July 27, 1993; and

WHEREAS, on July 27, 1993, the LEA requested the permit be removed from the Board agenda for the month of August; and the LEA submitted a revised RDSI on August 30, and again on September 23, 1993; and

WHEREAS, on October 7, 1993, Board staff provided comments on the amended RDSI; and on October 27, 1993 the LEA withdrew the permit for consideration by the Board until December, 1993; and on November 17 and 22, 1993 the LEA submitted amendments to the RDSI and revisions to the permit; and

WHEREAS, on November 19, 1993, the California Regional Water Quality Control Board (CRWQCB) issued a letter notifying the operator of violations of Waste Discharge Requirements No. 92-102 and Cease and Desist Order No. 92-104, at which time the Board enacted section 44009 of the Public Resources Code; and on December 31, 1993, the CRWQCB issued a letter indicating the violations were corrected; and

WHEREAS, on this item was heard by the Permitting and Enforcement Committee on January 19, 1994; and

WHEREAS, on January 21, 1994, the Department of Toxic Substance Control wrote a letter to the Chairman of the Amador County Board of Supervisors, notifying him to direct the owners and operators of the household hazardous waste collection activities to cease the acceptance of household hazardous waste and to have the waste properly characterized and disposed, and on January 25, the LEA requested that the permit be withdrawn from consideration by the Board; and

WHEREAS, on February 9 and 10, all of the household hazardous waste at the landfill was characterized and removed by a Registered Hazardous Waste Hauler, and on February 11 the permit was resubmitted by the LEA; and

WHEREAS, the Amador County Department of Waste Management, the lead agency for CEQA review, prepared an Environmental Impact Report (EIR) for the proposed project and Board staff reviewed the EIR and provided comments to Amador County Department of Waste Management on November 13, 1992; and the proposed project will not have a significant effect on the environment; and mitigation measures were made a condition of the approval of the proposed project; and the Amador County Department of Waste Management did not adopt a Statement of Overriding Considerations; and the Amador County Department of Waste Management filed a Notice of Determination with the County Clerk on March 1, 1993; and

WHEREAS, during an inspection on October 13, 1993, Board staff made the determination that the facility was in compliance with State Minimum Standards for Waste Handling and Disposal; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the project description in the CEQA document is consistent with the proposed permit; and

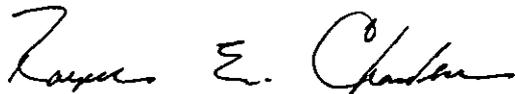

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, and consistency with the General Plan.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 03-AA-0001.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on February 24, 1994.

Executive Director

California Integrated Waste Management Board
Permit Decision No. 94-04
January 26-27, 1994

WHEREAS, the operator Kings County Waste Management Authority has submitted to the Local Enforcement Agency, the Kings County Health Department, Environmental Health Division, for its consideration an application for a new Solid Waste Facilities Permit for the Kings County Waste Management Authority Waste Processing Facility; and

WHEREAS, the Kings County Health Department, Environmental Health Division, acting as the Local Enforcement Agency, has submitted to the Board for its review and concurrence in, or objection to a new Solid Waste Facilities Permit for the Kings County Waste Management Authority Waste Processing Facility; and

WHEREAS, the proposed permit is a new permit for the operation of a material recovery and transfer facility under a new operator; and

WHEREAS, the Kings County Planning agency, the lead agency for CEQA review, prepared a Supplemental Environmental Impact Report (SEIR) for the proposed project and Board staff reviewed the SEIR and provided comments to the Kings County Planning Agency on February 24, 1993; and the SEIR identified the project's potential significant environmental impacts and provided mitigation measures that would reduce those impacts to less than significant levels; and mitigation measures were made a condition of the approval of the proposed project; and the Kings County Planning agency filed a Notice of Determination with the County Clerk on April 13, 1993; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board and found the facility design in compliance with State Minimum Standards; and

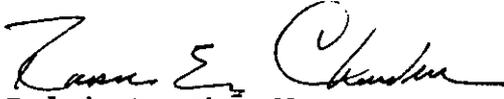

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the General Plan, and compliance with the California Environmental Quality Act.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 16-AA-0015.

CERTIFICATION

Permit Decision No. 94-09
April 27-28, 1994

WHEREAS, the operator of Community Recycling and Resource Recovery Inc./Lamont Public Utility District has submitted to the Local Enforcement Agency (LEA), Kern County Environmental Health Services Department, for its consideration an application for a Solid Waste Facility Permit (SWFP) to construct and operate a composting facility within the boundary of the Lamont Public Utility District's sewage treatment plant; and

WHEREAS, the LEA has submitted to the Board for its review and concurrence in or objection to a new SWFP for the Community Recycling and Resource Recovery Inc./Lamont Public Utility District Composting Facility; and

WHEREAS, the Lamont Public Utility District, as lead agency for the California Environmental Quality Act (CEQA) review, has prepared a Negative Declaration (SCH #93052020) with mitigation measures. Board staff reviewed the Negative Declaration (ND) and provided comments to the SCH on June 3, 1993. Kern County Board of Supervisors incorporated mitigation measures into their Conditional Use Permit on August 30, 1993. A Notice of Determination was filed on June 10, 1993; and

WHEREAS, the LEA and Board staff have reviewed the CEQA document and mitigation measures and found that they adequately address CEQA requirements; and

WHEREAS, the composting regulations for food material, sewage sludge, and mixed solid wastes have not been formulated and this facility has been reviewed under existing requirements described in the green composting regulations, Title 14, California Code of Regulations, Division 7, Chapter 3.1; and

WHEREAS, the LEA and Board staff have evaluated the proposed permit and supporting documentation for consistency with the standards adopted by the Board and have determined that the facility's proposed design and operations is in compliance with State Minimum Standards; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including conformance with the County Solid Waste Management Plan, consistency with the General Plan and compliance with CEQA.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facility Permit No. 15-AA-0307.

Permit Decision No. 94-10
February 24, 1994

WHEREAS, the operator for VenVirotek-Arvin Processing/Recycling Station which is located on a five acre parcel of land within the existing Arvin Landfill property, has submitted an application for a Solid Waste Facility Permit (SWFP) to the Local Enforcement Agency (LEA), the Kern County Environmental Health Services Department; and

WHEREAS, the LEA has submitted to the Board a proposed SWFP for its consideration of concurrence in or objection to a new SWFP for the VenVirotek-Arvin Processing/Recycling Station; and

WHEREAS, the facility is currently operating under a Stipulated Order of Compliance issued by the LEA on July 13, 1993 to allow the facility to receive non-hazardous oil field wastes and contaminated soils for processing with the intent of producing a final non-hazardous product that can be used at the Arvin Landfill for alternative landfill cover; and

WHEREAS, the Central Valley Regional Water Quality Control Board has issued Waste Discharge Requirements (Order #92-199) which allow VenVirotek to accept and process the proposed waste types; and

WHEREAS, the Kern County Department of Planning and Development Services, the lead agency for the California Environmental Quality Act (CEQA) review, prepared a Negative Declaration (ND), SCH #89020082, with mitigation measures. Board staff reviewed the ND and provided comments to the County on March 1, 1990. A Notice of Determination was filed on April 19, 1990; and

WHEREAS, the LEA and Board staff have reviewed the ND and mitigation measures and found that they adequately address California Environmental Quality Act requirements; and

WHEREAS, the LEA and Board staff have evaluated the proposed permit and supporting documentation for consistency with the standards adopted by the Board and have determined that the facility's design and operations are in compliance with State Minimum Standards; and

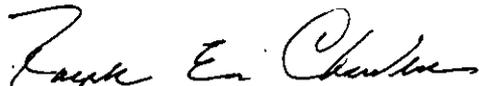

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including conformance with the County Solid Waste Management Plan, consistency with the Kern County General Plan and compliance with CEQA.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facility Permit No. 15-AA-0297.

Permit Decision No. 94-12
February 24, 1994

WHEREAS, One Stop Landscape Supply Center Composting Facility, is owned and operated by Mr. Larry Curti; and

WHEREAS, San Bernardino County, Department of Environmental Health Services acts as the Solid Waste Local Enforcement Agency (LEA); and

WHEREAS, the County of San Bernardino, the lead agency for CEQA review, prepared three Mitigated Negative Declarations for the proposed project; and the proposed projects will not have a significant effect on the environment; and mitigation measures were made a condition of the approval of the proposed project; the Negative Declarations were approved on March 16, 1987, November 2, 1987, and although the ND's were not circulated through the State Clearinghouse, it became effective 180 days after the March 16, 1987 and November 2, 1987 approvals, pursuant to PRC, Section 21167 (a); and

WHEREAS, the County of San Bernardino issued a Conditional Use Permit on March 16, 1987 and a revised Conditional Use Permit on November 2, 1989; and

WHEREAS, Waste Discharge Requirements, Order 89-137, were issued to One Stop Landscape Supply Center on October 13, 1989; and

WHEREAS, a Notice of Violation was issued on August 6, 1987 ordering the operator to obtain a Solid Waste Facility Permit; and

WHEREAS, a tentative Notice and Order was drafted by the LEA in 1990 but was never officially issued; and

WHEREAS, the operator submitted a Report of Composting Site Information to the LEA on February 28, 1990, and the LEA accepted the Solid Waste Facilities Permit application package as complete on March 20, 1990; and

WHEREAS, proposed and/or draft Solid Waste Facility Permits received from the LEA on August 31, 1990, September 10, 1991, September 14, 1992, and November 1, 1993 were not acted upon due to inadequacies with the application Permit packages; and

WHEREAS, the operator extended the LEA's 120 day time frame, pursuant to Public Resources Code, Section 44009, on the following dates May 11, 1990, July 6, 1990, September 15, 1990, December 31, 1990, March 19, 1992 and lastly on December 18, 1993 until April 8, 1994; and

WHEREAS, on January 21, 1994, the LEA submitted to the Board for its review and concurrence in, or objection to, a new Solid Waste Facilities Permit; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the City of Redland's General Plan, and compliance with the California Environmental Quality Act.

Executive Director

California Integrated Waste Management Board
Permit Decision No. 94-18.
March 30, 1994

WHEREAS, San Joaquin County owns and operates the Lovelace Road Transfer Station and proposes to expand and renovate the existing facility located at 2323 East Lovelace Road, Manteca; and

WHEREAS, the County of San Joaquin, the lead agency for CEQA review, prepared an Environmental Impact Report for the proposed project; and Board staff provided comments to the County on June 9, 1993; and the proposed project will not have a significant effect on the environment; and mitigation measures were incorporated into the approval of the proposed project; and the San Joaquin County Board of Supervisors adopted the final environmental document (SCH# 92092072) on October 5, 1993; and

WHEREAS, the San Joaquin Board of Supervisors adopted Conditional Use Permit UP-93-2 on October 5, 1993, for the operation of the Lovelace Road Transfer Station; and

WHEREAS, San Joaquin County Environmental Health Department, acting as the Local Enforcement Agency, has submitted to the Board for its review and concurrence in, or objection to, a revised Solid Waste Facilities Permit for the Lovelace Transfer Station; and

WHEREAS, the project description in the CEQA document is consistent with the proposed permit; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board and found the facility design and operation in compliance with State Minimum Standards; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the County General Plan, and compliance with CEQA; and

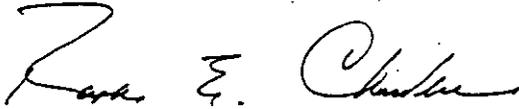

WHEREAS, the most recent joint CIWMB/LEA inspection, conducted on February 17, 1994, documented that the facility is currently operating in compliance with State Minimum Standards for Solid Waste Handling and Disposal.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 39-AA-0008.

CERTIFICATION

California Integrated Waste Management Board
Permit Decision No. 94-19
March 30, 1994

WHEREAS, Tracy Material Recovery and Transfer, Inc. proposes to construct and operate the Tracy Materials Recovery and Transfer Facility at 30703 South MacArthur Drive near the City of Tracy, Assessors Parcel Number 253-130-19; and

WHEREAS, the San Joaquin County Community Development, the lead agency for CEQA review, prepared an Environmental Impact Report (EIR) for the proposed project; and Board staff provided comments to the County on November 9, 1993; and the proposed project will not have a significant effect on the environment; and mitigation measures were incorporated into the approval of the proposed project; and the San Joaquin County Board of Supervisors adopted the Final EIR (SCH# 93042093) on December 16, 1993, and approved the Notice of Determination for the project on December 30, 1993; and

WHEREAS, the San Joaquin Board of Supervisors adopted Conditional Use Permit UP-93-4 on December 15, 1993, for the construction and operation of the Tracy Materials Recovery and Transfer Facility; and

WHEREAS, the Regional Water Quality Control Board waived Waste Discharge Requirements for the Tracy Materials Recovery and Transfer Facility on March 25, 1994; and

WHEREAS, the San Joaquin Valley Unified Air Pollution Control District has issued Authority to Construct; and

WHEREAS, San Joaquin County Public Health Services, acting as the Local Enforcement Agency, has submitted to the Board for its review and concurrence in, or objection to, a new Solid Waste Facilities Permit for the Tracy Materials Recovery and Transfer Facility; and

WHEREAS, the project description in the CEQA document is consistent with the proposed permit; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board and found the facility design and operation in compliance with State Minimum Standards; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the County General Plan, and compliance with CEQA; and

WHEREAS, the LEA has determined that the facility will be designed to operate in compliance with State Minimum Standards for Solid Waste Handling and Disposal.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 39-AA-0024.

California Integrated Waste Management Board
Permit Decision No. 94-20
March 30, 1994

WHEREAS, the County of Tulare Department of Health Services, Solid Waste Management Program, acting as Local Enforcement Agency, has submitted to the Board for its review and concurrence in or objection to a new Solid Waste Facility Permit for the Tulare County Compost and Biomass, Inc., composting and recycling facility; and

WHEREAS, the facility is currently operating under an exemption granted by the LEA on July 2, 1993; and

WHEREAS, the Central Valley Regional Water Quality Control Board has determined that adequate measures have been taken to protect water quality and has granted to the operator a waiver from Waste Discharge Requirements; and

WHEREAS, the San Joaquin Valley Unified Air Pollution Control District has determined that the facility presents no special concerns to air quality; and

WHEREAS, the Tulare County Planning Department (TCPD), as lead agency for the California Environmental Quality Act (CEQA) review, has prepared a Negative Declaration and filed a Notice of Determination (NOD) on March 23, 1993; and

WHEREAS, the TCPD neglected to circulate the ND through the State Clearing House as required by CEQA Guidelines, Section 15205 (a); and

WHEREAS, Board staff, as a responsible agency, have evaluated the ND and determined that the document prepared is appropriate for the Board's use in evaluating the proposed project; and

WHEREAS, the proposed permit is to allow a new composting operation to commence, which will divert approximately 67,500 tons of waste from area landfills each year; and

WHEREAS, the facility will process a maximum of 225 tons of green and agricultural wastes per day; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the County General Plan, and that CEQA requirements have been satisfied.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facility Permit No. 54-AA-0026.

California Integrated Waste Management Board

Resolution No. 94-22

Delegation of Authority for Approval of Applications for
Exclusion from Waste Tire Facility Permitting

Whereas, the California Integrated Waste Management Board was created with the enactment of the California Integrated Waste Management Act of 1989; and,

Whereas, the major responsibility of the Board is to develop and implement new Integrated Waste Management policy for the State of California; and,

Whereas, in order to carry out the responsibilities, commitment and administration of the Board, numerous agreements and documents must be executed for and on behalf of the Board; and,

Whereas, the Board desires to focus its energies and efforts on the responsibilities with which it alone has been charged by the Governor and the Legislature, namely the deliberation, adoption and implementation of statewide policy and standards for Integrated Waste Management; and,

Whereas, Public Resources Code (PRC) § 40430 requires the Board to appoint an Executive Director to administer the functions of the Board and to prescribe his or her duties; and,

Whereas, PRC § 40430 allows the Board to delegate any power, duty, purpose, function and jurisdiction which it deems appropriate to the Executive Director;

Now, therefore, Be it Resolved, that the Board authorizes the Executive Director, on behalf of the Board, to render decisions and execute documents pertaining to Waste Tire Facility Permit actions and are necessary for the preservation of the public health and safety or the environment; as follows:

Be it Further Resolved, concerning Waste Tire-Facility Permit actions, the Executive Director may approve applications for exclusion from Waste Tire Facility Permitting.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly

adopted at a meeting of the California Integrated Waste
Management Board held on May 25, 1994.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-23

FOR CONSIDERATION OF APPROVAL FOR THE FOUR STARTUP SITES
UNDER THE SOLID WASTE DISPOSAL AND CODISPOSAL SITE
CLEANUP PROGRAM - AB 2136

WHEREAS, Public Resources Code (PRC) Sections 48020 et seq. provide for implementation of the Solid Waste Disposal and Codisposal Site Cleanup Program; and

WHEREAS, the Board has approved guidelines for this new program to cleanup sites; and

NOW, THEREFORE, BE IT RESOLVED that the Board approves four sites (Weitchpec Illegal Dump, Caspar Landfill, Haywood Illegal Dump, and Foster Road Illegal Dump) for immediate funding for cleanups under the Solid Waste Disposal and Codisposal Site Cleanup Program. The Board directs staff to implement remediation measures and to encumber the funding for the cleanup of these sites.

Permit Decision No. 94-24
April 27-28, 1994

WHEREAS, Alameda County Department of Environmental Health, Office of Solid/Medical Waste Management, acting as the Local Enforcement Agency, submitted to the Board on March 31, 1994, for its review and concurrence in, or objection to a revised Solid Waste Facilities Permit for Tri-Cities Recycling and Disposal Facility; and

WHEREAS, the City of Fremont Community Development Department, the lead agency for CEQA review, prepared an Environmental Impact Report for the proposed project and Board staff reviewed the Environmental Impact Report and provided comments to the City of Fremont Community Development Department on July 22, 1993; and the proposed project will have a significant effect on the environment; and mitigation measures were made a condition of the approval of the proposed project; and the City of Fremont Community Development adopted a Statement of Overriding Considerations; and the City of Fremont Community Development filed a Notice of Determination with the County Clerk on September 23, 1993; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the project description in the CEQA document is consistent with the proposed permit; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, and consistency with the General Plan, and;

WHEREAS, Board Staff have made the determination that the facility's design and operation is in compliance with the State Minimum Standards for Solid Waste Handling and Disposal based on an inspection conducted December 21, 1993.

RESOLUTION # 94-26**

**FOR CONSIDERATION OF
APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE ELEMENT
FOR UNINCORPORATED HUMBOLDT COUNTY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41510 requires that each county draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the unincorporated area of the county; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, Humboldt County drafted and adopted its final HHWE in accordance with statute and regulations; and

WHEREAS, Humboldt County submitted its final HHWE to the Board for approval on October 21, 1993, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the County's HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Household Hazardous Waste Element for the unincorporated area of Humboldt County.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-27**

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND
RECYCLING ELEMENT FOR THE UNINCORPORATED AREA OF HUMBOLDT COUNTY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county shall prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the County's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Elements for the unincorporated area of Humboldt County.

Resolution 94-28
January 26, 1994

Consideration of Approval of a Negative Declaration for the Adoption of Revised State Minimum Standards to Comply with Federal Subtitle D Solid Waste Landfill Criteria Codified in Title 40, Part 258, Code of Federal Regulations

WHEREAS, the California Environmental Quality Act (Public Resources Code Section 21000 et. seq.), and State CEQA Guidelines, Section 15074 (b) requires that prior to approval of a proposed project, the decision-making body of the Board, as Lead Agency, shall consider the proposed Negative Declaration for the adoption of proposed revisions to existing Board permitting and enforcement regulations, and for new regulations, together with any comments received during the public review process. The decision-making body shall approve the Negative Declaration if it finds on the basis of the Initial Study and any comments received that there is no substantial evidence that the project will have a significant effect on the environment.

WHEREAS, the Board has reviewed the proposed Negative Declaration together with all comments received during the state agency review period assigned by the State Clearinghouse and public review period announced in four newspapers of general circulation throughout the State of California as required by the State CEQA Guidelines, Section 15072(a).

NOW, THEREFORE, BE IT RESOLVED that the Board hereby deems the proposed Negative Declaration complete.

BE IT FURTHER RESOLVED that the Board has determined that the project as proposed will not have a significant effect on the environment.

BE IT FURTHER RESOLVED that the Board adopts the Negative Declaration, State Clearinghouse Number 93122070.

BE IT FURTHER RESOLVED that the Board directs staff to prepare and submit a Notice of Determination of the project to the State Clearinghouse for filing as required by the State CEQA Guidelines, Sections 15075.

Executive Director

California Integrated Waste Management Board
Resolution 94-34
January 19, 1994

**Adoption of Emergency Regulations in response to the
January 17, 1994, Northridge earthquake and related seismic events.**

WHEREAS, Public Resources Code (PRC) Sections 40002, 40502, 43020 and 43021 authorize the Board to adopt solid waste management regulations as necessary for the preservation of health and safety, and the well-being of the public, in response to regional needs and to set forth minimum standards; and

WHEREAS, the California Integrated Waste Management Board finds that an emergency waiver of standards to facilitate solid waste disposal and cleanup is necessary for the immediate preservation of the public peace, health and safety, and general welfare in the area of the January 17, 1994, Northridge earthquake and related seismic events; and

WHEREAS, the Board has determined that an emergency exists, as identified in Government Code Section 11349.6(b); and

WHEREAS, the Board has fulfilled all of the requirements of Government Code Sections 11346.1, 11346.2, paragraphs (2) to (6), inclusive, of subdivision (a) of Section 11346.5, 11349.1 and 11349.6.

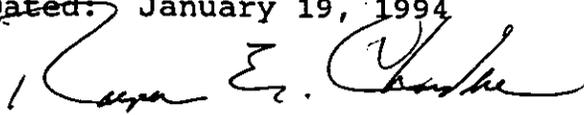

NOW, THEREFORE, BE IT RESOLVED that the Board hereby adopts the proposed emergency regulations for Title 14, Chapter 1, Article 1 of the California Code of Regulations; and

BE IT FURTHER RESOLVED that the Board directs staff to submit the emergency regulations to the Office of Administrative Law for review, approval, and filing with the Secretary of State.

Certification

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on January 19, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-35**

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND
RECYCLING ELEMENT FOR THE UNINCORPORATED AREA OF PLACER COUNTY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county shall prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the County's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Elements for the unincorporated area of Placer County.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-36**

**FOR THE REDUCTION OF DIVERSION
REQUIREMENTS FOR THE CITY OF FARMERSVILLE**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780, if a city or county can demonstrate that achievement of the mandated requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations, Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in planning and diversion goals mandated by Public Resources Code Section 41780; and

WHEREAS, the Board has received a petition for reductions in the diversion requirements from the City of Farmersville; and

WHEREAS, the City of Farmersville qualifies based on geographic size, population density, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board has found that the request for reduction in diversion requirements to allow the City of Farmersville to achieve a 12 percent level of waste diversion by January 1, 1995 is reasonable; and

WHEREAS, the City has complied with Public Resources Code Section 41782, and Title 14 of the California Code of Regulations, Section 18775; and

WHEREAS, the Integrated Waste Management Local Assistance and Planning Committee approved the staff recommendation to allow the City of Farmersville to reduce the short term diversion goals from 25 percent to 12 percent;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in diversion requirements for the City of Farmersville to 12 percent for January 1, 1995.

BE IT FURTHER RESOLVED, that if the City SRRE has not been locally adopted and submitted to the Board by the deadline set in statute; or, if the City SRRE is not approved by the Board pursuant to the provisions of Chapter 7, Part 2, of Division 30 of the Public Resources Code (commencing with Section 41800), then the diversion reductions granted above shall be deemed revoked.

**FOR THE REDUCTION OF DIVERSION
REQUIREMENTS FOR THE CITY OF LINDSAY**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780, if a city or county can demonstrate that achievement of the mandated requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations, Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in planning and diversion goals mandated by Public Resources Code Section 41780; and

WHEREAS, the Board has received a petition for reductions in the diversion requirements from the City of Lindsay; and

WHEREAS, the City of Lindsay qualifies based on geographic size, population density, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board has found that the request for reduction in diversion requirements to allow the City of Lindsay to achieve a 13.5 percent level of waste diversion by January 1, 1995 is reasonable; and

WHEREAS, the City has complied with Public Resources Code Section 41782, and Title 14 of the California Code of Regulations, Section 18775; and

WHEREAS, the Integrated Waste Management Local Assistance and Planning Committee approved the staff recommendation to allow the City of Lindsay to reduce the short term diversion goals from 25 percent to 13.5 percent;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in diversion requirements for the City of Lindsay to 13.5 percent for January 1, 1995.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION #94 - 39

FOR THE REDUCTION OF DIVERSION
REQUIREMENTS FOR THE UNINCORPORATED COUNTY OF GLENN AND THE
INCORPORATED CITIES OF ORLAND AND WILLOWS

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780 if a city or county can demonstrate that achievement of the mandated requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations, Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in planning and diversion goals mandated by Public Resources Code Section 41780; and

WHEREAS, the Board has received a petition for reductions in the diversion requirements from the Unincorporated County of Glenn and the Incorporated Cities of Orland and Willows; and

WHEREAS, the Unincorporated County of Glenn and the Incorporated Cities of Orland and Willows each individually qualify based on geographic size, population density, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board has found that the request for reduction in diversion requirements to allow the Unincorporated County of Glenn and the Incorporated City of Willows each to achieve a 15% level of waste diversion by January 1, 1995 is reasonable; and

WHEREAS, the Board has considered the request for reduction in diversion requirements to allow the Incorporated City of Orland to achieve a 15% level of waste diversion by January 1, 1995, and has determined that, based on its petition, a reasonable level of waste diversion would be a 17% waste diversion rate by January 1, 1995; and

WHEREAS, the Unincorporated County and the Incorporated Cities of Orland and Willows have each complied with Public Resources Code Section 41782, and Title 14 of the California Code of Regulations, Section 18775; and

WHEREAS, the Integrated Waste Management Board's Local Assistance and Planning Committee approved the staff recommendation to allow the Unincorporated County of Glenn and the Incorporated City of Willows to each reduce the short term diversion goals from 25% to 15%; and

WHEREAS, the Integrated Waste Management Board's Local Assistance and Planning Committee has modified staff's recommendation and approved the Incorporated City of Orland to reduce short term diversion goals from 25% to 17%.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in diversion requirements to 15% for the Unincorporated County of Glenn and the Incorporated City of Willows and to 17% for the Incorporated City of Orland for January 1, 1995.

BE IT FURTHER RESOLVED, that if the City SRRE has not been locally adopted and submitted to the Board by the deadline set in statute; or, if the City SRRE is not approved by the Board pursuant to the provisions of Chapter 7, Part 2, of Division 30 of the Public Resources Code (commencing with section 41800), then the diversion reductions granted above shall be deemed revoked.

Ralph E. Chandler
Executive Director

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION NO. 94-40**

WHEREAS, the California Integrated Waste Management Board (Board) is required to promote waste prevention (source reduction) as the priority waste management practice; and

WHEREAS, the Board is required to maximize the use of all feasible waste prevention, recycling, and composting options in order to reduce the amount of solid waste that must be disposed; and

WHEREAS, the Board in response to these and other statutory mandates that require the Board to promote statewide waste prevention, recycling, and composting has developed a Statewide Waste Prevention Plan and is implementing a state facilities recycling program; and

WHEREAS, the Board recognizes that waste prevention offers a great potential to reduce waste, but is a relatively underdeveloped approach because it competes with better known traditional waste management practices that rely on managing discards, such as recycling; and

WHEREAS, the Board fully intends to lead the way in reducing the generation of solid waste in California; and

WHEREAS, the Board, as part of the Statewide Waste Prevention Plan established a committee to develop an in-house model to provide leadership through example and serve as a case study.

NOW, THEREFORE, BE IT RESOLVED that the Board adopts the following In-House Waste Prevention Policy and directs its Executive Director to implement the In-House Waste Prevention Action Plan developed by the In-House Waste Prevention Committee.

In-House Waste Prevention Policy

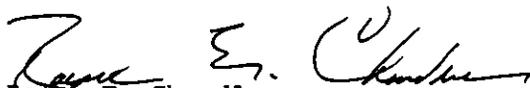

As part of its overall integrated approach to waste management, it is the policy of the California Integrated Waste Management Board to implement cost-effective waste prevention practices in all of its in-house and external operations. Specifically, except where prohibited by State law, regulations, or pre-existing contracts, the Board shall:

- ▶ reduce paper purchases by 10% over the next year;
- ▶ purchase photocopiers with a duplex function;
- ▶ purchase computer printers that have a double-sided printing capability;
- ▶ maintain all copiers and printers in working order;
- ▶ double-side all documents and communications except where necessary in the case of master documents or where equipment is unable to perform this function reliably;
- ▶ assure that electronic systems are set up to allow for default double-sided copying;
- ▶ minimize changes in procedures, formatting, and documents which generate waste;
- ▶ allow internal documents to be submitted with minor legible handwritten corrections;
- ▶ practice waste prevention in all procurement decisions;
- ▶ operate in a facility that maximizes waste prevention in its custodial, maintenance and landscaping practices; and
- ▶ implement other waste prevention practices as deemed appropriate.

RESOLUTION #94-41

FOR FINAL DESIGNATION OF THE
RECYCLING MARKET DEVELOPMENT ZONES
FOR DESIGNATION CYCLE 92-93

WHEREAS, Title 14 of the California Code of Regulations, Section 17910 allows the Board to grant the Zones conditional designation and specify certain conditions that must be satisfied in order to receive final designation;

WHEREAS, In accordance with Title 14 Sections 17910 of the California Code of Regulations (CCR); designated Zones must comply with California Environmental Quality Act (CEQA) requirements in order to receive final designation and be eligible for program incentives,

WHEREAS, Section 17911 of Title 14 of the CCR requires conditionally designated Zones to formally request, from the Board, final designation status upon meeting conditional of approval,

WHEREAS, The Greater South San Joaquin Valley Recycling Market Development Zone (RMDZ) was conditionally approved on March of 1993.

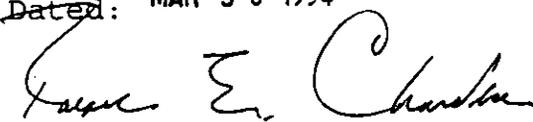

WHEREAS, The Greater South San Joaquin Valley has demonstrated compliance with CEQA and formally requested final designation,

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby grant final designation for the Greater South San Joaquin Valley RMDZ for designation cycle 92-93.

**FOR DESIGNATION OF THE
RECYCLING MARKET DEVELOPMENT ZONES
FOR DESIGNATION CYCLE THREE (93-94)**

WHEREAS, Public Resources Code Sections 42140-42158 establish the Recycling Market Development Zone Program for the development, stability and expansion of domestic markets for postconsumer and secondary materials collected statewide; and

WHEREAS, in accordance with Title 14, Section 17910 of the California Code of Regulations (CCR), designated zones must comply with California Environmental Quality Act (CEQA) requirements in order to receive final designation and be eligible for program incentives; and

WHEREAS, nine out of the twelve proposed zones have not completed all the requirements for final designation pursuant to regulatory requirements found in 14 CCR 17910-17911; and

WHEREAS, 14 CCR 17910 allows the Board to grant the Zones conditional designation and specify certain conditions that must be satisfied in order to receive final designation; and

WHEREAS, the Kern County proposed zone, the City of San Jose proposed zone, and the Chino/Chino Hills proposed zones have demonstrated compliance with CEQA and completed all requirements for final designation as a zone pursuant to regulatory requirements found in 14 CCR 17910-17911;

THEREFORE, BE IT RESOLVED, that the Board hereby grants conditional designation for the following Recycling Market Development Zones for designation Cycle Three (93-94):

1. Los Angeles County
2. Mendocino/Sonoma Counties
3. Chico
4. Placer County
5. Kaiser Resources, Inc. and San Bernardino County
6. Stanislaus County
7. City of Anaheim
8. North San Diego County

**RESOLUTION 94-44
APPROVAL OF LOAN FROM
THE RECYCLING MARKET
DEVELOPMENT ZONE REVOLVING LOAN FUND
FOR COAST RECYCLING NORTH, INC.**

WHEREAS, the Board is authorized to make loans to recycling businesses using postconsumer or secondary waste materials located in designated Recycling Market Development Zones from its Recycling Market Development Revolving Loan Account;

WHEREAS, Board staff solicited applications for loans March 12, 1993 through June 11, 1993;

WHEREAS, Board staff has determined that this applicant is eligible for consideration of loan funding and has recommended to the Loan Committee the approval and authorization of this loan;

WHEREAS, the Loan Committee has considered the credit-worthiness of the applicant and has recommended to the Market Development Committee the approval and authorization of the loan;

WHEREAS, the Market Development Committee has considered the extent to which the eligible applicant meets the goals of the Recycling Market Development Zone Loan Program and has recommended to the Board the approval and authorization of the loan;

NOW, THEREFORE, BE IT RESOLVED, that in accordance with the recommendations of the Board staff, the Loan Committee and the Market Development Committee, the Board hereby approves the funding of the following loan in the following original principal amount as set forth next to the borrower's name, subject however, to the terms and conditions contained in the loan agreement to be prepared by Board staff for the loan in accordance with applicable regulations, and on such terms and conditions as the Board or its duly authorized staff representative in its or their sole discretion deems necessary or advisable:

BORROWER

AMOUNT

1. Coast Recycling North, Inc. \$150,000

RESOLVED FURTHER, that the Board, the Executive Director, its authorized representative, or the Executive Director's designee, be and each hereby is, authorized to do and perform any and all such acts, including execution of the loan agreements to be prepared by Board staff and all other documents or certificates as the Board or its authorized representative in its or their sole discretion deem necessary or advisable to carry out the purposes of the foregoing resolution.

RESOLVED FURTHER, that any actions taken by the Board or the Executive Director, its authorized representative, or the Executive Director's designee prior to the date of the adoption of the foregoing resolutions that are within the authority conferred by those resolutions, are hereby ratified, confirmed and approved as the acts and deeds of the Board.

Resolution 94-45
January 26, 1994**

Adoption of Emergency Regulations for Title 14, California Code of Regulations, Division 7, Chapter 9, Article 6.1 for revised regulations for Solid Waste Generation Study and Solid Waste Disposal Characterization Studies, Sections 18722, 187224, and 18726.

WHEREAS, Public Resources Code (PRC) 40502 directs the California Integrated Waste Management Board (Board) to adopt emergency regulations regarding city, county, and regional agency Source Reduction and Recycling Elements; and

WHEREAS, these emergency regulations are required to facilitate the implementation of AB 2494 (Sher, Stats, 1992, c. 1292) and AB 440 (Sher, Stats. 1993, c. 1169); and

WHEREAS, AB 440 requires the Board to conduct two public hearings to accept comment on the emergency regulations and notice the emergency regulations in the California Regulatory Notice Register; and

WHEREAS, an Initial Study and Negative Declarations, State Clearing House Number 93112080, was prepared and pursuant to the California Environmental Quality Act (CEQA) and has been noticed for public review and comment and has fulfilled all CEQA requirements; and

WHEREAS, the Board adopted the Initial Study and Negative Declaration on December 15, 1993; and

WHEREAS, Board staff filed Notice of Determination at the State Clearing House on December 21, 1993; and

WHEREAS, on December 17, 1993, the Office of Administrative Law published the Notice of emergency regulations rulemaking in the California Regulatory Notice Register; and

WHEREAS, the Board conducted one public hearing in the County of Sacramento on January 4, 1994 and one public hearing in the City of Riverside on January 10, 1994, to accept comments on the emergency regulations; and

WHEREAS, the Board Staff have revised the regulations as appropriate, based on public comment; and

WHEREAS, the Board's Local Assistance and Planning Committee considered the emergency regulations at its January 6, 1994 meeting, and found the regulations to be adequate, and directed Board staff to submit the regulations for consideration by the Board on January 26, 1994; and

WHEREAS, the Board has fulfilled all the requirements of Government Code, Sections 11346.1, 11346.2, Paragraphs (2) to (6), inclusive, of Subsection (a) of Section 11346.5, 11349.1, and 11349.6.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby adopts the proposed emergency regulations for Title 14, California Code of Regulations, Division 7, Chapter 9, Article 6.1.

BE IT FURTHER RESOLVED that the Board directs staff to submit the emergency regulations to the Office of Administrative Law for review, approval, and filing with the Secretary of State.

California Integrated Waste Management Board
Permit Decision No. 94-49
May 25 and 26, 1994

WHEREAS, the South Napa Waste Management Authority owns and operates the American Canyon Landfill; and

WHEREAS, the Napa County Division of Environmental Health, acting as the Local Enforcement Agency (LEA), requested that the operator submit an application for a new Solid Waste Facility Permit for the landfill to reflect a change in the owner and operator of the landfill which became effective September, 1993; and

WHEREAS, the Napa County Conservation and Planning Department has determined that the continued operation of the landfill under a new owner and operator is exempt from California Environmental Quality Act (CEQA); and the Napa County Division of Environmental Health has filed a Notice of Exemption (Class I) with the County Clerk and the State Clearinghouse; and a legal notice describing the finding was published in a local newspaper; and

WHEREAS, the LEA has submitted to the California Integrated Waste Management Board (Board) for its review and concurrence in, or objection to, a new Solid Waste Facilities Permit for the American Canyon Landfill; and

WHEREAS, the project description in the 1982 Environmental Impact Statement is consistent with the proposed permit; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board and found the facility design and operation in compliance with State Minimum Standards; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the County General Plan, and compliance with CEQA; and

WHEREAS, the most recent joint Board/LEA inspection, conducted on March 24, 1994, documented violations of litter control and methane monitoring requirements; and

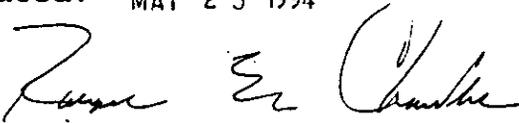

WHEREAS, the LEA has since documented that operations have been adjusted to bring the facility into compliance with the above noted violations and that the facility is currently operating in compliance with State Minimum Standards for Solid Waste Handling and Disposal.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 28-AA-0001.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on May 25 and 26, 1994.

California Integrated Waste Management Board
Draft Permit Decision No. 94-49
April 27-28, 1994

WHEREAS, the South Napa Waste Management Authority owns and operates the American Canyon Landfill; and

WHEREAS, the Napa County Division of Environmental Health, acting as the Local Enforcement Agency (LEA), requested that the operator submit an application for a new Solid Waste Facility Permit for the landfill to reflect a change in the owner and operator of the landfill which became effective September, 1993; and

WHEREAS, the Napa County Conservation and Planning Department has determined that the continued operation of the landfill under a new owner and operator is exempt from California Environmental Quality Act (CEQA); and the Napa County Division of Environmental Health has filed a Notice of Exemption (Class I) with the County Clerk and the State Clearinghouse; and a legal notice describing the finding was published in a local newspaper; and

WHEREAS, the LEA has submitted to the California Integrated Waste Management Board (Board) for its review and concurrence in, or objection to, a new Solid Waste Facilities Permit for the American Canyon Landfill; and

WHEREAS, the project description in the 1982 Environmental Impact Statement is consistent with the proposed permit; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board and found the facility design and operation in compliance with State Minimum Standards; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the County General Plan, and compliance with CEQA; and

WHEREAS, the most recent joint Board/LEA inspection, conducted on March 24, 1994, documented violations of litter control and methane monitoring requirements; and

WHEREAS, the LEA has since documented that operations have been adjusted to bring the facility into compliance with the above noted violations and that the facility is currently operating in compliance with State Minimum Standards for Solid Waste Handling and Disposal.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 28-AA-0001.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION NO. 94-50

April 27-28, 1994

Resolution approving the Enforcement Program Plan, issuing the requested certification and approving the designation of the City of Vernon Health Department as the Local Enforcement Agency for the City of Vernon.

WHEREAS, the California Integrated Waste Management Act of 1989 allows local governing bodies to designate an enforcement agency to carry out solid waste permitting, inspection and enforcement duties in their jurisdiction; and

WHEREAS, regulations require a designated local agency to develop, submit for Board approval, and adopt an Enforcement Program Plan (EPP) pursuant to statute; and

WHEREAS, the City of Vernon City Council has designated the above local agency and has requested Board approval of their designation; and

WHEREAS, the California Integrated Waste Management Board has received on November 1, 1993 and reviewed the proposed Enforcement Program Plan for the City of Vernon; and

WHEREAS, the Board finds that the above designated enforcement agency has demonstrated, via its amended Enforcement Program Plan as of March, 1994 that it meets the requirements of Public Resources Code Section 43200, et seq; and Title 14 California Code of Regulations Section 18010 et seq; and

WHEREAS, the Enforcement Program Plan of the City of Vernon Health Department requests the Board to approve the Enforcement Program Plan and issue certification types "A", "C", & "D" to the designated local agency pursuant to Title 14 California Code of Regulations Section 18071; and

WHEREAS, the City of Vernon Health Department has adopted its Enforcement Program Plan pursuant to Public Resources Code Section 43209; and

WHEREAS, the City of Vernon's Enforcement Program Plan has been conditionally approved based on their commitment to secure formal funding from their City Council for their enforcement program.

NOW, THEREFORE, BE IT RESOLVED, the California Integrated Waste Management Board, pursuant to Public Resources Code Division 30 Part 4, Chapter 2, Article 1, approves the Enforcement Program Plan and designation and issues certification for types "A", "C", & "D" to the City of Vernon Health Department as the solid waste local enforcement agency for the City of Vernon.

BE IT FURTHER RESOLVED, that the City of Vernon Health Department shall be issued full certification in approximately six months upon confirmation of compliance with Title 14, California Code of Regulations, Chapter 5, Article 2.2.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on April 27-28, 1994.

Permit Decision No. 94-51
May 25, 1994

WHEREAS, the LEA, upon completion of a permit review in July 1991, entered into a Stipulated Order of Compliance (STIP) with the Main Base Sanitary Landfill, Edwards Air Force Base (Edwards Landfill) on July 10, 1991 ; and

WHEREAS, the STIP allowed continued operations at the landfill while the necessary processes required to receive a revised Solid Waste Facility Permit were completed; and

WHEREAS, the operator of Edwards Landfill has submitted to the Local Enforcement Agency (LEA), Kern County Environmental Health Services Department, for its consideration an application for a Solid Waste Facility Permit (SWFP) revision to reflect significant changes from the terms, conditions, and operations described in the Facility's 1979 SWFP; and

WHEREAS, the LEA has submitted to the Board for its review and concurrence with or objection to a revised SWFP for the Edwards Landfill; and

WHEREAS, the Lahontan Regional Water Quality Control Board, acting as lead agency for the California Environmental Quality Act (CEQA) review, has prepared a Negative Declaration, State Clearing House (SCH) #93052089, with mitigation measures and Board staff reviewed the Negative Declaration (ND) and provided comments to the SCH on June 28, 1993; and

WHEREAS, the proposed balefill, design, and operational changes will be an improvement over current operational practices at the landfill and will extend the site's closure date to the year 2019; and

WHEREAS, the LEA and Board staff have evaluated the proposed permit and supporting documentation for consistency with standards adopted by the Board and have determined that the facility's proposed design and operation is in compliance with State Minimum Standards; and

WHEREAS, the most recent joint CIWMB/LEA inspection, conducted on March 23, 1994, documented that the site is currently operating in compliance with State Minimum Standards for Solid Waste Handling and Disposal; and

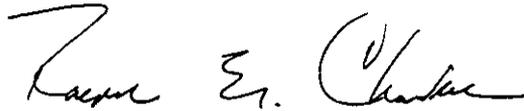

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including conformance with the Kern County Solid Waste Management Plan, consistency with the Kern County General Plan and compliance with CEQA.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facility Permit No. 15-AA-0150.

California Integrated Waste Management Board
Permit Decision No. 94-53
April 27-28, 1994

WHEREAS, on December 7, 1993 Board staff met with the operator, the Mendocino County Public Health Department Division of Environmental Health (LEA), the Mendocino County Planning and Building Services Department, and the Regional Water Quality Control Board for an initial consultation on this project; and on December 16, 1993, Board staff provided the LEA with comments on the Clean Closure Plan; and

WHEREAS, Mendocino County Public Health Department, Division of Environmental Health, acting as the Local Enforcement Agency, submitted to the Board, on April 8, 1994, for its review and concurrence in, or objection to a revised Solid Waste Facilities Permit for the Louisiana-Pacific Caspar Woodwaste Disposal Site; and

WHEREAS, the Mendocino County Planning and Building Services Department, the lead agency for CEQA review, prepared a Negative Declaration for the proposed project and Board staff reviewed the Negative Declaration and provided comments to the Mendocino County Planning and Building Services Department on February 14, 1994; and the proposed project will not have a significant effect on the environment; and mitigation measures were incorporated into the approval of the proposed project; and the Mendocino County Planning and Building Services Department filed a Notice of Determination with the County Clerk on March 17, 1994; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the project description in the CEQA document is consistent with the proposed permit; and

WHEREAS, the LEA determined during an inspection on March 30, 1994, that the site is in compliance with the State Minimum Standards for Solid Waste Handling and Disposal; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, and consistency with the General Plan.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 23-AA-0011.

California Integrated Waste Management Board
Permit Decision No. 94-55
July 27 & 28, 1994

WHEREAS, the Local Enforcement Agency (LEA), Butte County Department of Environmental Health Services, in the course of their duties made the finding that the facility operator is no longer the entity listed in the SWFP and furthermore, determined that significant changes have occurred at the Ord Ranch Transfer Station which require the issuance of a new Solid Waste Facilities Permit (SWFP); and

WHEREAS, the LEA issued a Notice and Stipulated Order of Compliance on August 12, 1991; and

WHEREAS, the Notice and Stipulated Order of Compliance mandated the operator to obtain a new Solid Waste Facilities Permit while allowing the facility to operate in the interim; and

WHEREAS, Butte County Department of Environmental Health Services acting as Local Enforcement Agency, submitted to the Board for its review and concurrence in, or objection to, a new Solid Waste Facility Permit for the Ord Ranch Transfer Station; and

WHEREAS, the proposed permit will incorporate a new operator, Yuba Sutter Disposal, Inc. to the terms and conditions of the SWFP; increase the total permitted tons per day from 12.5 to 64; and include a household hazardous waste collection facility; and

WHEREAS, the Butte County Planning Department (County), the Lead Agency for CEQA review, prepared a Negative Declaration for the proposed project and Board staff reviewed the Negative Declaration as it pertains to the proposed project; and the proposed project will not have a significant effect on the environment; and mitigation measures were not made a condition of the approval of the proposed project; and the County did not adopt a Statement of Overriding Considerations; and the County filed a Notice of Determination with the County Clerk on March 3, 1994; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the General Plan, and compliance with the California Environmental Quality Act.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 04-AA-0003.

CERTIFICATION

Executive Director

California Integrated Waste Management Board

Resolution 94-57 May 25, 1994

Adoption of Revised Local Enforcement Agency Designation and Certification Regulation Revisions, Title 14 California Code of Regulations, Division 7, Chapter 5, Articles 1, 2, 2.1, 2.2, & 5

WHEREAS, Public Resources Code Section 43200 et seq. requires the Board to adopt regulations for designation, certification, and evaluation of Local Enforcement Agencies (LEAs); and

WHEREAS, formal notice of rulemaking activity was published on December 31, 1993, in California Regulatory Notice Register 93, Volume No. 53-Z, the 45-day public comment period has passed and the Board has held a public hearing to consider the adoption of regulatory revisions pertaining to the designation and certification of LEAs on February 22, 1994; and

WHEREAS, the Board held a 15-day public comment period on amendments based on comments received during the 45-day public comment period; and

WHEREAS, the Board has taken these comments under consideration; and

WHEREAS, since the Board has fulfilled all of the requirements of Government Code Sections 11343., 11346.1, 11346.14, 11346.4, 11346.5, 11346.53, 11346.7, 11346.8, and 11347.3; and Title 1 California Code of Regulations Section 20; and

WHEREAS, the Board has maintained a rulemaking file which shall be deemed to be the record for the rulemaking proceedings pursuant to Government Code Section 11347.3; and

WHEREAS, the California Environmental Quality Act (Public Resources Code Section 21000 et. seq.), and State CEQA Guidelines, Section 15074 (b) requires that prior to approval of a proposed project, the decision-making body of the Board, as Lead Agency, shall consider the proposed Negative Declaration for the adoption of proposed revisions to existing Board permitting and enforcement regulations, and for new regulations, together with any comments received during the public review process. The decision-making body shall approve the Negative Declaration if it

finds on the basis of the Initial Study and any comments received that there is no substantial evidence that the project will have a significant effect on the environment.

WHEREAS, the Board has reviewed the proposed Negative Declaration together with all comments received during the state agency review period assigned by the State Clearinghouse and public review period announced in two newspapers of general circulation throughout the State of California as required by the State CEQA Guidelines, Section 15072(a).

NOW, THEREFORE, BE IT RESOLVED that the Board hereby deems the proposed Negative Declaration complete.

BE IT FURTHER RESOLVED that the Board has determined that the project as proposed will not have a significant effect on the environment.

BE IT FURTHER RESOLVED that the Board adopts the Negative Declaration, State Clearinghouse Number 94021042

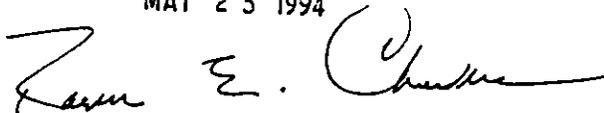

BE IT FURTHER RESOLVED that the Board directs staff to prepare and submit a Notice of Determination for the project to the State Clearinghouse for filing as required by the State CEQA Guidelines, Sections 15075.

BE IT FURTHER RESOLVED that the Board hereby adopts the revised LEA designation and certification regulations to be codified in Chapter 5, of Title 14 of the California Code of Regulations, and directs staff to submit the regulations and rulemaking file to the Office of Administrative Law.

Ralph E. Chandler
Executive Director

California Integrated Waste Management Board
Permit Decision No. 94-58
June 29, 1994

WHEREAS, disposal operations in the Bailard landfill area began in 1962; and

WHEREAS, the original (private) operator of the site ceased operations at the site in 1975; and

WHEREAS, in 1975 the Ventura Regional Sanitation District began negotiations to obtain the site and in 1976 reached an agreement with the landowners; and

WHEREAS, in 1976 the Ventura Regional Sanitation District made a formal land use application to the County to reactivate the site; and

WHEREAS, the Planning Commission in 1978 certified an environmental impact report describing renewed operations at the site and the County issued Conditional Use Permit (CUP) 3650 to the operator; and

WHEREAS, the operator obtained a solid waste facilities permit in 1982 but did not begin operations because of remaining capacity at the adjacent Coastal Landfill; and

WHEREAS, the Bailard landfill again began receiving waste on February 1, 1989; and

WHEREAS, the CUP expired in December 1993 and the solid waste facilities permit was determined to have expired on January 31, 1994; and

WHEREAS, the Environmental Health Division of the Ventura Resource Management Agency, acting as the Local Enforcement Agency, determined that a new solid waste facilities permit was required; and

WHEREAS, the Local Enforcement Agency issued a Notice and Order to the operator, effective January 31, 1994, requiring a new permit and allowing the continued operation of the facility; and

WHEREAS, the Ventura Regional Sanitation District had previously applied for renewal of the CUP; and

WHEREAS, the Ventura Regional Sanitation District, the lead agency for CEQA review, prepared an environmental impact report for the proposed project and Board staff reviewed the environmental impact report and provided comments to the lead agency on August 25, 1992; and the proposed project will have a significant effect on the environment; and mitigation measures were made a condition of the approval of the proposed project;

and the Ventura County Board of Supervisors adopted a Statement of Overriding Considerations; and the lead agency filed a Notice of Determination with the County Clerk on February 18, 1993; and

WHEREAS, the project description in the CEQA document is consistent with the proposed permit; and

WHEREAS, the Local Enforcement Agency has submitted to the Board for its review and concurrence in, or objection to a Solid Waste Facilities Permit for the Bailard Landfill; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board and found the facility design and operation consistent with State Minimum Standards; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the General Plan, and compliance with the California Environmental Quality Act; and

WHEREAS, the most recent joint CIWMB/LEA inspection, conducted on May 23, 1994, documented that the site is currently operating in compliance with State Minimum Standards for Solid Waste Handling and Disposal; and

WHEREAS, it is the expectation of this Board, as a result of the conditions mandated by this permit, that this landfill will begin phased closure activities in accordance with the requirements of this permit, disposal operations will cease no later than May 31, 1997, and no further requests will be made to extend landfilling operations.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 56-AA-0011.

Executive Director

California Integrated Waste Management Board
Permit Decision No. 94-61
November 16, 1994

WHEREAS, staff of the California Integrated Waste Management Board, Enforcement Agency Section, acting as the enforcement agency, has submitted to the Board for its concurrence in or objection to, a Revised Solid Waste Facilities Permit for the Ogden Martin Systems of Stanislaus, Inc. Waste-to-Energy Facility, Stanislaus County; and

WHEREAS, Board staff have prepared a proposed permit consistent with standards adopted by the Board; and

WHEREAS, Board staff have evaluated Ogden Martin Systems of Stanislaus, Inc. for compliance with the State Minimum Standards for Solid Waste Handling and Disposal and have found the facility design and operation to be consistent with state standards; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the County General Plan; and

WHEREAS, the Stanislaus County Department of Planning and Community Development, acting as the lead agency, prepared an environmental impact report for this facility; and

WHEREAS, the environmental impact report was certified, as approved by the lead agency, and a Notice of Determination was filed with the County Clerk on June 26, 1986; and

WHEREAS, the Stanislaus County Department of Planning and Community Development concluded, on August 13, 1992, that the changes proposed by this permit action did not require additional California Environmental Quality Act review; and

WHEREAS, in accordance with Public Resources Code, Section 21166 and Section 15162 of the Guidelines For Implementation Of The California Environmental Quality Act, Board staff found that no additional environmental impact report need be prepared as:

- (1) No subsequent changes are proposed by this permit action which will require important revisions to the 1986 environmental impact report.
- (2) No substantial changes have occurred with respect to the circumstances under which the project was undertaken.
- (3) No new information of substantial importance to the facility has become available; and

WHEREAS, the Board, as the enforcement agency, finds the facility in compliance with the conditions of Public Resources Code, Section 44150; and

WHEREAS, staff of the Board's Enforcement Agency Section included a condition in the proposed permit to prevent significant quantities of hazardous waste from entering the waste-to-energy conversion process and to ensure that the ash produced is nonhazardous; and

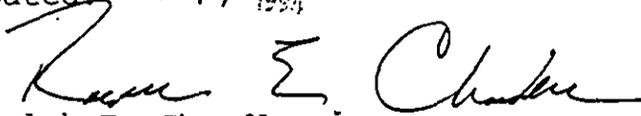

NOW, THEREFORE, BE IT RESOLVED, that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 50-AA-0009.

NOW, THEREFORE, BE IT FURTHER RESOLVED, that the California Integrated Waste Management Board directs its Executive Director to issue Solid Waste Facilities Permit No. 50-AA-0009.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a permit decision duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on November 16, 1994.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION # 94-63

FOR CONSIDERATION OF APPROVAL OF CONTRACTORS FOR THE SOLID WASTE DISPOSAL AND CODISPOSAL SITE CLEANUP PROGRAM - AB 2136

WHEREAS, Public Resources Code (PRC) Section 48020 et seq. provide for implementation of the Solid Waste Disposal and Codisposal Site Cleanup Program; and

WHEREAS, the Board has approved guidelines for the new program to cleanup sites; and

WHEREAS, this program allows the Board to expend funds directly for cleanup.

NOW, THEREFORE, BE IT RESOLVED that the Board approves these contractors for Board directed remediation projects: Sukut Construction, Incorporated for the Southern California Quick Cleanup Contract, Norcal/San Bernardino, Incorporated for the Northern California Quick Cleanup Contract, Granite Construction for the Statewide Remediation Contract, and CH2M Hill for the Environmental and Engineering Services Contract.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on June 29, 1994.

California Integrated Waste Management Board
Permit Decision No. 94-64
June 29, 1994

WHEREAS, the Local Enforcement Agency (LEA), Kern County Environmental Health Services Department, has determined that significant changes have occurred at the Shafter-Wasco Sanitary Landfill to warrant a Solid Waste Facility Permit (SWFP) revision; and

WHEREAS, the LEA issued a Notice and Order to the owner/operator (Kern County Waste Management Department) on January 7, 1992, allowing continued operations at the landfill while the necessary processes required to receive a revised SWFP were completed; and

WHEREAS, the operator of the Shafter-Wasco Sanitary Landfill has submitted to the LEA, for its consideration an application for a Solid Waste Facility Permit (SWFP) revision to reflect significant changes from the terms, conditions, and operations described in the Facility's 1986 SWFP; and

WHEREAS, the LEA has submitted to the Board for its review and concurrence with or objection to a revised SWFP for the Shafter-Wasco Sanitary Landfill; and

WHEREAS, the Kern County Waste Management Department, acting as lead agency for the California Environmental Quality Act (CEQA) review, has prepared an Environmental Impact Report (EIR), State Clearing House (SCH) #91072058, with mitigation measures and Statements of Overriding Considerations addressing groundwater, air quality and biological resources; and

WHEREAS, Board staff reviewed the EIR and provided comments on July 24, 1992, and the lead agency prepared responses to the comments in the Final EIR and filed a Notice of Determination on October 27, 1992; and

WHEREAS, the proposed design and operational changes will include diversion of green and wood waste, scrap metal, tires, and white goods from the landfills disposal area which will be an improvement over current permitted operational practices; and

WHEREAS, the Conditional Use Permit has been amended to reflect the proposed waste diversion activities; and

WHEREAS, the proposed design changes will introduce advanced environmental control systems to the landfill which include a leachate collection and removal system, additional groundwater monitoring wells, a landfill gas control and monitoring system and will extend the site's closure date to the year 2030; and

WHEREAS, the LEA and Board staff have evaluated the proposed permit and supporting documentation for consistency with standards adopted by the Board and have determined that the facility's proposed design and operation is consistent with State Minimum Standards; and

WHEREAS, the most recent LEA inspection, conducted on June 10, 1994, documented the site's compliance with State Minimum Standards for Solid Waste Handling and Disposal; and

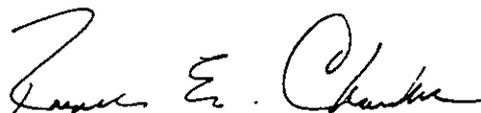

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including conformance with the Kern County Solid Waste Management Plan, consistency with the Kern County General Plan and compliance with CEQA.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs with the issuance of Solid Waste Facility Permit No. 15-AA-0057.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on June 29, 1994.

WHEREAS, the Shasta County Department of Resource Management, acting as the Local Enforcement Agency, submitted to the Board on May 19, 1994 for its review and concurrence in, or objection to a revised Solid Waste Facilities Permit for the City of Redding Benton Landfill; and

WHEREAS, the City of Redding City Council, the lead agency for CEQA review, prepared a Negative Declaration for the proposed project and Board staff reviewed the Negative Declaration and provided comments to the Redding City Council on December 21, 1990; the proposed project will not have a significant effect on the environment; mitigation measures were made a condition of the approval of the proposed project; the Redding City Council did not adopt a Statement of Overriding Considerations; and the Redding City Council filed a Notice of Determination with the County Clerk on April 19, 1994; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the project description in the CEQA document is consistent with the proposed permit; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met; and

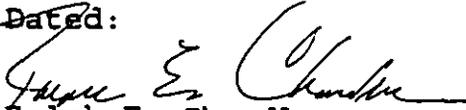

WHEREAS, Board staff determined that there is an unpermitted compost facility operating within the permitted boundaries of the landfill; and

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 45-AA-0019. **BE IT FURTHER RESOLVED** that the Boards' enforcement staff shall work with the Local Enforcement Agency to ensure that appropriate enforcement action is taken regarding the unpermitted compost facility operating within the boundaries of the landfill.

Ralph E. Chandler for

Ralph E. Chandler
Executive Director

California Integrated Waste Management Board
Permit Decision No. 94-70
July 27 and 28, 1994

WHEREAS, the Chiquita Canyon Landfill was originally operated by the Chiquita Canyon Landfill Company, which was a division of the Blue Barrel Disposal Company; and

WHEREAS, the GSX Corporation acquired the Chiquita Canyon Landfill Company's lease interest in the landfill in 1985 and subsequently was itself acquired by the Laidlaw Waste Systems Inc., in 1986; and

WHEREAS, the Local Enforcement Agency (LEA), upon review of the records of the Chiquita Canyon Landfill, found that the operator, Laidlaw Waste Systems Inc., is not the same operator as indicated in the Solid Waste Facility Permit (SWFP) and that significant changes in operation had occurred at the site, both of which are violations of the terms and conditions of the permit, and that in 1991 the LEA issued a Notice and Order, which was amended ten times, to the operator to commence on the preparation of a CEQA document to address the changes and to submit an application for a new permit; and

WHEREAS, on March 30, 1994, the new operator, Laidlaw Waste Systems Inc., submitted to the LEA an application for a new SWFP; and

WHEREAS, the County of Los Angeles Department of Health Services, Solid Waste Management Program, acting as the LEA, has submitted to the Board for its review and concurrence with, or objection to, a new SWFP for the Chiquita Canyon Landfill; and

WHEREAS, the LEA, also acting as the Lead Agency prepared a Negative Declaration for the proposed project and Board staff reviewed the Negative Declaration and provided comments to the Lead Agency on June 9, 1992; and

WHEREAS, the Lead Agency considered the comments and a Notice of Determination was filed with the County Clerk (State Clearinghouse #92051028) on October 6, 1992; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, on May 18, 1994, staff of the Board's Compliance Branch conducted an inspection at the site and found a violation of the State Minimum Standards, that of landfill gas in excess of lower explosive limit at the facility boundary; and

WHEREAS, the LEA's office also recognizes the violation and has issued the operator a Notice of Violation to achieve compliance with the State Standards; and

WHEREAS, the LEA, despite the outstanding violation of the State Standards, has submitted a proposed permit for the Board's consideration of concurrence because the LEA deems that the violation does not constitute a significant threat to public health and safety and the environment due to the remote location of the landfill in a sparsely populated area, the significant distance and elevation to the nearest off-site occupied structure from the point of violation; and

WHEREAS, the LEA also stipulates that the operator is taking adequate measures to abate the violation by evaluating the current landfill gas monitoring program to determine what changes need to be made to more effectively monitor for landfill gas migration at the property boundary and to implement the necessary changes in consultation with the LEA and the South Coast Air Quality Management District; and

WHEREAS, the LEA further stipulates the measures of a proposed Corrective Action Plan (CAP) that has been requested by the Los Angeles Regional Water Quality Control Board due to the detection of Volatile Organic Contaminants above allowable limits in a monitoring well located close to the point of violation of the State Standards, and the operator's willingness to provide additional boundary probes in order to verify compliance at the landfill boundary, will positively affect the corrective measures and achieve compliance with the State Standards; and

WHEREAS, Board staff are in agreement with the LEA's stipulations that the violation does not constitute a significant and immediate threat to public health and safety and the environment, and that the existing measures of the CAP, additional probes, and further evaluations of the landfill gas monitoring system will achieve the desired goal of compliance with the State Minimum Standards; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the County General Plan, and compliance with the California Environmental Quality Act.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 19-AA-0052.

Adoption of the Notice of Exemption
for the Proposed Amendments to Title 14, California Code
of Regulations, Division 7, Chapter 5,
Article 3.5, Sections 18281 and 18282

WHEREAS, Section 15062 of the State CEQA Guidelines requires that when a public agency decides that a project is exempt from CEQA and the public agency approves or determines to carry out the project, the agency may file a Notice of Exemption. The notice shall be filed, if at all, after approval of the project. Such notice shall include a brief description of the project, a finding that the project is exempt, including a citation to the State Guidelines section under which it is found to be exempt, and a brief statement of reasons to support the finding; and

WHEREAS, the Board has reviewed the proposed Notice of Exemption together with all comments received during the review period assigned by the State Clearinghouse as required by the State CEQA Guidelines, Section 15062.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby deems the proposed Notice of Exemption complete.

BE IT FURTHER RESOLVED that the Board has determined that the project as proposed is exempt from the State CEQA Guidelines.

BE IT FURTHER RESOLVED that the Board adopts the Notice of Exemption, State Clearinghouse Number 94107550.

BE IT FURTHER RESOLVED that the Board directs staff to prepare and submit a Notice of Exemption of the project to the State Clearinghouse for filing as required by the State CEQA Guidelines, Section 15062.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION 94-76

APPROVAL OF AUGMENTATION OF
1994/95 USED OIL RECYCLING BLOCK GRANTS

WHEREAS, Public Resources Code (PRC) Section 48653 authorizes the Board to award grants to cities, based on the city's population, and counties, based on the population of the unincorporated area of the county for the implementation of local used oil collection programs adopted pursuant to Public Resources Code Section 48690; and

WHEREAS, the funding formula described in PRC Section 48653(a)(4) mandates the Board to make specified levels of funds available to Block Grant applicants on a per capita basis; and

WHEREAS, the Board awarded 1993/94 Used Oil Recycling Block Grants as mandated in Public Resources Code §48653 to 98 grantees using a per capita funding formula of \$0.3169; and

WHEREAS, Board staff has determined the corrected Block Grant per capita funding formula during Fiscal Year 1993/94 should be \$0.44; and

WHEREAS, 1993/94 Used Oil Block Grant recipients have need for additional funding, and sufficient funds exist in the Used Oil Recycling Fund to augment these grants by up to 50% for a maximum per capita funding formula of \$0.66; and

WHEREAS, many local governments have requested the Board offer future Block Grants on a fiscal year cycle (July-June), and that funding a 6 month augmentation of existing Block Grants will allow the Board to respond to this need;

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby authorizes the Executive Director, or his designee, to amend 1993/94 Used Oil Recycling Block Grant agreements with the following applicants up to the maximum amounts indicated, subsequent to compliance with all applicable grant requirements:

Agoura Hills	\$13,827.00
Antioch	\$45,936.00
Arcadia	\$32,472.00
Arcata and Eureka (Regional)	\$29,205.00
Arroyo Grande	\$9,933.00
Atascadero	\$15,906.00
Berkeley	\$69,234.00
Bi-County Integrated Waste Management Authority (Sutter/Yuba Counties)	\$88,275.00
Brentwood	\$6,385.50
Burbank	\$64,152.00
Calaveras County (Regional)	\$24,241.80

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held March 30, 1994.

Dated: MAR 30 1994

Ralph E. Chandler
Executive Director

California Integrated Waste Management Board

Resolution 94-77
March 30, 1994

BE IT RESOLVED that the Board hereby approves the attached scope of work and authorizes a contract for legal services in the amount of \$158,000 with Carroll, Burdick & McDonough, Attorneys at Law, for the 1994/95 fiscal year.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board on March 30, 1994.

Dated: MAR 30 1994

Ralph E. Chandler
Executive Director

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

**RESOLUTION 94-78
APPROVAL OF LOANS FOR THE FIRST QUARTER OF 1994 FROM
THE RECYCLING MARKET
DEVELOPMENT ZONE REVOLVING LOAN FUND**

WHEREAS, the Board is authorized to make loans to recycling businesses using postconsumer or secondary waste materials located in designated Recycling Market Development Zones from its Recycling Market Development Revolving Loan Account;

WHEREAS, Board staff solicited applications for loans September 10, 1993 through January 7, 1994;

WHEREAS, Board staff has determined that seven (7) applicants are eligible for consideration of loan funding and has recommended to the Loan Committee the approval and authorization of loans to the eligible applicants;

WHEREAS, the Loan Committee has considered the credit-worthiness of the eligible applicants and has recommended to the Market Development Committee the approval and authorization of loans to the eligible applicants;

WHEREAS, the Market Development Committee has considered the extent to which the eligible applicants meet the goals of the Recycling Market Development Zone Loan Program and has recommended to the Board the approval and authorization of loans to the eligible applicants;

NOW, THEREFORE, BE IT RESOLVED, that in accordance with the recommendations of the Board staff, the Loan Committee and the Market Development Committee, the Board hereby approves the funding of the following loans in the following original principal amount as set forth next to the borrower's name, subject however, to the terms and conditions contained in the loan agreement to be prepared by Board staff for the loan in accordance with applicable regulations, and on such terms and conditions as the Board or its duly authorized staff representative in its or their sole discretion deems necessary or advisable:

	<u>BORROWER</u>	<u>AMOUNT</u>
1.	Fathma Plastics, Inc..	\$665,000
2.	Hammer's Plastic Recycling Corporation of California	\$800,000
3.	Marplast, Inc.	\$200,000
4.	Plastic Works, Inc.	\$112,270
5.	S.G.S. Enterprises, Inc.	\$620,000
6.	Soils to Grow	\$361,632
7.	Tri-Ced Economic Development Corporation	\$510,000

RESOLVED FURTHER, that the Board, the Executive Director, its authorized representative, or the Executive Director's designee, be and each hereby is, authorized to do and perform any and all such acts, including execution of the loan agreements to be prepared by Board staff and all other documents or certificates as the Board or its authorized representative in its or their sole discretion deem necessary or advisable to carry out the purposes of the foregoing resolution.

RESOLVED FURTHER, that any actions taken by the Board or the Executive Director, its authorized representative, or the Executive Director's designee prior to the date of the adoption of the foregoing resolutions that are within the authority conferred by those resolutions, are hereby ratified, confirmed and approved as the acts and deeds of the Board.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board on March 30, 1994.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-79

ADOPTION OF PRICE PREFERENCES
RELATING TO STATE AGENCY PROCUREMENT
OF RECYCLED CONTENT PRODUCTS

WHEREAS, Public Contract Code Section 12162 directs the California Integrated Waste Management Board (Board), in consultation with the Department of General Services, to establish, on or before May 1, 1994, and every two years thereafter, price preferences for the purposes of meeting the goals set forth in this Section and Section 12205 for recycled products, and

WHEREAS, the Board has determined that paper products, plastic products, and compost are priority commodities, and

WHEREAS, the Board has taken the following factors into consideration while establishing the price preferences:

- (A) Materials that comprise the largest percentage of the state's solid waste stream.
- (B) Materials that have the highest percentage of postconsumer waste.
- (C) Materials that require expanded markets.
- (D) Market factors as identified in the Market Development Plan.

NOW, THEREFORE, BE IT RESOLVED, the Board hereby adopts the following price preferences for the State procurement or purchase of the following products:

- 5% for paper janitorial supplies and 10% for all other paper products,
- 10% for compost or co-compost products containing municipal derived materials, and
- 10% for plastic products, excluding trash bags and rigid plastic containers.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-80

FOR ACTIVITIES FOR IMPLEMENTING
ASSEMBLY BILL (AB) 1220
MARKET DEVELOPMENT ACTIVITIES

WHEREAS, the Legislature, when it enacted AB 1220, authorized spending by the Board of \$5,750,000 monies on source reduction, public education and market development programs; and

WHEREAS, the Integrated Waste Management Board (Board) at its January 26 -- 27 meeting authorized \$2,250,000 of the AB 1220 monies to be spent on market development program enhancements; and

WHEREAS, the Board at that same meeting directed staff to prepare project recommendations for use of the market development funds; and

WHEREAS, staff has developed as part of its recommendations a budget augmentation of \$10,000 to fund participation in industry trade shows; and

WHEREAS, staff has developed for the remaining \$2,250,000 contract concepts, which included in Attachment 1 of this agenda item; and

WHEREAS, staff has developed a table of activities to implement the contract documents.

NOW, THEREFORE, BE IT RESOLVED that the Board approve the budget augmentation, the contract concepts included in Attachment 1, and table of contract implementation activities.

RESOLUTION 94-81

APPROVAL OF USED OIL CURBSIDE COLLECTION PROMOTION GRANT PROGRAM

WHEREAS, Public Resources Code (PRC) Section §48631(c) authorizes the Board to use specified monies in the Used Oil Recycling Fund for development and implementation of an information and education program for the promotion of alternatives to the illegal disposal of used oil; and

WHEREAS, curbside collection of used lubricating oil is an effective method of collecting used oil from the public; and

WHEREAS, Board staff has identified at least 71 used oil curbside collection programs in the state serving at least 3.4 million residents; and

WHEREAS, the experiences of many existing used oil curbside collection programs indicate curbside collection promotion activities significantly increase participation rates; and

WHEREAS, Board staff has recommended the Board provide a one-time, per-capita grant to local governments of up to \$2 million for promoting existing curbside collection programs to increase usage of this segment of the state's existing used oil collection infrastructure; and

WHEREAS, Board staff has recommended the Board delegate awarding authority to the Executive Director due to the non-discretionary nature of the eligibility criteria and per-capita funding levels, and also due to the need for providing adequate time for local governments to apply for this grant before the close of Fiscal Year 1993/94,

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby creates the Used Oil Curbside Collection Promotion Grant Program for awarding up to \$2 million in per capita grants to local governments for promoting existing curbside collection programs within their jurisdictions, and authorizes the Executive Director to act upon its behalf in awarding these grants.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION #94 - 82

**FOR THE REDUCTION OF PLANNING
REQUIREMENTS FOR THE UNINCORPORATED COUNTY OF TRINITY**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780 if a city or county can demonstrate that achievement of the mandated requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations, Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in planning and diversion goals mandated by Public Resources Code Section 41780; and

WHEREAS, the Board has received a petition for reduction in the planning requirements from Trinity County and;

WHEREAS, Trinity County qualifies based on population density, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board has found that the request for reduction in planning requirements is reasonable and will allow Trinity County to utilize a streamlined format for the Source Reduction and Recycling Element (SRRE) consisting of an Executive Summary, a Waste Generation Study and Analysis, an Existing Conditions Description Component, an Evaluation of Programs Component, a Program Selected Component, a Monitoring and Evaluation Component, and one Component for each of the following: Education and Public Information, Disposal Capacity, Funding and Integration; and

WHEREAS, Trinity County has complied with Public Resources Code Section 41782, and Title 14 of the California Code of Regulations, Section 18775; and

WHEREAS, the Integrated Waste Management Board's Local Assistance and Planning Committee approved the staff recommendation to allow Trinity County to use the previously mentioned streamlined format for the SRRE.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in planning requirements to include the streamlined SRRE format.

BE IT FURTHER RESOLVED, that if the County SRRE has not been locally adopted and submitted to the Board by the deadline set in statute, then the planning reductions granted above shall be deemed revoked.

Adoption of the Negative Declaration for:
Article 6.5 (SITING ELEMENTS) Regulations and
Article 6.6 (COUNTYWIDE and REGIONAL AGENCY INTEGRATED
WASTE MANAGEMENT PLANS) Regulations

WHEREAS, the California Environmental Quality Act (Public Resources Code Section 21000 et. seq.), and State CEQA Guidelines, Section 15074 (b) require that prior to approval of a proposed project, the decision-making body of the Board, as Lead Agency, shall consider the proposed Negative Declaration for the adoption of proposed regulations and amendments to regulations for Title 14 of the California Code of Regulations, Division 7, Chapter 9, Article 6.5 (SITING ELEMENTS) and Article 6.6 (COUNTYWIDE and REGIONAL AGENCY INTEGRATED WASTE MANAGEMENT PLANS), together with any comments received during the public review process. The decision-making body shall approve the Negative Declaration if it finds on the basis of the Initial Study and any comments received that there is no substantial evidence that the project will have a significant effect on the environment.

WHEREAS, the Board has reviewed the proposed Negative Declaration together with all comments received during the state agency review period assigned by the State Clearinghouse and public review period announced in three newspapers of general circulation throughout the State of California as required by the State CEQA Guidelines, Section 15072(a).

NOW, THEREFORE, BE IT RESOLVED that the Board hereby deems the proposed Negative Declaration complete.

BE IT FURTHER RESOLVED that the Board has determined that the project as proposed will not have a significant effect on the environment.

BE IT FURTHER RESOLVED that the Board adopts the Negative Declaration, State Clearinghouse Number 94032069.

BE IT FURTHER RESOLVED that the Board directs staff to prepare and submit a Notice of Determination of the project to the State Clearinghouse for filing as required by the State CEQA Guidelines, Section 15075.

**FOR THE REDUCTION OF PLANNING
REQUIREMENTS FOR THE UNINCORPORATED COUNTY OF TRINITY**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780 if a city or county can demonstrate that achievement of the mandated requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations, Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in planning and diversion goals mandated by Public Resources Code Section 41780; and

WHEREAS, the Board has received a petition for reduction in the planning requirements from Trinity County and;

WHEREAS, Trinity County qualifies based on population density, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board has found that the request for reduction in planning requirements is reasonable and will allow Trinity County to utilize a streamlined format for the Source Reduction and Recycling Element (SRRE) consisting of an Executive Summary, a Waste Generation Study and Analysis, an Existing Conditions Description Component, an Evaluation of Programs Component, a Program Selected Component, a Monitoring and Evaluation Component, and one Component for each of the following: Education and Public Information, Disposal Capacity, Funding and Integration; and

WHEREAS, Trinity County has complied with Public Resources Code Section 41782, and Title 14 of the California Code of Regulations, Section 18775; and

WHEREAS, the Integrated Waste Management Board's Local Assistance and Planning Committee approved the staff recommendation to allow Trinity County to use the previously mentioned streamlined format for the SRRE.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in planning requirements to include the streamlined SRRE format.

BE IT FURTHER RESOLVED, that if the County SRRE has not been locally adopted and submitted to the Board by the deadline set in statute, then the planning reductions granted above shall be deemed revoked.

Adoption of the
California Tire Recycling Management Fund
Contract Concepts for Domestic and Foreign Markets Studies

WHEREAS, The State of California is faced with an inventory of at least 25 million tires, posing a health and safety risk to all Californians; and

WHEREAS, The State of California is faced with an ever decreasing amount of landfill capacity; and

WHEREAS, The Tire Recycling Act (Public Resources Code [PRC] 42800 et. seq.) requires the reduction of the landfill disposal and stockpiling of used whole tires by 25 percent within four years of full implementation of a statewide tire recycling program and to recycle and reclaim used tires and used tire components to the greatest extent possible in order to recover valuable natural resources; and

WHEREAS, PRC Section 42871(a) requires the California Integrated Waste Management Board (hereinafter referred to as the "Board") to maintain a tire recycling program which promotes and develops alternatives to the landfill disposal and stockpiling of used whole tires; and

WHEREAS, The tire recycling program may include the awarding of contracts to promote the reduction of landfill disposal of whole used and waste tires in California; and

WHEREAS, The Board intends to reallocate the spending authority of the Fund each year; and

WHEREAS, The Board approved \$1,000,000 from the California Tire Recycling Management Fund to fund loans for tire programs by the Recycling Market Development Zone (RMDZ) Program during FY 1993-94 on August 11, 1993; and

WHEREAS, RMDZ staff indicate that the loan intended for use of the \$1,000,000 Tire Fund allocation will not be awarded this fiscal year; and

WHEREAS, \$850,000 has been encumbered via Interagency Agreement with the Department of Economic Opportunity, leaving \$150,000 spending authority for Tire Funds which will be lost on June 30, 1994 for FY 1993-94; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the adoption of the California Tire Recycling Management Fund contract concepts for domestic and foreign markets studies; and

BE IT FURTHER RESOLVED that the Board directs staff to pursue and enter into standard agreements with Lawrence Livermore National Laboratory, or a comparable institution, by June 30, 1994; and

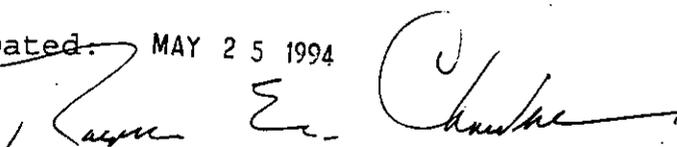

BE IT FURTHER RESOLVED that any funds from this program that are repaid to the Board by contract recipients, will be repaid to the California Tire Recycling Management Fund; and

BE IT FURTHER RESOLVED that the Board hereby authorizes the Executive Director to act on its behalf in executing these contracts for FY 1993-94.

AWARD OF 1993/94 LOCAL GOVERNMENT USED OIL
OPPORTUNITY GRANTS

WHEREAS, the California Oil Recycling Enhancement Act requires the Board to adopt a used oil recycling program which promotes and develops alternatives to the illegal disposal of used oil; and

WHEREAS, Public Resources Code (PRC) Section 48632 authorizes the Board to issue grants to local governments for providing opportunities for used lubricating oil collection, which are in addition to the Used Oil Block Grants; and

WHEREAS, on December 15, 1993 the Board adopted Resolution No. 93-149 approving the Local Government Used Oil Opportunity Grant Application and Instruction package, which included evaluation criteria to be used by Board staff to rank the Opportunity Grant applications; and

WHEREAS, approximately 1,400 Notices of Funding Availability were mailed and over 350 applications were distributed; and

WHEREAS, a total of 54 grant applications were received by the final filing date of April 14, 1994; and

WHEREAS, Board staff reviewed and evaluated all grant proposals based on the aforementioned evaluation criteria; and

WHEREAS, at least forty percent of the funds remaining in the Used Oil Recycling Fund after payment of incentive fees, Block Grants, and administrative costs is available for Opportunity Grants as specified in Public Resources Code §48656 and 48632(a);

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board hereby approves of the staff grant application evaluation process and the resulting list of recommended rankings of applicants; and,

BE IF FURTHER RESOLVED that the Board authorizes the Executive Director, or his designee, to award up to \$8,790,252 for 1993/94 Local Government Used Oil Opportunity Grants to as many of the highest-ranking applicants as funds will allow; and

BE IF FURTHER RESOLVED that the Board directs staff to pursue and enter into Standard Agreements with each grant recipient.

COMPOST/MULCH DEMONSTRATIONS

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-112**

**FOR IMPLEMENTING
ASSEMBLY BILL (AB) 1220
MARKET DEVELOPMENT ACTIVITIES**

WHEREAS, the Legislature, when it enacted AB 1220, authorized spending by the Integrated Waste Management Board (Board) of \$5,750,000 monies on source reduction, public education and market development programs; and

WHEREAS, the Board at its January 26-27 meeting authorized \$2,250,000 of the AB 1220 monies to be spent on market development program enhancements; and

WHEREAS, the Board at that same meeting directed staff to prepare project recommendations for use of the market development funds; and

WHEREAS, staff developed as part of its recommendations a budget augmentation of \$10,000 to fund participation in industry trade shows; and

WHEREAS, staff developed contract concepts for the Recycling Market Development Zone Loan Program, the Recycling Market Development Outreach, and Demonstration of the Agricultural Use of Compost with the remaining \$2,250,000; and

WHEREAS, staff recommended alternatives for award of the original \$300,000 designated for compost/mulch demonstrations and was directed to find additional funds for possible funding of a fifth demonstration and identify a mechanism for production of an educational video of all these demonstrations; and

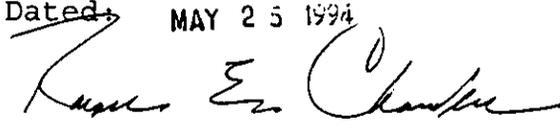

WHEREAS, staff recommends the Board consider amending these compost/mulch demonstrations with \$85,000 from the Recycling Market Development Zone Loan Program augmentation to fund a fifth demonstration and an educational video of all these demonstrations.

NOW, THEREFORE, BE IT RESOLVED that the Board approve the budget augmentation of the AB 1220 compost/mulch demonstrations in the amount of \$85,000 from the Recycling Market Development Zone Loan Program AB 1220 monies for production of a educational video covering all these demonstrations (\$30,000) and to contract with the City of San Jose (\$75,000), UC Cooperative Extension Fresno (\$75,000), Stanislaus County (\$75,000), UC Cooperative Extension Tulare (\$65,000), and UC Santa Cruz (\$65,000) for a total of \$385,000 in AB 1220 monies.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION 94- 122
APPROVAL OF LOANS FOR THE SECOND QUARTER OF 1994 FROM
THE RECYCLING MARKET
DEVELOPMENT ZONE REVOLVING LOAN FUND

WHEREAS, the Board is authorized to make loans to recycling businesses using postconsumer or secondary waste materials located in designated Recycling Market Development Zones from its Recycling Market Development Revolving Loan Account;

WHEREAS, Board staff solicited applications for loans January 8, 1994 through April 8, 1994;

WHEREAS, Board staff has determined that eight (8) applicants are eligible for consideration of loan funding and has recommended to the Loan Committee the approval and authorization of loans to the eligible applicants;

WHEREAS, the Loan Committee has considered the credit-worthiness of the eligible applicants and has recommended to the Market Development Committee the approval and authorization of loans to the eligible applicants;

WHEREAS, the Market Development Committee has considered the extent to which the eligible applicants meet the goals of the Recycling Market Development Zone Loan Program and has recommended to the Board the approval and authorization of loans to the eligible applicants;

NOW, THEREFORE, BE IT RESOLVED, that in accordance with the recommendations of the Board staff, the Loan Committee and the Market Development Committee, the Board hereby approves the funding of the following loans in the following original principal amount as set forth next to the borrower's name, subject however, to the terms and conditions contained in the loan agreement to be prepared by Board staff for the loan in accordance with applicable regulations, and on such terms and conditions as the Board or its duly authorized staff representative in its or their sole discretion deems necessary or advisable:

	<u>BORROWER</u>	<u>AMOUNT</u>
1.	Envirothene, Inc.	\$750,000
2.	Boblitt Enterprises, Inc. dba Urban Resource Recovery	\$550,000
3.	Plastopan North America, Inc.	\$1,000,000
4.	The Sutta Company, Inc.	\$150,000
5.	Remedial Environmental Marketing, Inc. dba REMCO	\$400,000
6.	Hydro Systems, Inc.	\$61,873.50
7.	Simsmetal USA Corporation dba SIMS-LMC Recyclers	\$250,000
8.	Arcata Community Recycling Center	\$162,500

RESOLVED FURTHER, that the Board, the Executive Director, its authorized representative, or the Executive Director's designee, be and each hereby is, authorized to do and perform any and all such acts, including execution of the loan agreements to be prepared by Board staff and all other documents or certificates as the Board or its authorized representative in its or their sole discretion deem necessary or advisable to carry out the purposes of the foregoing resolution.

RESOLVED FURTHER, that any actions taken by the Board or the Executive Director, its authorized representative, or the Executive Director's designee prior to the date of the adoption of the foregoing resolutions that are within the authority conferred by those resolutions, are hereby ratified, confirmed and approved as the acts and deeds of the Board.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-123

FOR CONSIDERATION OF APPROVAL OF THE COUNTYWIDE SITING ELEMENT FOR THE
JURISDICTIONS OF HUMBOLDT COUNTY

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41700 requires that each county shall prepare a Countywide Siting Element which provides a description of the areas to be used for development of adequate transformation or disposal capacity concurrent and consistent with the development and implementation of the adopted county and city Source Reduction and Recycling Elements; and

WHEREAS, PRC Section 41701 requires that the Countywide Siting Element contain a statement of goals and policies for the environmentally safe transformation or disposal of solid waste which cannot be reduced, recycled, or composted; and

WHEREAS, the Countywide Siting Element must include an estimate of the total transformation or disposal capacity in cubic yards that will be needed for a 15-year period; and

WHEREAS, the Countywide Siting Element must include the remaining combined capacity of existing transformation or disposal facilities; and

WHEREAS, the Countywide Siting Element must include the identification of an area or areas for the location of new or expanded solid waste transformation or disposal facilities, if needed or desired; and

WHEREAS, the Countywide Siting Element must include a specific strategy for ensuring 15 years of transformation or landfill capacity, if existing capacity will be exhausted within 15 years; and

WHEREAS, the Countywide Siting Element must be approved by the county and by a majority of the cities within the county which contain a majority of the population of the incorporated area of the county; and resolutions from the majority of the cities representing a majority of the population were included with the submittal of the Countywide Siting Element; and

WHEREAS, California Code of Regulations Title 14, Section 18783 requires that the County comply with the California Environmental Quality Act and the County has provided a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, based on review of the Countywide Siting Element, Board staff found that all of the foregoing requirements have been satisfied and the Countywide Siting Element substantially complies with PRC Section 41700, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Countywide Siting Element for Humboldt County.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on July 27, 1994.

California Integrated Waste Management Board
Resolution 94-124
June 29, 1994

WHEREAS, Public Resources Code Section 42325 requires the Board to adopt regulations to implement the Rigid Plastic Packaging Container Program; and

WHEREAS, formal notice of rulemaking activity was published on January 14, 1994, the 45-day public comment period has passed, and the Board has held public workshops to consider public comments on the proposed regulations pertaining to procedures for certifying compliance, procedures for considering and granting waivers, and procedures for manufacturers to submit required reports to the Board; and

WHEREAS, the Local Assistance and Planning Committee held a 15-day public comment period on changes to the proposed regulations which ended June 1, 1994; and

WHEREAS, the Local Assistance and Planning Committee held a public hearing on June 2, 1994, to consider public comments on the regulations pertaining to implementation of the Rigid Plastic Packaging Container Program; and

WHEREAS, the Local Assistance and Planning Committee held a second 15-day public comment period on changes to the proposed regulations which ended June 25, 1994; and

WHEREAS, the Board held a public hearing on June 29, 1994 to consider public comments and consideration of adoption of regulations pertaining to implementation of the Rigid Plastic Packaging Container Program; and

WHEREAS, the Board has taken these comments under consideration; and

WHEREAS, since the Board has fulfilled all of the requirements of Government Code Sections 11343., 11346.1, 11346.14, 11346.4, 11346.5, 11346.53, 11346.7, 11346.8, and 11347.3; and Title 1, California Code of Regulations Section 20; and

WHEREAS, the Board has maintained a rulemaking file which shall be deemed to be the record for the rulemaking proceedings pursuant to the Government Code Section 11347.3; and

WHEREAS, the Board finds that the above mentioned regulations are necessary for the protection of the public health and safety and the environment.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby adopts the Rigid Plastic Packaging Container regulations for codification in Title 14 of the California Code of Regulations, Division 7, Chapter 4, Article 2.0, Sections 17942-17949, with any nonsubstantial changes as specified, and directs staff to submit the regulations and rulemaking file to the Office of Administrative Law.

RESOLUTION 94-125

APPROVAL OF SCOPE OF WORK FOR AN INTERAGENCY AGREEMENT TO
DEPARTMENT OF MOTOR VEHICLES (DMV) FOR DEVELOPMENT OF
INFORMATIONAL MATERIALS ON USED OIL.

WHEREAS, Public Resources Code Section §48631(c) authorizes the Board to use specified monies in the Used Oil Recycling Fund for development and implementation of an information and education program for the promotion of alternatives to the illegal disposal of used oil; and

WHEREAS, an overall expenditure plan for the Used Oil Fund was approved by the Board at its March 30, 1994 meeting; and

WHEREAS, one of the items described in the expenditure plan was to enter into an interagency agreement (IAA) with Department of Motor Vehicles; and

WHEREAS, the Scope of Work was reviewed and approved by Board Advisors/Committee Analysts;

NOW, THEREFORE, BE IT RESOLVED, that the Board hereby approves the scope of work for an interagency agreement to Department of Motor Vehicles in the amount of \$60,000 for the development and distribution of informational materials on used oil and authorizes the Executive Director to sign the resultant agreement.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94- 126**

FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR UNINCORPORATED MENDOCINO COUNTY, AND THE CITIES OF FORT BRAGG, UKIAH, AND WILLITS

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county shall prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, PRC Section 41000 requires that each city shall prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41301 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County and City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the County and city's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Elements for the unincorporated Mendocino County and the cities of Fort Bragg, Ukiah and Willits.

RESOLUTION # 94- 127**

FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE ELEMENT FOR UNINCORPORATED MENDOCINO COUNTY AND THE CITIES OF FORT BRAGG, UKIAH AND WILLITS

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41510 requires that each county draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the unincorporated area of the county; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, Mendocino County and the cities of Fort Bragg, Ukiah, and Willits drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, Mendocino County and the cities of Fort Bragg, Ukiah and Willits submitted their final HHWE to the Board for approval on March 7, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the unincorporated area of Mendocino County and the cities of Fort Bragg, Ukiah, and Willits.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION 94-129**

FOR CONSIDERATION OF APPROVAL OF THE CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD "DISASTER RESPONSE PLAN"

WHEREAS, Public Resources Code (PRC) Section 43035 directs the California Integrated Waste Management Board (Board), in cooperation with the Governor's Office of Emergency Services (OES), to develop an Integrated Waste Management Disaster Plan (hereafter referred to as "Disaster Response Plan") to provide for the handling, storage, processing, transportation, and diversion from disposal sites, or provide for disposal where absolutely necessary, of solid waste, resulting from a state of emergency or local emergency.

WHEREAS, the Disaster Response Plan establishes and sets forth the Board's role in the State Emergency Services network, including organizational levels and functions, and describes the principles and methods to be applied by the Board in carrying out its particular role during emergency operations or in rendering mutual aid during emergencies; and

WHEREAS, the Disaster Response Plan is also designed to provide guidance and assistance to the disaster preparedness planning efforts of local government; and

WHEREAS, a draft outline for the Disaster Response Plan was presented to, and accepted by, the Policy, Research and Technical Assistance Committee on April 7, 1993; and

WHEREAS, the Disaster Response Plan has been prepared in coordination with the OES with input from the Federal Emergency Management Agency (FEMA), local government, and the public; and

WHEREAS, Part One of the Disaster Response Plan entitled "Initial Response Procedures" outlines procedures for the Board to follow in the event of a declaration of a state or local emergency; and

WHEREAS, Part Two of the Disaster Response Plan entitled "Disaster Preparedness" identifies specific projects designed to increase the state's ability to divert waste in the aftermath of a natural disaster or emergency; and

WHEREAS, Part Three of the Disaster Response Plan entitled "Emergency Waiver of Standards" addresses the development of a permanent regulation designed to assist in disaster recovery efforts by providing emergency waivers of certain standards of solid waste facility permits following a disaster; and

WHEREAS, adoption and implementation of the Disaster Response Plan will fulfill all of the requirements of Public Resources Code Section 43035.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves Part One of the Disaster Response Plan entitled "Initial Response Procedures" and directs staff to continue to develop Part Two "Disaster Preparedness" and Part Three "Emergency Waiver of Standards".

BE IT FURTHER RESOLVED that the Board directs staff to review the Disaster Response Plan on an annual basis to assure that the Board's program activities and personnel assignments remain aligned to the specific tasks identified in the Plan and with the OES State Emergency Plan.

BE IT FURTHER RESOLVED that the Board directs the Executive Director to sign the attached Administrative Order (Attachment 3) which summarizes the Board's duties and responsibilities in responding to state of emergencies, and forward it to the Director of the Office of Emergency Services for signature.

RESOLUTION NO. 94-130

July 27-28, 1994

Resolution approving the Enforcement Program Plan, issuing temporary certification and approving the designation of the Glenn County Health Services Department as the Local Enforcement Agency for the County of Glenn.

WHEREAS, the California Integrated Waste Management Act of 1989 allows local governing bodies to designate an enforcement agency to carry out solid waste permitting, inspection and enforcement duties in their jurisdiction; and

WHEREAS, regulations require a designated local agency to develop, submit for Board approval, and adopt an Enforcement Program Plan (EPP) pursuant to statute; and

WHEREAS, the Glenn County Board of Supervisors has designated the above local agency and has requested Board approval of their designation; and

WHEREAS, the California Integrated Waste Management Board has received on April 13, 1994 and reviewed the proposed Enforcement Program Plan for the County of Glenn; and

WHEREAS, the Board finds that the above designated enforcement agency has demonstrated, via its amended Enforcement Program Plan as of July, 1994 that it meets the requirements of Public Resources Code Section 43200, et seq; and Title 14 California Code of Regulations Section 18010 et seq; and

WHEREAS, the Glenn County Enforcement Program Plan adequately addresses the requirements of the revised Title 14 California Code of Regulations Sections 18072 and 18073 as approved by the Board on May 25, 1994; and

WHEREAS, the Enforcement Program Plan of the Glenn County Health Services Department requires the Board to approve the Enforcement Program Plan and issue certification types "A", "B", "C", & "D" to the designated local agency pursuant to Title 14 California Code of Regulations Section 18071; and

WHEREAS, the Glenn County Health Services Department has adopted its Enforcement Program Plan pursuant to Public Resources Code Section 43209; and

NOW, THEREFORE, BE IT RESOLVED, the California Integrated Waste Management Board, pursuant to Public Resources Code Division 30 Part 4, Chapter 2, Article 1, approves the Enforcement Program Plan and designation and issues temporary certification for types "A", "C", "B", & "D" to the Glenn County Health Services Department as the solid waste local enforcement agency for the County of Glenn.

BE IT FURTHER RESOLVED, that the Glenn County Health Services Department shall be issued full certification within approximately twelve months upon confirmation of compliance with Title 14, California Code of Regulations, Chapter 5, Article 2.2.

California Integrated Waste Management Board
Permit Decision No. 94-134
August 31, 1994

WHEREAS, the Local Enforcement Agency (LEA), Butte County Department of Environmental Health Services, in the course of their duties made the determination that significant changes have occurred at the Oroville Solid Waste Disposal Transfer Station which require the issuance of a revised Solid Waste Facilities Permit (SWFP); and

WHEREAS, the LEA issued a Notice and Stipulated Order of Compliance on June 1991; and

WHEREAS, the Notice and Stipulated Order of Compliance mandated the operator to obtain a revised Solid Waste Facilities Permit (SWFP) while allowing the facility to operate in the interim; and

WHEREAS, on July 23, 1993, the LEA submitted a Report of Station Information (RSI), dated July 1993 and Board staff reviewed and sent comments to the LEA on the document on September 17, 1993. On June 1, 1994, the LEA submitted a revised RSI, dated March 1994, as a result of Board staffs' comments on the July 1993 RSI; and

WHEREAS, on June 2, 1994, the LEA submitted a draft SWFP for the Oroville Solid Waste Disposal Transfer Station and Board Staff reviewed and provided the LEA with comments on the draft SWFP; and

WHEREAS, on August 10, 1994, the LEA submitted a second draft permit in response to the comments that were provided on the original draft permit of June 2, 1994; and

WHEREAS, on August 18, 1994, the LEA submitted to the Board a Proposed Permit, revised Report of Station Information dated August 1994, and a correct and complete permit application; and

WHEREAS, the complete package of a proposed permit and supporting documents was submitted to the Board for its review and concurrence in, or objection to, a revised Solid Waste Facility Permit for the Oroville Solid Waste Disposal Transfer Station; and

WHEREAS, the proposed permit is to allow an expansion of the existing facility from 3.7 to 11.8 acres; the construction of a 19,000 square feet material recovery building; and include a household hazardous waste collection facility; and

WHEREAS, the facility was inspected by the LEA and Board staff on August 25, 1994 and one violation of the State Minimum Standards was noted; and

WHEREAS, the noted violation is related to Public Health Design Parameters, which is a violation of 14 CCR, Section 17452 and is proposed to be addressed by the construction of the new material recovery building; and

WHEREAS, the noted violation will effectively be corrected upon Board concurrence with the proposed permit and its subsequent issuance by the LEA; and

WHEREAS, the City of Oroville Community Development Department, the lead agency for CEQA review, prepared a Negative Declaration (Neg. Dec.), SCH #91012049 for the proposed project and Board staff reviewed the Neg. Dec. and provided comments to lead agency on February 8, 1991; the proposed project will not have a significant effect on the environment; mitigation measures were incorporated into the approval of the proposed project; and lead agency filed a Notice of Determination with the County Clerk on February 1, 1991; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the Butte County Solid Waste Management Plan, and consistency with the Butte County General Plan.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 04-AA-0008.

WHEREAS, Board staff have reviewed and incorporated as appropriate comments from representatives from the insurance industry; and

WHEREAS, Board staff have submitted the Waste Tire Hauler Bond (Form CIWMB-61) to the Office of the Attorney General for approval; and

WHEREAS, the Board finds that the Waste Tire Hauler Bond (Form CIWMB-61) meets the requirements for the Tire Hauler Registration Program and will assist waste tire haulers in meeting the January 1, 1995, registration deadline.

NOW, THEREFORE, BE IT RESOLVED, that the California Integrated Waste Management Board concurs with Attorney General review, revision, and approval of the Waste Tire Hauler Bond (Form CIWMB-61).

NOW, THEREFORE, BE IT FURTHER RESOLVED, that the California Integrated Waste Management Board directs its staff to initiate mailing the Waste Tire Hauler Bond (Form CIWMB-61) to known waste tire haulers operating in California once Attorney General approval is received.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on September 21-22, 1994.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION NO. 94-141

Resolution approving the Enforcement Program Plan, issuing temporary certifications, and approving the designation of the San Benito County Health Department-Environmental Health Division as the Local Enforcement Agency for the County of San Benito.

WHEREAS, the California Integrated Waste Management Act of 1989 allows local governing bodies to designate an enforcement agency to carry out solid waste permitting, inspection, and enforcement duties in their jurisdiction; and

WHEREAS, regulations require a designated local agency to develop, submit for Board approval, and adopt an Enforcement Program Plan pursuant to statute; and

WHEREAS, the San Benito County Board of Supervisors has designated the above local agency and has requested Board approval of their designation; and

WHEREAS, the California Integrated Waste Management Board has received on August 22, 1994, and reviewed the proposed Enforcement Program Plan for the County of San Benito; and

WHEREAS, the Board finds that the above designated enforcement agency has demonstrated, via its amended Enforcement Program Plan as of September, 1994, that it meets the requirements of Public Resources Code Section 43200, et seq; and Title 14, California Code of Regulations, Section 18010 et seq; and

WHEREAS, the San Benito County Enforcement Program Plan adequately addresses the requirements of the revised Title 14, California Code of Regulations, Sections 18072 and 18073 as approved by the Board on May 25, 1994; and

WHEREAS, the Enforcement Program Plan of the San Benito County Health Department-Environmental Health Division requests the Board to approve the Enforcement Program Plan and issue certification types "A", "B", "C", & "D" to the designated local agency pursuant to Title 14, California Code of Regulations, Section 18071; and

WHEREAS, the San Benito County Health Department-Environmental Health Division has adopted its Enforcement Program Plan pursuant to Public Resources Code, Section 43209; and

NOW, THEREFORE, BE IT RESOLVED, the California Integrated Waste Management Board, pursuant to Public Resources Code, Division 30, Part 4, Chapter 2, Article 1, approves the Enforcement Program Plan and designation and issues temporary certification for types "A", "B", "C", & "D" to the San Benito County Health Department-Environmental Health Division as the solid waste local enforcement agency for the County of San Benito.

BE IT FURTHER RESOLVED, that the San Benito County Health Department-Environmental Health Division shall be issued full certification within approximately twelve months upon confirmation of compliance with Title 14, California Code of Regulations, Chapter 5, Article 2.2.

RESOLUTION NO. 94-142

Resolution approving the Enforcement Program Plan, issuing temporary certifications, and approving the designation of the Mariposa County Health Department as the Local Enforcement Agency for the County of Mariposa.

WHEREAS, the California Integrated Waste Management Act of 1989 allows local governing bodies to designate an enforcement agency to carry out solid waste permitting, inspection, and enforcement duties in their jurisdiction; and

WHEREAS, regulations require a designated local agency to develop, submit for Board approval, and adopt an Enforcement Program Plan pursuant to statute; and

WHEREAS, the Mariposa County Board of Supervisors has designated the above local agency and has requested Board approval of their designation; and

WHEREAS, the California Integrated Waste Management Board has received on August 22, 1994, and reviewed the proposed Enforcement Program Plan for the County of Mariposa; and

WHEREAS, the Board finds that the above designated enforcement agency has demonstrated, via its amended Enforcement Program Plan as of September, 1994, that it meets the requirements of Public Resources Code Section 43200, et seq; and Title 14, California Code of Regulations, Section 18010 et seq; and

WHEREAS, the Mariposa County Enforcement Program Plan adequately addresses the requirements of the revised Title 14, California Code of Regulations, Sections 18072 and 18073 as approved by the Board on May 25, 1994; and

WHEREAS, the Enforcement Program Plan of the Mariposa County Health Department requests the Board to approve the Enforcement Program Plan and issue certification types "A", "B", "C", & "D" to the designated local agency pursuant to Title 14, California Code of Regulations, Section 18071; and

WHEREAS, the Mariposa County Health Department has adopted its Enforcement Program Plan pursuant to Public Resources Code Section 43209;

NOW, THEREFORE, BE IT RESOLVED, the California Integrated Waste Management Board, pursuant to Public Resources Code Division 30 Part 4, Chapter 2, Article 1, approves the Enforcement Program Plan and designation and issues temporary certification for types "A", "B", "C", & "D" to the Mariposa County Health Department as the solid waste local enforcement agency for the County of Mariposa.

BE IT FURTHER RESOLVED, that the Mariposa County Health Department shall be issued full certification within approximately six months upon confirmation of compliance with Title 14, California Code of Regulations, Chapter 5, Article 2.2.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION # 94-143

**FOR APPROVAL OF SUPPLEMENTAL POLICY GUIDELINES FOR THE SOLID
WASTE DISPOSAL AND CODISPOSAL SITE CLEANUP PROGRAM**

WHEREAS, Public Resources Code (PRC) Sections 48020 et seq. provide for implementation of the Solid Waste Disposal and Codisposal Site Cleanup Program; and

WHEREAS, the Board has provided guidelines for this program to cleanup sites through matching grants to local governments, loans to responsible parties and local governments, grants to Local Enforcement Agencies for cleanup of illegal disposal sites, and by direct cleanup using Board contracts,

NOW, THEREFORE, BE IT RESOLVED that the Board approves supplemental policy as follows: 1) change the loan program into two components, loans to local governments and loans to private parties; 2) loans to local governments shall require collateral in the form of a guaranteed revenue source; 3) the Board shall allow loans to local governments that want to sponsor cleanup of privately-owned sites or sites on leased land within their jurisdiction; and 4) program policy regarding limitations of funding and maximum amounts of funds expended per site cleanup are as shown in the September 21, 1994 Board Item.

BE IT FURTHER RESOLVED that the above policy regarding limitation of funding and maximum amount of funds per site are flexible guidelines and will be reviewed by the Board annually.

RESOLUTION # 94-144

FOR APPROVAL OF CLEANUP OF SIX SITES UNDER THE SOLID WASTE DISPOSAL AND CODISPOSAL SITE CLEANUP PROGRAM - AB 2136

WHEREAS, Public Resources Code (PRC) Sections 48020 et seq. provide for implementation of the Solid Waste Disposal and Codisposal Site Cleanup Program; and

WHEREAS, the Board has approved guidelines and policies for this program to cleanup sites; and

NOW THEREFORE, BE IT RESOLVED that the Board approves four sites (Duckpond Landfill, Igo/Ono Illegal Disposal Site, Long Illegal Disposal Site, and Mountain Meadows Lake Illegal Disposal Site) for immediate funding for cleanups under the Solid Waste Disposal and Codisposal Site Cleanup Program. The Board approves one site, Berryessa Estates Illegal Disposal Site, for funding November 12, 1994 for cleanup under the Solid Waste Disposal and Codisposal Site Cleanup Program, unless acceptable remedial actions have been taken by the site owner by that time. The Board directs staff to implement remediation measures and to encumber the funding for the cleanup of these sites.

RESOLUTION NO. 94-146

Resolution approving the Enforcement Program Plan, issuing the requested certifications and approving the designation of the Santa Barbara County Environmental Health Services Division, Agriculture and Environmental Management Department as the Local Enforcement Agency for the County of Santa Barbara Subsequent to local organizational restructuring.

WHEREAS, the California Integrated Waste Management Act of 1989 allows local governing bodies to designate an enforcement agency to carry out solid waste permitting, inspection and enforcement duties in their jurisdiction; and

WHEREAS, Regulations require a designated local agency to develop, submit for Board approval, and adopt an Enforcement Program Plan (EPP) pursuant to statute; and

WHEREAS, the Santa Barbara County Environmental Services Department met the requirements of Public Resources Code Division 30 Part 4, Chapter 2, Article 1, and Title 14 California Code of Regulations Division 7, Chapter 5, Articles 1.0 - 2.2, and had its Enforcement Program Plan and designation approved, and was issued certification types "A", "B", "C" and "D" by California Integrated Waste Management Board Resolution No. 92-94 thus becoming the Local Enforcement Agency for Santa Barbara County and all its incorporated cities; and

WHEREAS, subsequent to local re-organization, the Board finds that the Santa Barbara County Environmental Health Services Division, Agriculture and Environmental Management Department continues to meet the requirements of Public Resources Code Division 30 Part 4, Chapter 2, Article 1 and Title 14 California Code of Regulations Division 7, Chapter 5, Articles 1.0 - 2.2;

NOW, THEREFORE, BE IT RESOLVED, based on the foregoing considerations, the California Integrated Waste Management Board pursuant to Public Resources Code Division 30 Part 4, Chapter 2, Article 1 approves the Enforcement Program Plan and designation and issues certification types "A", "B", "C" and "D" to the Santa Barbara County Environmental Health Services Division, Agriculture and Environmental Management Department as the Local Enforcement Agency for Santa Barbara County and all its incorporated cities.

Resolution No. 94-150

WHEREAS, the California Integrated Waste Management Board was created with the enactment of the California Integrated Waste Management Act of 1989; and,

WHEREAS, the major responsibility of the Board is to develop and implement new Integrated Waste Management policy for the State of California; and,

WHEREAS, in order to carry out the responsibilities, commitment and administration of the Board, numerous agreements and documents must be executed for and on behalf of the Board; and,

WHEREAS, the Board desires to focus its energies and efforts on the responsibilities with which it alone has been charged by the Governor and the Legislature, namely the deliberation, adoption and implementation of statewide policy and standards for Integrated Waste Management; and,

WHEREAS, Public Resources Code (PRC) § 40430 requires the Board to appoint an Executive Director to administer the functions of the Board and to prescribe his or her duties; and,

WHEREAS, PRC § 40430 allows the Board to delegate any power, duty, purpose, function and jurisdiction which it deems appropriate to the Executive Director;

NOW, THEREFORE, BE IT RESOLVED, that the Board authorizes the Executive Director, on behalf of the Board, to render decisions and execute documents pertaining to Waste Tire Hauler Registration actions specifically relating to the issuance, denial and renewal of registrations, and the suspension or revocation of registrations.

California Integrated Waste Management Board
Permit Decision No. 94-151
November 16, 1994

WHEREAS, the Mead Valley Sanitary Landfill, was issued its original Solid Waste Facilities Permit issued in 1979 which indicated it was receiving approximately 100 tons of solid waste per operating day; and

WHEREAS, Riverside County Local Solid Waste Management Enforcement Agency, acting as the Local Enforcement Agency, determined that the site was operating outside the terms and conditions of its permit with regards to daily tonnage; and

WHEREAS, Riverside County Local Solid Waste Management Enforcement Agency has issued several enforcement orders to the operator in order to allow continued operation of the facility while the operator sought permit revision; and

WHEREAS, the Riverside County Planning Department, the lead agency for CEQA review, prepared a Negative Declaration for the proposed project and Board staff reviewed the Negative Declaration and provided comments to the lead agency in February 1991; and the proposed project will not have a significant effect on the environment; and mitigation measures were incorporated into the approval of the proposed project; and lead agency did not adopt a Statement of Overriding Considerations; and the Riverside County Planning Department filed a Notice of Determination with the County Clerk on March 29, 1991; and

WHEREAS, Riverside County Local Solid Waste Management Enforcement Agency has submitted to the Board for its review and concurrence in, or objection to a revised Solid Waste Facilities Permit for the Mead Valley Sanitary Landfill; and

WHEREAS, the project description in the CEQA document is consistent with the proposed permit; and

WHEREAS, Board staff have evaluated the proposed permit and supporting documentation for consistency with the standards adopted by the Board and found the facility's design and operation in compliance with State Minimum Standards; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the Riverside County General Plan, and compliance with the California Environmental Quality Act; and

WHEREAS, historically the site has been cited for violations relating to the application of cover and the prevention of drainage and erosion problems; and

WHEREAS, the operator has taken action that has resulted in an improvement in these areas; and

WHEREAS, the most recent joint CIWMB/LEA inspection, conducted on October 14, 1994 documented that the site was in compliance with State Minimum Standards for Solid Waste Handling and Disposal.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 33-AA-0009.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-157**

FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE COUNTY OF MERCED, CITIES OF ATWATER, DOS PALOS, GUSTINE, LIVINGSTON, LOS BANOS AND MERCED

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41301 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County and City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

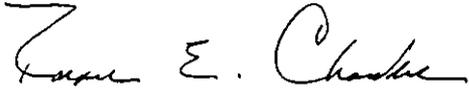

WHEREAS, based on review of the County and City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Elements for the County of Merced and the cities of Atwater, Dos Palos, Gustine, Livingston, Los Banos and Merced.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-161**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF LIVINGSTON**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Livingston. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-165**

FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE UNINCORPORATED KINGS COUNTY AND THE CITIES OF CORCORAN, HANFORD, AND LEMOORE

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41301 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County and City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the County and City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Elements for the unincorporated Kings County and the cities of Corcoran, Hanford, and Lemoore.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-167**

FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE ELEMENT FOR UNINCORPORATED KINGS COUNTY AND THE CITIES OF CORCORAN, HANFORD, AND LEMOORE

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41510 requires that each county draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the unincorporated area of the county; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, Kings County and the cities of Corcoran, Hanford, and Lemoore drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, Kings County and the cities of Corcoran, Hanford, and Lemoore submitted their final HHWE to the Board for approval which was deemed complete on May 18, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

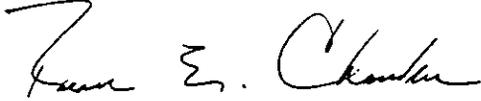

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the unincorporated area of Kings County and the cities of Corcoran, Hanford, and Lemoore.

FOR CONSIDERATION OF CONDITIONAL APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE CITY OF SAN FERNANDO

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the city will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. except that the plan only projects a diversion rate of 46.2% for they year 2000; and

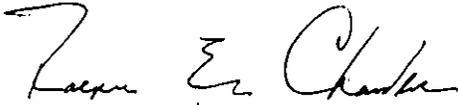

WHEREAS, CCR Section 18785 provides that the Board may conditionally approve SRREs, and Board staff recommends that the City's SRRE be conditionally approved; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby conditionally approves the Source Reduction and Recycling Element for the City of San Fernando. As a condition, the City must provide further information in their first Annual Report describing expansion of existing programs or additional programs that will be implemented to reach the 50% mandated goal.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-179**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF SAN FERNANDO**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of San Fernando. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on August 31, 1994.

Dated: SEP 12 1994

Ralph E. Chandler
Executive Director

**California Integrated Waste Management Board
Resolution # 94-180**

For consideration of approval for a uniform method to adjust jurisdiction waste amounts to account for changes in population and other factors.

Whereas, the California Integrated Waste Management Board (Board) is required by Public Resources Code (PRC) Section 41780.1 (c) (AB 2494, Sher, Stats. 1992, Ch. 1292) to develop a method for adjusting each jurisdiction's base-year waste disposal amount to reflect changes in the jurisdiction's population and other factors between the base-year and the goal measurement-year; and

Whereas, jurisdictions must use the Board-adopted method when determining achievement of the year 1995 and 2000 waste reduction goals required by PRC Section 41780; and

Whereas, the Board appointed volunteer representatives of local jurisdictions, the waste management industry, public interest groups, the military, professional consultants, academia; and Board staff to a Working Group which assisted Dr. Eugene Tseng of the University of California, Los Angeles Extension Program in developing a proposal for a simple, accurate way of measuring the effect of population and economic changes on waste disposal in California; and

Whereas, the Working Group and Dr. Tseng have identified population, taxable retail sales, employment, and natural and man-made disasters as the factors which best predict changes in the amount of solid waste for use in the adjustment method; and

Whereas, the Working Group and Dr. Tseng developed a model equation to determine the maximum tonnage that a jurisdiction can dispose of and still meet the 1995 or 2000 reduction goal; and

Whereas, the model has been circulated for public comment, field tested at jurisdictions around the state, and presented for peer review at a major scientific conference; and

Whereas, the model not only solves the concerns of cities and counties across the state, but also constitutes a cost effective, practical model for the solution of an unresolved basic scientific problem in the field of waste management;

Now, therefore be it resolved, that the Board hereby commends the Adjustment Method Working Group, Dr. Eugene Tseng and the UCLA Extension Program, the test jurisdictions, and staff for their service and dedication to solving a fundamental waste management problem for the State of California; and

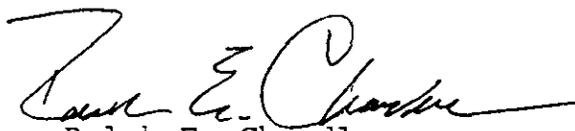

Be it also resolved, that the Board hereby adopts the proposed adjustment method as the Board standard for all jurisdictions to use in adjusting their base-year waste amounts when measuring compliance with the year 1995 and 2000 waste reduction goals; and

Be it also resolved, that the Board directs staff to prepare draft regulations, which implement the method as a standard, for consideration by the Board.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on June 29, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-181**

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING
ELEMENT FOR THE CITY OF WHITTIER**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the City will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, during review of the SRRE, staff determined that waste used as Alternative Daily Cover (ADC) was claimed as diverted in the year 2000. Based on the Board's adopted ADC policy, which sunsets December 31, 1997, staff subtracted this waste from the jurisdiction's diversion tonnage. In adopting this resolution, the Board does not intend to limit its ability to consider changes to its ADC policy;

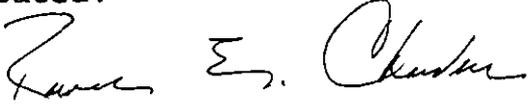

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Element for the City of Whittier.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on August 31, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-182**

FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE ELEMENT FOR THE CITY OF WHITTIER

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The City of Whittier drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The City of Whittier submitted their final HHWE to the Board for approval, which was deemed complete on May 18, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

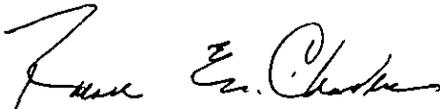

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the City of Whittier.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on August 31, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-184**

FOR CONSIDERATION OF CONDITIONAL APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE CITY OF LOMITA

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the city will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. except that the plan only projects a diversion rate of 47.5% for they year 2000; and

WHEREAS, CCR Section 18785 provides that the Board may conditionally approve SRREs, and Board staff recommends that the City's SRRE be conditionally approved; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby conditionally approves the Source Reduction and Recycling Element for the City of Lomita. As a condition, the City must provide further information in their first Annual Report describing expansion of existing programs or additional programs that will be implemented to reach the 50% mandated goal.

CERTIFICATION

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING
ELEMENT FOR THE CITY OF HIDDEN HILLS**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the City will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Element for the City of Hidden Hills.

MEMORANDUM OF AGREEMENT
BETWEEN
SOUTHERN CALIFORNIA EDISON
AND THE
CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

This Memorandum of Agreement ("MOA") is entered into between the California Integrated Waste Management Board, hereinafter referred to as "Board"; and the Southern California Edison Company, hereinafter referred to as "Edison." Board and Edison shall hereinafter be referred to individually as "Party" and collectively as "Parties."

WITNESS THAT:

Whereas, SB 1322 established the California Recycling Market Development Zone (RMDZ) program to stimulate the recycling of post consumer waste material generated in California;

Whereas, a RMDZ designation allows new businesses which locate within a zone and turn waste into new products to receive certain economic incentives from the State of California and authorized public utilities;

Whereas, the Parties desire to establish a marketing partnership to encourage continued development of the recycling industry by providing economic development incentives to eligible businesses located in RMDZs:

Whereas, the Board and Edison view RMDZs as a catalyst for creating an estimated 20,000 new jobs in the manufacturing sector;

Whereas, the Board and Edison recognize the value to the community in reducing waste disposal at landfills and in the net energy savings to be realized by using recycled material in lieu of virgin material;

Whereas, the entrepreneurs who turn post-consumer waste materials into new products are the necessary link in the completion of the recycling loop; and

Whereas, the Parties recognize the value of forming a partnership designed to complement each other's resources and expertise which will contribute to meeting the goals set forth herein;

NOW THEREFORE, in consideration of the mutual covenants set forth herein, the Parties agree as follows:

Within the time frame to be agreed to by the Parties, the Board and Edison shall develop and implement an RMDZ marketing program aimed at informing the recycling industry about available incentives and encouraging other utilities, governmental agencies, and public/private organizations to work in partnership in the development of the recycling industry.

RESPONSIBILITIES OF THE PARTIES:

- 1. Edison and the Board will jointly develop, publish, and distribute information to prospective businesses about the RMDZ program and the benefits available to such businesses including, but not limited to:*
 - Utility rate discounts to prospective new businesses*
 - Technical assistance for maximizing energy efficiency and reducing utility costs during operation*
 - Technical assistance with recycling technologies for businesses being recruited as well as for candidates considering conversion to the use of recycled feedstocks*
 - Information regarding the availability of feedstock*
 - Business development assistance*
 - Availability of RMDZ loans*
 - Availability of complementary utility financing to such businesses, including low interest loans, financing energy efficiency measures, and credits*

- 2. The Parties recognize that the availability of utility financial incentives specified herein shall be subject to appropriate approvals by the California Public Utilities Commission as well as the cooperative efforts of both governmental and private entities.*

3. *The Board and Edison will develop and carry out a marketing plan for promoting Recycling Market Development Zone services.*
4. *Edison will evaluate and, if feasible, expand recycled-content procurement within Edison, including giving special consideration to procurement from RMDZ area businesses.*
5. *The Board will help promote Edison's efforts to expand its waste reduction, recycling, and buy-recycled programs, as appropriate.*
6. *Edison will assist the board in identifying candidates for recruitment to RMDZs.*
7. *Edison will assist the Board in identifying candidate businesses within RMDZs for conversion to recycled feedstocks so that they may be contacted by the Board and Edison, and offered technical assistance.*
8. *The Board will work with Edison to support, sponsor, or otherwise promote appropriate legislation to expand utility-related incentives, services, and other benefits to California businesses which utilize post-consumer waste in the manufacture and use of recycled-content products.*
9. *The Parties will encourage energy efficiency and innovative technology research in the recycling industry, in conjunction with such entities as California Manufacturing Technology Center (CMTIC), national laboratories, and other organizations.*
10. *Edison and the Board will work with other utilities to offer similar incentive programs and to develop internal incentive policies regarding waste reduction and procurement of recycled-content products.*
11. *Edison and The Board will work with both RMDZ administrator and utility consortiums to achieve the goals set forth herein.*
12. *Edison and the Board will formalize lines of communication, programs, and procedures to implement this MOA.*
13. *This MOA shall be effective upon execution by the parties, and shall continue in effect until terminated by either Party upon 30-days written notice to the other Party.*

IN WITNESS WHEREOF, this Memorandum of Agreement has been duly executed by the California Integrated Waste Management Board, and the Southern California Edison Company on the dates set forth below.

TITLE Vice President

DATE 10-7-94

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-201**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF HIDDEN HILLS**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Hidden Hills. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on September 21, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-202**

**FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE
ELEMENT FOR THE CITY OF HIDDEN HILLS**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The City of Hidden Hills drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The City of Hidden Hills submitted their final HHWE to the Board for approval which was deemed complete on June 1, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the City of Hidden Hills.

CERTIFICATION

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-215**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF ARCADIA**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Arcadia. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on September 21, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-216**

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING
ELEMENT FOR THE CITY OF ARTESIA**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, during review of the SRRE, staff determined that waste used as Alternative Daily Cover (ADC) was claimed as diverted in the year 2000. Based on the Board's adopted ADC policy, which sunsets December 31, 1997, staff subtracted this waste from the jurisdiction's diversion tonnage. In adopting this resolution, the Board does not intend to limit its ability to consider changes to its ADC policy;

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Elements for the City of Artesia.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on September 21, 1994.

**FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE
ELEMENT FOR THE CITY OF ARTESIA**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The City of Artesia drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The City of Artesia submitted their final HHWE to the Board for approval which was deemed complete on June 1, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Household Hazardous Waste Element for the City of Artesia.

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The City of Covina drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The City of Covina submitted their final HHWE to the Board for approval which was deemed complete on May 27, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the City of Covina.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on September 21, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-233**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF COVINA**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Covina. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-238**

FOR CONSIDERATION OF DISAPPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE CITY OF EL SEGUNDO

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a Source Reduction and Recycling Element (SRRE) which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the City will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, the Board staff found that the plan projects a diversion rate of only 23.3% for the year 1995; and

WHEREAS, the document does not describe the volume-to-tonnage amount conversion factors used to determine base year generation; does not include criteria for evaluating all alternatives; lacks a detailed description of the coordination between the City and program implementors for the planning, implementation and monitoring of programs; does not include all of the statutory and regulatory required information identified in the Board's May 20, 1991 letter to the City in the Preliminary Draft SRRE; and funding for the City's monitoring, evaluation and public information/education programs does not appear sufficient; the City did not include programs for the medium-term planning period; and the SRRE does not describe the expansion or addition of programs that will be implemented to reach the 25% mandated goal; and

WHEREAS, Based on the above, Board staff recommends disapproval of the City of El Segundo's Source Reduction and Recycling Element.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby disapproves the Source Reduction and Recycling Element for the City of El Segundo and directs staff to draft a Notice of Deficiency to the jurisdiction. The notice will identify the measures to be taken to rectify the deficiencies and a timeframe for doing so.

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Huntington Park. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

CERTIFICATION

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-250**

FOR CONSIDERATION OF CONDITIONAL APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE CITY OF INGLEWOOD

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. except that the plan only projects a diversion rate of 43.7% for the year 2000; and

WHEREAS, CCR Section 18785 provides that the Board may conditionally approve SRREs, and Board staff recommends that the City's SRRE be conditionally approved; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby conditionally approves the Source Reduction and Recycling Element for the City of Inglewood. The following are conditions of approval: 1) If AB 688 becomes law, the City of Inglewood will revise their Solid Waste Generation Study within 120 days, as necessary, after consultation with Board staff, and 2) If AB 688 does not become law, the City of Inglewood Source Reduction and Recycling Element will be brought back before the California Integrated Waste Management Board for further consideration.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on September 21, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-251**

**FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE ELEMENT
FOR THE CITY OF INGLEWOOD**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The City of Inglewood drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The City of Inglewood submitted their final HHWE to the Board for approval which was deemed complete on June 3, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the City of Inglewood.

CERTIFICATION

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. except that the plan only projects a diversion rate of 45.3% for the year 2000; and

WHEREAS, CCR Section 18785 provides that the Board may conditionally approve SRREs, and Board staff recommends that the City's SRRE be conditionally approved; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Elements for the City of Norwalk. As a condition, the City must provide further information in their first Annual Report describing expansion of existing programs or additional programs that will be implemented to reach the 50% mandated goal.

CERTIFICATION

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-267**

**FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE ELEMENT
FOR THE CITY OF NORWALK**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The City of Norwalk drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The City of Norwalk submitted their final HHWE to the Board for approval which was deemed complete on June 1, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the City of Norwalk.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on September 21, 1994 and September 22, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-268**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF NORWALK**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Norwalk. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on September 21, 1994 and September 22, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-269**

**FOR CONSIDERATION OF CONDITIONAL APPROVAL OF THE SOURCE REDUCTION
AND RECYCLING ELEMENT FOR THE CITY OF PARAMOUNT**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a Source Reduction and Recycling Element (SRRE) which includes all of the components specified; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the city's SRRE include a program for the management of solid waste generated within the city, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the city's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the city will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, during review of the SRRE, staff determined that waste used as Alternative Daily Cover (ADC) was claimed as diverted in the year 2000. Based on the Board's adopted ADC policy, which sunsets December 31, 1997, staff subtracted this waste from the jurisdiction's diversion tonnage. In adopting this resolution, the Board does not intend to limit its ability to consider changes to its ADC policy;

WHEREAS, based on review of the city's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. except that the plan only projects a diversion rate of 46.2% for the year 2000; and

WHEREAS, 14 CCR Section 18785 provides that the Board may conditionally approve SRREs, and Board staff recommends that the City's SRRE be conditionally approved; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby conditionally approves the SRRE for the City of Paramount. As a condition, the City must provide further information in their first Annual Report describing expansion of existing programs or additional programs that will be implemented to reach the 50% mandated goal.

FOR THE CITY OF ROLLING HILLS ESTATES**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Rolling Hills Estates. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on September 21, 1994.

Dated: SEP 23 1994

RESOLUTION # 94-286**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF SAN MARINO**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

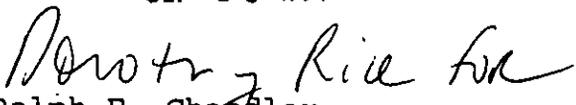

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of San Marino. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-287**

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND
RECYCLING ELEMENT FOR THE CITY OF SIGNAL HILL**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a Source Reduction and Recycling Element (SRRE) which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the City and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, during review of the SRRE, staff determined that waste used as Alternative Daily Cover (ADC) was claimed as diverted in the year 2000. Based on the Board's adopted ADC policy, which sunsets December 31, 1997, staff subtracted this waste from the jurisdiction's diversion tonnage. In adopting this resolution, the Board does not intend to limit its ability to consider changes to its ADC policy;

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the SRRE for the City of Signal Hill.

CERTIFICATION

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-303**

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING
ELEMENT FOR THE UNINCORPORATED AREAS LOS ANGELES COUNTY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41301 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

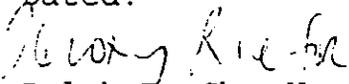

WHEREAS, based on review of the County's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Element for the County of Los Angeles.

CERTIFICATION

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-304**

**FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE
ELEMENT FOR THE UNINCORPORATED AREAS OF LOS ANGELES COUNTY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41510 requires that each county draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the unincorporated area of the county; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The County of Los Angeles drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The County of Los Angeles submitted their final HHWE to the Board for approval which was deemed complete on May 26, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

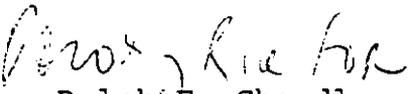

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the County of Los Angeles.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-320**

**FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE
ELEMENT FOR THE CITY OF CRESCENT CITY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the unincorporated area of the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The City of Crescent City drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The City of Crescent City submitted their final HHWE to the Board for approval which was deemed complete on May 28, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the City of Crescent City.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-321**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF CRESCENT CITY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Crescent City. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING
ELEMENT FOR THE UNINCORPORATED AREA OF DEL NORTE COUNTY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41301 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

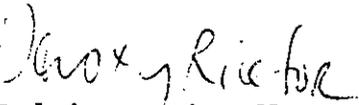

WHEREAS, based on review of the County's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Element for the Unincorporated area of Del Norte County.

RESOLUTION # 94-325**

**FOR THE REDUCTION OF DIVERSION
REQUIREMENTS FOR THE CITY OF WILLIAMS**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code (PRC) Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780, if a city or county can demonstrate that achievement of the requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations (CCR), Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in the planning and diversion requirements and specifies the information which must be provided in support of a petition; and

WHEREAS, the Board received a Petition for Reduction in the diversion requirements from the City of Williams; and

WHEREAS, the City of Williams qualifies based on geographic size, population density, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board finds that the request for reduction in diversion requirements to allow the City of Williams to achieve a 15 percent level of waste diversion by January 1, 1995 is reasonable; and

WHEREAS, the City has complied with PRC Section 41782, and Title 14 of the CCR, Section 18775; and

WHEREAS, the Board's Local Assistance and Planning Committee approved staff's recommendation to allow the City of Williams to reduce its short term diversion requirement from 25 percent to 15 percent;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in diversion requirements for the City of Williams to 15 percent for January 1, 1995.

BE IT FURTHER RESOLVED, that if the City SRRE has not been locally adopted and submitted to the Board by the deadline set in statute; or, if the City SRRE is not approved by the Board pursuant to the provisions of Chapter 7, Part 2, of Division 30 of the Public Resources Code (commencing with Section 41800), then the diversion reductions granted above shall be deemed revoked.

RESOLUTION # 94-327**

FOR CONSIDERATION OF GRANTING A TIME EXTENSION FOR PREPARING REVISED SOURCE REDUCTION AND RECYCLING ELEMENTS FOR THE JURISDICTIONS OF HERCULES, PINOLE, RICHMOND, AND SAN PABLO

WHEREAS, Public Resources Code (PRC) sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC section 41000 requires that each city shall prepare and adopt a Source Reduction and Recycling Element (SRRE) which includes all of the components specified; and

WHEREAS, PRC section 41001 requires that the SRRE include a program for the management of solid waste generated within the jurisdictions, consistent with the waste management hierarchy provided in Section 40051; and

WHEREAS, the diversion programs selected must show how the jurisdiction will achieve the diversion goals of 25 and 50 percent mandated by PRC 41780; and

WHEREAS, based on review of the SRREs, Board staff found that there was insufficient documentation to claim diversion credits for excluded waste types specified in PRC 41781.2 and subsequently adjusted the base year diversion claims and projected diversion levels, as called for in PRC 41801.5; and

WHEREAS, this adjustment resulted in the aforementioned jurisdictions' diversion projections to fall short of the mandated diversion goals; and

WHEREAS, the Board disapproved these jurisdictions' SRREs at the December 15, 1993 Board meeting and directed staff to work with these cities towards a solution; and

WHEREAS, the cities proposed to develop a regional SRRE instead of revising individual SRREs; and

WHEREAS, Board staff have been provided with ample documentation of the cities efforts to comply with the Act; and

WHEREAS, Board staff is supportive of the cities' desire to resubmit a document which details the partnership and cooperation of the cities in implementing diversion programs and building necessary facilities; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the request for a time extension to July 1, 1995 as allowed by PRC 41811.5(e) for the jurisdictions of Hercules, Pinole, Richmond, and San Pablo so that they may develop and adopt a Regional SRRE which details how they will increase their adjusted diversion projections to meet the requirements of 25% and 50% diversion. This Regional SRRE must be adopted by each of the jurisdictions and submitted to the Board for review and approval.

**DISALLOWING A TIME EXTENSION FOR PREPARING REVISED SOURCE
REDUCTION AND RECYCLING ELEMENTS FOR THE JURISDICTIONS OF
HERCULES, PINOLE, RICHMOND, AND SAN PABLO**

WHEREAS, Public Resources Code (PRC) sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC section 41000 requires that each city shall prepare and adopt a Source Reduction and Recycling Element (SRRE) which includes all of the components specified; and

WHEREAS, PRC section 41001 requires that the SRRE include a program for the management of solid waste generated within the jurisdictions, consistent with the waste management hierarchy provided in Section 40051; and

WHEREAS, the diversion programs selected must show how the jurisdiction will achieve the diversion goals of 25 and 50 percent mandated by PRC 41780; and

WHEREAS, based on review of the SRREs, Board staff found that there was insufficient documentation to claim diversion credits for excluded waste types specified in PRC 41781.2 and subsequently adjusted the base year diversion claims and projected diversion levels, as called for in PRC 41801.5; and

WHEREAS, this adjustment resulted in the aforementioned jurisdictions' diversion projections to fall short of the mandated diversion goals; and

WHEREAS, the Board disapproved these jurisdictions' SRREs at the December 15, 1993 Board meeting and directed staff to work with these cities towards a solution; and

WHEREAS, the cities proposed to develop a regional SRRE instead of revising individual SRREs and have requested a time extension to prepare this document; and

WHEREAS, the 120-day timeframe allowed for the four cities to have revised their disapproved SRRES will expire on October 17, 1994; and

WHEREAS, these jurisdictions are therefore found to be in noncompliance with the Act; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby disapproves the request for a time extension to July 1, 1995 as allowed by PRC 41811.5(e) for the jurisdictions of Hercules, Pinole, Richmond, and San Pablo and requires the cities to revise their SRREs to detail how they will increase their adjusted diversion projections to meet the requirements of 25% and 50% diversion.

RESOLUTION # 94-330**

FOR CONSIDERATION OF CONDITIONAL APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE COUNTY OF ALPINE

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41301 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, PRC Section 41782 allows qualified jurisdictions to petition for reductions in the planning and/or diversion requirements and Alpine County has requested reductions in the 1995 goal to 14% and the 2000 goal to 22.4%; and

WHEREAS, based on review of the SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends conditional approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby conditionally approves the Source Reduction and Recycling Element for the County of Alpine and the reduced diversion of 14% for 1995 and 22.4% for 2000. The County of Alpine will be required to meet the conditions that are determined by the Board. Failure to meet the conditions will result in a disapproval.

Resolution 94-331**

**Adoption of Regulations
Relating to the Disclosure of Public Records,
Title 14, California Code of Regulations,
Division 7, Article 4, Sections 17041 through 17046.**

WHEREAS, the Board adopted emergency regulations on May 25, 1994, by order of Resolution 94-101; and

WHEREAS, the Office of Administrative Law approved the rulemaking file for the subject regulations and filed the emergency regulations with the Secretary of State on June 16, 1994; and

WHEREAS, the Board has taken all public comments under consideration; and

WHEREAS, the Board finds, pursuant to Government Code Sections 11346.14 and 11346.7, that this regulation is necessary, and that no alternatives considered would be as effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action; and

WHEREAS, the Board finds, that these regulations do not impose a mandate on local agencies or school districts pursuant to Government Code Section 11346.7; and

WHEREAS, the Board finds, in accordance with Government Code section 11346.5(a)(5), that the adoption of the proposed regulations does not impose a mandate on local agencies or school districts and does not impose costs on local agencies or school districts that are required to be reimbursed under Part 7 (commencing with section 17500) of Division 4 of the Government Code; and

WHEREAS, the Board finds, in accordance with Government Code section 11346.5(a)(6), that the proposed regulations will not create a costs or savings to any state agency or to federal funding to the State; and

WHEREAS, the Board finds, pursuant to Government Code section 11346.53, that the adoption of the proposed regulations will not have a significant adverse economic impact on businesses, including the ability of California businesses to compete with businesses in other states, and that no costs to businesses or persons will be created by the adoption of the proposed regulations; and

WHEREAS, the Board finds, pursuant to Government Code section 11343.2, that the adoption of the proposed regulations will not affect small businesses in the State; and

WHEREAS, the Board finds, in accordance with Government Code section 11346.54, that the proposed regulatory action will not affect the creation or elimination of jobs within the State of California, the creation of new businesses or the elimination of existing businesses within California, nor the expansion of businesses currently doing business within the State.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby adopts the proposed permanent regulations: Title 14, California Code of Regulations, Division 7, Article 4, sections 17041 through 17046; and

BE IT FURTHER RESOLVED that the Board directs staff to submit the Certificate of Compliance for these regulations to the Office of Administrative Law.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION 94- 333
APPROVAL OF LOANS FOR THE THIRD QUARTER OF 1994 FROM
THE RECYCLING MARKET
DEVELOPMENT ZONE REVOLVING LOAN FUND

WHEREAS, the Board is authorized to make loans to recycling businesses using postconsumer or secondary waste materials located in designated Recycling Market Development Zones from its Recycling Market Development Revolving Loan Account;

WHEREAS, Board staff solicited applications for loans April 9, 1994 through July 8, 1994;

WHEREAS, Board staff has determined that five (5) applicants are eligible for consideration of loan funding and has recommended to the Loan Committee the approval and authorization of loans to the eligible applicants;

WHEREAS, the Loan Committee has considered the credit-worthiness of the eligible applicants and has recommended to the Market Development Committee the approval and authorization of loans to the eligible applicants;

WHEREAS, the Market Development Committee has considered the extent to which the eligible applicants meet the goals of the Recycling Market Development Zone Loan Program and has recommended to the Board the approval and authorization of loans to the eligible applicants;

NOW, THEREFORE, BE IT RESOLVED, that in accordance with the recommendations of the Board staff, the Loan Committee and the Market Development Committee, the Board hereby approves the funding of the following loans in the following original principal amount as set forth next to the borrower's name, subject however, to the terms and conditions contained in the loan agreement to be prepared by Board staff for the loan in accordance with applicable regulations, and on such terms and conditions as the Board or its duly authorized staff representative in its or their sole discretion deems necessary or advisable:

	<u>BORROWER</u>	<u>AMOUNT</u>
1.	California Fiberloft, Inc.	\$1,000,000
2.	Productivity California, Inc.	\$266,000
3.	Into The Woods	\$75,000
4.	Firma, Inc.	\$500,000
5.	Pure Tech Recycling of California	\$300,000

RESOLVED FURTHER, that the Board, the Executive Director, its authorized representative, or the Executive Director's designee, be and each hereby is, authorized to do and perform any and all such acts, including execution of the loan agreements to be prepared by Board staff and all other documents or certificates as the Board or its authorized representative in its or their sole discretion deem necessary or advisable to carry out the purposes of the foregoing resolution.

RESOLVED FURTHER, that any actions taken by the Board or the Executive Director, its authorized representative, or the Executive Director's designee prior to the date of the adoption of the foregoing resolutions that are within the authority conferred by those resolutions, are hereby ratified, confirmed and approved as the acts and deeds of the Board.

FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE CITY OF SONORA AND THE UNINCOPORATED AREA OF TUOLUMNE COUNTY

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41301 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County and City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the County and City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Elements for the City of Sonora and the unincorporated area of Tuolumne County.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on October 27, 1994.

RESOLUTION # 94-339**

FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT FOR THE CITY OF SONORA AND THE UNINCOPORATED AREA OF TUOLUMNE COUNTY

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Sonora and the unincorporated area of Tuolumne County. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE ELEMENT FOR THE CITIES OF PLACERVILLE AND SOUTH LAKE TAHOE AND THE UNINCORPORATED AREA OF EL DORADO COUNTY

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41510 requires that each county draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the unincorporated area of the county; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The Cities and County drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The Cities and County submitted their final HHWE to the Board for approval which was deemed complete on May 18, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the Cities of Placerville and South Lake Tahoe and the unincorporated area of El Dorado County.

FOR CONSIDERATION OF CONDITIONAL APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE CITY OF LA MIRADA

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a Source Reduction and Recycling Element (SRRE) which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the City will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. except that the plan only projects a diversion rate of 47% for the year 2000; and

WHEREAS, CCR Section 18785 provides that the Board may conditionally approve SRREs, and Board staff recommends that the City's SRRE be conditionally approved; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby conditionally approves the Source Reduction and Recycling Element for the City of La Mirada. As a condition, the City must revise their SRRE to include the expansion of existing programs, discuss and expand contingencies for the ADC program, and include the new programs identified in their previous submittal. The City must submit the revised SRRE within a year of Board action.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-355**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF LA MIRADA**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of La Mirada. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-356**

FOR CONSIDERATION OF CONDITIONAL APPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE CITY OF MONROVIA

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the city will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. except that the plan only projects a diversion rate of 45.6% for they year 2000; and

WHEREAS, CCR Section 18785 provides that the Board may conditionally approve SRREs, and Board staff recommends that the City's SRRE be conditionally approved; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby conditionally approves the Source Reduction and Recycling Element for the City of Monrovia. As a condition, the City must provide further information in their first Annual Report describing expansion of existing programs or additional programs that will be implemented to reach the 50% mandated goal.

RESOLUTION # 94-365**

**FOR THE REDUCTION OF DIVERSION
REQUIREMENTS FOR THE CITY OF FIREBAUGH**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780, if a city or county can demonstrate that achievement of the mandated requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations, Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in planning and diversion goals mandated by Public Resources Code Section 41780; and

WHEREAS, the Board has received a petition for reductions in the diversion requirements from the City of Firebaugh; and

WHEREAS, the City of Firebaugh qualifies based on geographic size, population density, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board has found that the request for reduction in diversion requirements to allow the City of Firebaugh to achieve a 15 percent level of waste diversion by January 1, 1995 is reasonable; and

WHEREAS, the City has complied with Public Resources Code Section 41782, and Title 14 of the California Code of Regulations, Section 18775; and

WHEREAS, the Integrated Waste Management Local Assistance and Planning Committee approved the staff recommendation to allow the City of Firebaugh to reduce the short term diversion goals from 25 percent to 15 percent;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in diversion requirements for the City of Firebaugh to 15 percent for January 1, 1995.

BE IT FURTHER RESOLVED, that if the City SRRE has not been locally adopted and submitted to the Board by the deadline set in statute; or, if the City SRRE is not approved by the Board pursuant to the provisions of Chapter 7, Part 2, of Division 30 of the Public Resources Code (commencing with Section 41800), then the diversion reductions granted above shall be deemed revoked.

California Integrated Waste Management Board
Resolution 94-366
November 16, 1994

Consideration of Approval of a Negative Declaration and the Adoption of Regulations For The Permit Reform Act Which Establish Informational Guidelines on Minimum, Median and Maximum Time Limits For Processing Applications.

WHEREAS, the California Environmental Quality Act (Public Resources Code Section 21000 et. seq.), and State CEQA Guidelines, Section 15074 (b) require that prior to approval of a proposed project, the decision-making body of the Board, as Lead Agency, shall consider the proposed Negative Declaration for the adoption of proposed regulations for the Permit Reform Act (Title 14, Sec. 18998, 18999) together with any comments received during the public review process. The decision-making body shall approve the Negative Declaration if it finds on the basis of the Initial Study and any comments received that there is no substantial evidence that the project will have a significant effect on the environment.

WHEREAS, formal notice of rulemaking activity was published on August 12, 1994, in California Regulatory Notice Register 94, Volume No. 94-32Z, the 45-day public comment period has passed and the Board has held a public hearing to consider the adoption of Regulations for the Permit Reform Act which establish informational guidelines on minimum, median and maximum time limits for processing applications.

WHEREAS, the Board held a 45-day public comment period; and

WHEREAS, the Board has taken these comments under consideration; and

WHEREAS, the Board has fulfilled all of the requirements of Government Code Sections 11340 et seq. and Title 1, California Code of Regulations, Section 1 et. seq; and

WHEREAS, the Board has maintained a rulemaking file which shall be deemed to be the record for the rulemaking proceedings pursuant to Government Code Section 11347.3; and

WHEREAS, the Board has reviewed the proposed Negative Declaration together with all comments received during the state agency review period assigned by the State Clearinghouse and public review period announced in two newspapers of general circulation throughout the State of California as required by the State CEQA Guidelines, Section 15072(a).

NOW, THEREFORE, BE IT RESOLVED that the Board hereby deems the proposed Environmental Document and proposed regulations complete.

BE IT FURTHER RESOLVED that the Board has determined that the project as proposed will not have a significant effect on the environment.

BE IT FURTHER RESOLVED that the Board adopts the Negative Declaration, State Clearinghouse Number 94093038 and the proposed regulations for the Permit Reform Act (Title 14, Sec. 18998, 18999).

BE IT FURTHER RESOLVED that the Board directs staff to prepare and submit a Notice of Determination of the project to the State Clearinghouse for filing as required by the State CEQA Guidelines, Sections 15075, and direct staff to submit the regulations and rulemaking file to the Office of Administrative Law for review and approval.

WHEREAS, the Board held a 45-day comment period, a public hearing, and an additional 15-day comment period for substantially related changes.

WHEREAS, the Board has taken all public comments under consideration.

WHEREAS, the Board has fulfilled all of the requirements of Government Code Sections 11340 et. seq.; and Title 1 of the California Code of Regulations, Section 1 et. seq.

WHEREAS, the Board has determined that the adoption of the proposed regulations do not impose a mandate on school districts, nor do they impose any non-discretionary costs or savings on them.

WHEREAS, the Board has determined that the regulations do place a mandate on local agencies. The Board has determined that the regulations do not impose any non-discretionary costs or savings.

WHEREAS, the Board has determined that the proposed regulations will create no costs or savings to any state agency or to federal funding to the State.

WHEREAS, the Board has determined that the proposed regulations will have no significant adverse impact on housing costs. The Board has determined that the proposed regulations, rather than having an adverse economic impact, may provide economic relief to solid waste operations classified as small business, which might otherwise have the burden of obtaining a costly full solid waste facilities permit for solid waste facilities.

WHEREAS, the Board has determined that the adoption of the proposed regulations will not have a cost impact on private persons or enterprises. The simplified regulatory process should reduce costs for private persons or enterprises.

WHEREAS, the Board has determined that the proposed regulations will not have an adverse economic impact upon California businesses' ability to compete with out-of-state business.

WHEREAS, the Board has determined that the proposed regulatory action, rather than eliminating jobs, may positively affect the creation of jobs within the State of California. It may also positively stimulate the creation or expansion of new businesses within California because there may be an indeterminate savings resulting from the proposed simplified regulatory process.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby adopts the proposed regulations for Title 14, California Code of Regulations, Division 7, Chapter 5, Article 3.0, Sections 18100 through 18105.11; and

BE IT FURTHER RESOLVED that the Board directs staff to submit the regulations to the Office of Administrative Law for review and approval.

Certification

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the forgoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on November 16, 1994.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-371**

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING
ELEMENT FOR THE CITY OF GARDENA**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

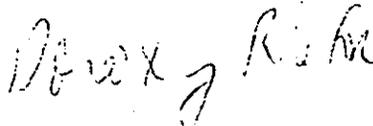

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Elements for the City of Gardena.

CERTIFICATION

**FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE
ELEMENT FOR THE CITY OF LAWNSDALE**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The City of Lawnsdale drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The City of Lawnsdale submitted their final HHWE to the Board for approval which was deemed complete on August 12, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the City of Lawnsdale.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-389**

FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT FOR THE CITIES OF AMADOR CITY, IONE, JACKSON, PLYMOUTH, SUTTER CREEK, AND THE UNINCORPORATED AREA OF AMADOR COUNTY.

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the Cities of Amador City, Ione, Jackson, Plymouth, Sutter Creek, and the unincorporated area of Amador County. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

RESOLUTION # 94-390**

FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE ELEMENT FOR THE CITIES OF AMADOR CITY, IONE, JACKSON, PLYMOUTH, SUTTER CREEK, AND THE UNINCORPORATED AREA OF AMADOR COUNTY.

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41510 requires that each county draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the unincorporated area of the county; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The Cities and County drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The Cities and County submitted their final HHWE to the Board for approval, which was deemed complete on September 23, 1994, and the Board has 120 days to review and approve or disapprove of the Element; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the Household Hazardous Waste Element for the Cities of Amador City, Ione, Jackson, Plymouth, Sutter Creek, and the unincorporated area of Amador County.

Resolution 94-393
October 27, 1994**

CONSIDERATION OF APPROVAL OF A NEGATIVE DECLARATION FOR THE ADOPTION OF DISPOSAL REPORTING REGULATIONS (CALIFORNIA CODE OF REGULATIONS, TITLE 14, DIVISION 7, CHAPTER 9, ARTICLE 9.0, SECTIONS 18800 - 18813).

WHEREAS, the minimum standards set in the disposal reporting system regulations will affect approximately 7% of the operating days at solid waste facilities (1 week per quarter), many jurisdiction requirements and facility practices currently exceed the minimum standards, and meeting the minimum standards will not have a significant effect on the environment; and

WHEREAS, the California Environmental Quality Act (Public Resources Code Section 21000 et. seq.), and State CEQA Guidelines, Section 15074 (b) requires that prior to approval of a proposed project, the decision-making body of the Board, as Lead Agency, shall consider the proposed Negative Declaration for the adoption of proposed revisions to existing Board permitting and enforcement regulations, and for new regulations, together with any comments received during the public review process. The decision-making body shall approve the Negative Declaration if it finds on the basis of the Initial Study and any comments received that there is no substantial evidence that the project will have a significant effect on the environment; and

WHEREAS, the Board has reviewed the proposed Negative Declaration together with all comments received during the state agency review period assigned by the State Clearinghouse and public review period announced in three newspapers of general circulation throughout the State of California as required by the State CEQA Guidelines, Section 15072(a); and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby deems the proposed Negative Declaration complete.

BE IT FURTHER RESOLVED that the Board has determined that the project as proposed will not have a significant adverse effect on the environment.

BE IT FURTHER RESOLVED that the Board adopts the Negative Declaration, State Clearinghouse Number 94082040.

BE IT FURTHER RESOLVED that the Board directs staff to prepare and submit a Notice of Determination of the project to the State Clearinghouse for filing as required by the State CEQA Guidelines, Sections 15075.

Resolution 94-394
October 27, 1994

FOR CONSIDERATION OF APPROVAL OF DISPOSAL REPORTING REGULATIONS (CALIFORNIA CODE OF REGULATIONS, TITLE 14, DIVISION 7, CHAPTER 9, ARTICLE 9.0, SECTIONS 18800 THROUGH 18813).

WHEREAS, Public Resources Code Section 40502 requires the Board to adopt regulations to carry out the mandates of solid waste management and Section 41821.5 mandates the development of a disposal reporting system; and

WHEREAS, formal notice of rulemaking activity was published on August 19, 1994, the 45-day public comment period has passed, and the Board held public hearings on October 3, 1994 and October 5, 1994 to consider public comments on the proposed regulations pertaining to disposal reporting systems; and

WHEREAS, the Board held a 15-day public comment period on substantially related changes to the proposed regulations which ended October 24, 1994; and

WHEREAS, the Board held public hearings on October 20, 1994 and October 27, 1994 to consider additional public comments and consider adoption of the proposed regulations; and

WHEREAS, the Board has taken these comments under consideration; and

WHEREAS, since the Board has fulfilled all of the requirements of Government Code Sections 11340 et seq.; and Title 1, California Code of Regulations Section 1 et seq.; and

WHEREAS, the Board has maintained a rulemaking file which shall be deemed to be the record for the rulemaking proceedings pursuant to the Government Code Section 11347.3; and

WHEREAS, the Board finds that no alternatives considered would be more effective in carrying out the purposes for which this action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action; and

WHEREAS, the Board finds that the above mentioned regulations are necessary for the protection of the public health and safety and the environment.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby adopts the disposal reporting system regulations for codification in Title 14 of the California Code of Regulations, Division 7, Chapter 9, Article 9.0, and directs staff to submit the regulations and rulemaking file to the Office of Administrative Law.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-396**

**FOR THE REDUCTION OF DIVERSION REQUIREMENTS
FOR THE COUNTY OF MODOC**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code (PRC) Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780, if a city or county can demonstrate that achievement of the requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations (CCR), Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in the planning and diversion requirements and specifies the information which must be provided in support of a petition; and

WHEREAS, the Board received a Petition for Reduction in the diversion requirements from the County of Modoc; and

WHEREAS, the County of Modoc qualifies based on population density, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board finds that the request for a reduction in planning and diversion requirements to allow the County of Modoc to achieve 12.4% by 1995 and 36.8% by 2000 is reasonable; and

WHEREAS, the County has complied with PRC Section 41782, and Title 14 of the CCR, Section 18775; and

WHEREAS, the Board's Local Assistance and Planning Committee approved staff's recommendation to allow the County of Modoc to achieve 12.4% by 1995 and 36.8% by 2000;

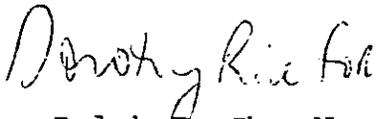

THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in planning and diversion requirements for the County of Modoc to achieve 12.4% by 1995 and 36.8% by 2000; and

BE IT FURTHER RESOLVED, that if the County SRRE has not been locally adopted and submitted to the Board by the deadline set in statute; or, if the County and the City SRRE is not approved by the Board pursuant to the provisions of Chapter 7, Part 2, of Division 30 of the Public Resources Code (commencing with Section 41800), then the diversion reductions granted above shall be deemed revoked.

**FOR THE REDUCTION OF PLANNING
REQUIREMENTS FOR THE CITY OF PORTOLA**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code (PRC) Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780, if a city or county can demonstrate that achievement of the requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations (CCR), Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in the planning and diversion requirements and specifies the information which must be provided in support of a petition; and

WHEREAS, the Board received a Petition for Reduction in the planning requirements from the City of Portola; and

WHEREAS, the City of Portola qualifies based on geographic size, population density, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board finds that the request for reduction in planning requirements to allow the City of Portola to use an alternate format is reasonable; and

WHEREAS, the City has complied with PRC Section 41782, and Title 14 of the CCR, Section 18775;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in planning requirements for the City of Portola.

BE IT FURTHER RESOLVED, that if the City SRRE has not been locally adopted and submitted to the Board by the deadline set in statute; or, if the City SRRE is not approved by the Board pursuant to the provisions of Chapter 7, Part 2, of Division 30 of the Public Resources Code (commencing with Section 41800), then the planning reductions granted above shall be deemed revoked.

Executive Director

California Integrated Waste Management Board
Permit Decision No. 94-399(b)

WHEREAS, the Puente Hills Sanitary Landfill is operated by the Sanitation Districts of Los Angeles County as a Class III landfill for the handling and disposal of nonhazardous solid waste; and

WHEREAS, Conditional Use Permit (CUP) Case No. 2235-(1) issued by the County of Los Angeles in October 1983 to govern operational conditions at the landfill expired on November 1, 1993; and

WHEREAS, the Sanitation Districts have, ever since November 1, 1993, been operating the landfill under the operating conditions specified by a new CUP, No. 92-250(4), which were incorporated into the current Solid Waste Facility Permit that was concurred in by the CIWMB on September 22, 1993; and

WHEREAS, on November 25, 1992, the Sanitation Districts Board of Directors certified a Final Environmental Impact Report (EIR) and approved a proposal to expand the landfill; and

WHEREAS, the County, on July 20, 1993, adopted CUP, Case No. 92-250-(4) for the proposed expansion, allowing the placement of approximately 38 million tons of refuse over the existing work areas and a portion of the eastern canyons, with limits, for an additional ten years past November 1, 1993 or the exhaustion of capacity in an approved fill plan, whichever comes first; and

WHEREAS, subsequent to these actions, litigation challenging the Sanitation Districts' Certification of the EIR for the landfill expansion and construction of a proposed Materials Recovery Facility (MRF) adjacent to the landfill was filed in the Los Angeles County Superior Court (Court); and

WHEREAS, in September 1993, the Court issued a writ of mandate remanding the water quality discussions of the EIR to the Sanitation District' Board of Directors for consideration of further information, and to provide an environmental analysis of a waste-by-rail system and intermodal facilities which might relate the proposed materials recovery facility; and

WHEREAS, with the exception of these two issues, the court found that the EIR was adequately prepared; and

WHEREAS, on October 26, 1993, the court issued an additional order which provided for continued operations at the Puente Hills Landfill pending completion of further proceedings under CEQA, in accordance with the court's rulings; and

WHEREAS, Board staff reviewed the Final EIR and Supplemental EIR on water quality issues and provided comments to the Sanitation Districts on August 27, 1992 and January 15, 1994, respectively; and

WHEREAS, the Sanitation Districts considered the comments and prepared and submitted adequate responses to the comments on the Final EIR and the Supplemental EIR; and

WHEREAS, on March 23, 1994, the Sanitation District Board of Directors approved the final Supplemental EIR on water quality issues, and reapproved the Puente Hills Landfill expansion project; and

WHEREAS, Notice of Determination was filed by the Sanitation Districts with the County Clerk on March 24, 1994; and

WHEREAS, on June 20, 1994, the Superior Court determined that the Sanitation Districts had complied with CEQA and the court's ruling for the Puente Hills Landfill with regard to the Supplemental EIR on water quality, allowing the landfill permitting project to go forward; and

WHEREAS, the Los Angeles County Board of Supervisors reapproved the 10-year CUP for the expansion of the Puente Hills Landfill on August 30, 1994; and

WHEREAS, the Sanitation Districts submitted an application for permit revision to the Local Enforcement Agency (LEA) to allow the continuation of disposal operations beyond November 1, 1993 at the current working area; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, consistency with the County General Plan, and compliance with the California Environmental Quality Act.

NOW, THEREFORE, BE IT RESOLVED that the California Integrated Waste Management Board concurs in the issuance of Solid Waste Facilities Permit No. 19-AA-0053.

California Integrated Waste Management Board
Permit Decision No. 94-401
December 14, 1994

WHEREAS, the El Dorado County Building Department, acting as the Local Enforcement Agency, has submitted to the Board, on November 15, 1994, for its review and concurrence in, or objection to a revised Solid Waste Facilities Permit for the Union Mine Disposal Site, and on November 22, 1994, submitted an amended proposed permit; and

WHEREAS, the El Dorado County Planning Department, the lead agency for CEQA review, prepared an Environmental Impact Report for the proposed project and Board staff reviewed the Environmental Impact Report and provided comments to the El Dorado County Planning Department on September 19, 1991; and the proposed project will have a significant effect on the environment; and mitigation measures were adopted for the proposed project; and the El Dorado County Planning Department adopted a Statement of Overriding Considerations; and the El Dorado County Planning Department filed a Notice of Determination with the County Clerk on April 27, 1992; and an Addendum citing the Final Environmental Impact Report was certified by the El Dorado County Board of Supervisors on May 10, 1994; and

WHEREAS, on May 6, 1991, the LEA issued a Notice and Stipulated Order of Compliance (N&O) to the operator of this facility for violations of Public Resources Code (PRC) Section 44004, significant change in the design and operation of the facility, and issuance of a revised permit for this facility will correct all of the violations listed in the N&O; and

WHEREAS, this site has had a history of leachate violations that resulted in the LEA issuing a Notice and Order in December of 1992; in May of 1993 the LEA determined the operator had taken steps to eliminate the off site discharge of leachate and rescinded the Notice and Order; the operator has taken a number of steps, which are included in the proposed permit and Report of Disposal Site Information, that will prevent the off site discharge of leachate in the future; and

WHEREAS, Board staff have evaluated the proposed permit for consistency with the standards adopted by the Board; and

WHEREAS, it was determined during an inspection by Board staff on November 22, 1994, that this facility was operating in compliance with State Minimum Standards for Solid Waste Handling and Disposal; and

WHEREAS, the project description in the CEQA document is consistent with the proposed permit; and

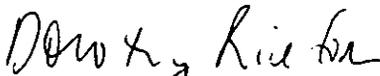

WHEREAS, the Board finds that all state and local requirements for the proposed permit have been met, including consistency with Board standards, conformance with the County Solid Waste Management Plan, and consistency with the General Plan.

Resolution 94-402 (a)

Consideration of Approval of a Negative Declaration
for the Adoption of Regulatory Tier Regulations
(California Code of Regulations, Title 14, Division 7,
Chapter 5, Article 3.0, Sections 18100 - 18105.11).

WHEREAS, the minimum standards set in the Regulatory Tier regulations will not have a significant effect on the environment; and

WHEREAS, the California Environmental Quality Act (Public Resources Code Section 21000 et. seq.), and State CEQA Guidelines, Section 15074 (b) requires that prior to approval of a proposed project, the decision-making body of the Board, as Lead Agency, shall consider the proposed Negative Declaration for the adoption of proposed revisions to existing Board permitting and enforcement regulations, and for new regulations, together with any comments received during the public review process. The decision-making body shall approve the Negative Declaration if it finds on the basis of the Initial Study and any comments received that there is no substantial evidence that the project will have a significant effect on the environment; and

WHEREAS, the Board has reviewed the proposed Negative Declaration together with all comments received during the state agency review period assigned by the State Clearinghouse and public review period announced in two newspapers of general circulation throughout the State of California as required by the State CEQA Guidelines, Section 15072(a); and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby deems the proposed Negative Declaration complete.

BE IT FURTHER RESOLVED that the Board has determined that the project as proposed will not have a significant adverse effect on the environment.

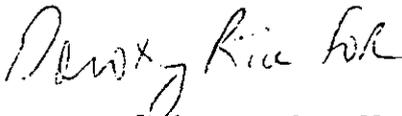

BE IT FURTHER RESOLVED that the Board adopts the Negative Declaration, State Clearinghouse Number 94103012.

BE IT FURTHER RESOLVED that the Board directs staff to prepare and submit a Notice of Determination of the project to the State Clearinghouse for filing as required by the State CEQA Guidelines, Sections 15075.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on November 16, 1994.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION # 94-402 (b)

**FOR APPROVAL OF CLEANUP OF SIX SITES UNDER THE SOLID WASTE DISPOSAL
AND CODISPOSAL SITE CLEANUP PROGRAM - AB 2136**

WHEREAS, Public Resources Code (PRC) Sections 48020 et seq. provide for implementation of the Solid Waste Disposal and Codisposal Site Cleanup Program; and

WHEREAS, the Board has approved guidelines and policies for this program to cleanup sites.

NOW THEREFORE, BE IT RESOLVED that the Board approves two sites (Jamacha Landfill and Valley Center Landfill) for immediate funding for cleanups under the Solid Waste Disposal and Codisposal Site Cleanup Program. Jamacha Landfill matching grant is for \$425,000 and the Valley Center matching grant is for \$325,000. The Board approves the third site, Graniteville Glory Hole Site for funding of \$400,000, contingent on the construction of a transfer station or provision by the County of other alternatives for disposal in the vicinity of the site. The Board directs staff to implement remediation measures and to encumber the funding for the cleanup of these sites.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on December 14, 1994.

California Integrated Waste Management Board
Resolution 94-403

Adoption of the
California Tire Recycling Management Fund
FY 1994-95 Policy

WHEREAS, the State of California is faced with an annual inventory of at least 29 million tires, posing a health and safety risk to all Californians; and

WHEREAS, the State of California is faced with an ever decreasing amount of landfill capacity; and

WHEREAS, the Tire Recycling Act (Public Resources Code [PRC] 42800 et. seq.) requires the reduction of the landfill disposal and stockpiling of used whole tires by 25 percent within four years of full implementation of a statewide tire recycling program and to recycle and reclaim used tires and used tire components to the greatest extent possible in order to recover valuable natural resources; and

WHEREAS, PRC Section 42871(a) requires the California Integrated Waste Management Board (hereinafter referred to as the "Board") to maintain a tire recycling program which promotes and develops alternatives to the landfill disposal and stockpiling of used whole tires; and

WHEREAS, it is the intent of the Legislature for the Board to permit waste tire stockpiles, develop standards for the storage of waste tires, and to take enforcement action; and

WHEREAS, the tire recycling program may include the awarding of grants and loans to businesses, other enterprises, and public entities involved in research aimed at developing technologies or improving current activities and applications that result in reduced landfill disposal of used whole tires; and

WHEREAS, because there are limited funds available this FY, the Board intends to limit types of projects eligible for funding; and

WHEREAS, the Grants and Research Branch of the Markets, Research, and Technology Division compiled and coordinated staff recommendations for the FY 1994-95 Fund allocations; and

WHEREAS, the Board approved a new process for awarding grants on July 17, 1994; and

WHEREAS, the Board intends to reallocate the spending authority of the Fund each year.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby adopts the reallocation of \$357,023 from State Operations to be used for grants for Local Government Programs; and

BE IT FURTHER RESOLVED that the Board hereby directs staff to issue a solicitation for grant and contract applications; and

BE IT FURTHER RESOLVED that the Board directs staff to establish a review committee to evaluate grant proposals by both the General Criteria and the Category-Specific Criteria; and

BE IT FURTHER RESOLVED that any funds from this program that are repaid to the Board by grant, loan, or contract recipients, will be repaid to the California Tire Recycling Management Fund.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-404

FOR CONSIDERATION OF APPROVAL OF THE MULTI-JURISDICTIONAL NONDISPOSAL FACILITY ELEMENT FOR THE CITY OF FOSTER CITY, SAN MATEO COUNTY.

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the City of Foster City. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

**FOR CONSIDERATION OF APPROVAL OF THE SOURCE REDUCTION AND RECYCLING
ELEMENT FOR THE CITY OF LA HABRA HEIGHTS**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the city will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, Board staff found that all of the foregoing requirements have been satisfied and the SRRE substantially complies with PRC Section 41000, et seq. and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Source Reduction and Recycling Element for the City of La Habra Heights.

FOR CONSIDERATION OF APPROVAL OF THE MULTI-JURISDICTIONAL HOUSEHOLD HAZARDOUS WASTE ELEMENT FOR THE COUNTY OF MARIN AND THE CITIES OF VELVEDERE, CORTE MADERA, FAIRFAX, LARKSPUR, MILL VALLEY, NOVATO, ROSS, SAN ANSELMO, SAN RAFAEL, SAUSALITO, AND TIBURON

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. , describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41510 requires that each county draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the unincorporated area of the county; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, The County of Marin and the Cities of Belvedere, Corte Madera, Fairfax, Larkspur, Mill Valley, Novato, Ross, San Anselmo, San Rafael, Sausalito and Tiburon drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, The County of Marin and the Cities of Belvedere, Corte Madera, Fairfax, Larkspur, Mill Valley, Novato, Ross, San Anselmo, San Rafael, Sausalito and Tiburon submitted their final HHWE to the Board for approval which was deemed complete on September 21, 1994, and the Board has 120 days to review and approve or disapprove of the Element, and

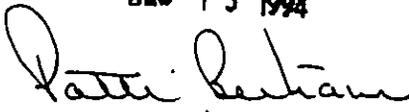

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Household Hazardous Waste Element for the Unincorporated Area of Marin County and the Cities of Belvedere, Corte Madera, Fairfax, Larkspur, Mill Valley, Novato, Ross, San Anselmo, San Rafael, Sausalito and Tiburon.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-416

FOR CONSIDERATION OF CONDITIONAL APPROVAL OF THE MULTI-JURISDICTIONAL SRRE FOR THE COUNTY OF MARIN AND THE CITIES OF BELVEDERE, CORTE MADERA, FAIRFAX, LARKSPUR, MILL VALLEY, NOVATO, ROSS, SAN ANSELMO, SAN RAFAEL, SAUSALITO, TIBURON, MARIN COUNTY

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41301 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, PRC Section 41001 requires that a City SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County and Cities' SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and Cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the Multi-Jurisdictional SRRE, Board staff found that many of the regulatory requirements have not been satisfied and the SRRE does not substantially comply with PRC Section 41000, et seq. because of inadequacies identified in the Special Waste and Disposal Capacity Components; and

WHEREAS, based on review of the Multi-Jurisdictional SRRE, Board staff found inconsistencies between text and tables; unclear objectives; lack of clear criteria for waste category prioritization; insufficient program cost information; insufficient monitoring and evaluation information; limited market development information and insufficient funding information; and

WHEREAS, 14 CCR Section 18785 provides that the Board may conditionally approve SRREs, and Board staff recommends that the Multi-Jurisdictional SRRE for the County of Marin and the Cities of Belvedere, Corte Madera, Fairfax, Larkspur, Mill Valley, Novato, Ross, San Anselmo, San Rafael, Sausalito, and Tiburon be conditionally approved; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby conditionally approves the Multi-Jurisdictional Source Reduction and Recycling Element for the County of Marin and the Cities of Belvedere, Corte Madera, Fairfax, Larkspur, Mill Valley, Novato, Ross, San Anselmo, San Rafael, Sausalito, and Tiburon. As a condition, the cities of Belvedere and Ross, must provide further information in their first Annual Report to describe expansion of existing programs or additional programs that will be implemented to reach the 50% mandated goal. In addition, the County and the Cities must update the information identified as inadequate or insufficient and submit this information to the Board in the first Annual Report.

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41300 requires that each county prepare and adopt a SRRE which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41301 requires that the County's SRRE include a program for the management of solid waste generated within the County, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the County's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the County and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, during review of the SRRE, Board staff found that there was insufficient documentation to claim diversion for restricted waste types specified in PRC 41781.2 and subsequently adjusted the base year diversion claims and projected diversion levels, as called for in PRC 41801.5; and

WHEREAS, this adjustment resulted in the aforementioned jurisdiction's diversion projections to be 42.1%, which falls short of the year 2000 mandate of 50% diversion; and

WHEREAS, the document does not describe the medium-term planning period implementation schedule in each component; does not include the evaluation of alternatives section in the Special Waste Component; does not include the required discussion in the monitoring and evaluation section in the Special Waste Component; does not present any estimated revenue projection figures to offset the costs of program development, planning, and implementation; and does not include sufficient contingency funding sources; and

WHEREAS, based on the above, Board staff recommends disapproval of Unincorporated Sacramento County's Source Reduction and Recycling Element.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby disapproves the Source Reduction and Recycling Element for Unincorporated Sacramento County and directs staff to draft a Notice of Deficiency to the jurisdiction. The notice will identify the measures to be taken to rectify the deficiencies and a timeframe for doing so.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-418

FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT FOR THE UNINCORPORATED AREA OF SACRAMENTO COUNTY

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city and county prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the Nondisposal Facility Element for the Unincorporated Area of Sacramento County. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

FOR CONSIDERATION OF DISAPPROVAL OF THE SOURCE REDUCTION AND RECYCLING ELEMENT FOR THE CITY OF PORT HUENEME, VENTURA COUNTY

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41000 requires that each city prepare and adopt a Source Reduction and Recycling Element (SRRE) which includes all of the components specified; and

WHEREAS, California Code of Regulations Title 14, Section 18767 requires that jurisdictions ensure their SRRE has complied with the California Environmental Quality Act and provides a Notice of Determination from the State Clearinghouse as required; and

WHEREAS, PRC Section 41001 requires that the City's SRRE include a program for the management of solid waste generated within the City, consistent with the waste management hierarchy provided in PRC Section 40051; and

WHEREAS, the City's SRRE shall place emphasis on implementation of all feasible source reduction, recycling, and composting programs while identifying the amount of landfill and transformation capacity that will be needed for solid waste which cannot be reduced at the source, recycled, or composted; and

WHEREAS, PRC Section 41780 and its implementing regulations require that the SRRE show how the City and cities will achieve the diversion goals of 25% by 1995, and 50% by 2000; and

WHEREAS, based on review of the City's SRRE, Board staff found that there was insufficient documentation to claim diversion for excluded waste types specified in PRC Section 41781.2 and subsequently adjusted the base year diversion claims and projected diversion levels, as called for in PRC Section 41801.5; and

WHEREAS, this adjustment resulted in the aforementioned jurisdiction's diversion projections to fall short of the mandated diversion goals; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby disapproves the SRRE for the City of Port Hueneme due to the adjusted projection levels falling short of the mandated diversion goals, and directs staff to send a Notice of Deficiency which identifies the measures to be taken to rectify the discrepancies and details a timeline for doing so.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on December 14, 1994.

**FOR CONSIDERATION OF APPROVAL OF THE HOUSEHOLD HAZARDOUS WASTE
ELEMENT FOR THE CITY OF PORT HUENEME, VENTURA COUNTY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities and counties when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41500 requires that each city draft and locally adopt a Household Hazardous Waste Element (HHWE) which identifies a program for the safe collection, recycling, treatment, and disposal of household hazardous waste for the city; and

WHEREAS, California Code of Regulations (CCR) Title 14, Section 18767 requires that each jurisdiction ensure that the California Environmental Quality Act has been complied with prior to adopting a HHWE; and

WHEREAS, the City of Port Hueneme drafted and adopted their final HHWE in accordance with statute and regulations; and

WHEREAS, the City of Port Hueneme submitted their final HHWE to the Board for approval which was deemed complete on September 23, 1994, and the Board has 120 days to review and approve or disapprove of the HHWE; and

WHEREAS, based on review of the HHWE, Board staff found that all of the foregoing requirements have been satisfied and that the HHWE substantially complies with PRC 41500, et seq., and recommends its approval;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approve the HHWE for the City of Port Hueneme.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION #94-436**

**FOR CONSIDERATION OF APPROVAL OF THE NONDISPOSAL FACILITY ELEMENT
FOR THE CITY OF PORT HUENEME, VENTURA COUNTY**

WHEREAS, Public Resources Code (PRC) Sections 40900 et seq. describe the requirements to be met by cities when developing and implementing integrated waste management plans; and

WHEREAS, PRC Section 41730 et seq. requires that each city prepare and adopt a Nondisposal Facility Element (NDFE) which includes a description of existing and new solid waste facilities, and the expansion of existing solid waste facilities, which will be needed to implement a jurisdiction's Source Reduction and Recycling Element (SRRE), to enable it to meet the requirements of Section 41780; and

WHEREAS, the NDFE may include the identification of specific locations or general areas for new solid waste facilities that will be needed to implement the SRRE; and

WHEREAS, based on review of the NDFE, Board staff found that all of the foregoing requirements have been satisfied and the NDFE substantially complies with PRC Section 41730, et seq., and recommends approval; and

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the NDFE for the City of Port Hueneme. Pursuant to Public Resources Code Section 41736, at the first revision of the SRRE, the NDFE should be incorporated with the SRRE to become one document which may be modified, as necessary, to accurately reflect the existing and planned nondisposal facilities which will be used by a jurisdiction.

RESOLUTION # 94-437**

**FOR THE REDUCTION OF DIVERSION
REQUIREMENTS FOR THE CITY OF COLUSA**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code (PRC) Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780, if a city or county can demonstrate that achievement of the requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations (CCR), Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in the planning and diversion requirements and specifies the information which must be provided in support of a petition; and

WHEREAS, the Board received a Petition for Reduction in the diversion requirements from the City of Colusa; and

WHEREAS, the City of Colusa qualifies based on geographic size, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board finds that the request for reduction in diversion requirements to allow the City of Colusa to achieve a 18 percent level of waste diversion by January 1, 1995 is reasonable; and

WHEREAS, the City has complied with PRC Section 41782, and Title 14 of the CCR, Section 18775; and

WHEREAS, the Board's Local Assistance and Planning Committee approved staff's recommendation to allow the City of Colusa to reduce its short term diversion requirement from 25 percent to 18 percent;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in diversion requirements for the City of Colusa to 18 percent for January 1, 1995.

BE IT FURTHER RESOLVED, that if the City SRRE has not been locally adopted and submitted to the Board within six months of the granting of this petition; or, if the City SRRE is not approved by the Board pursuant to the provisions of Chapter 7, Part 2, of Division 30 of the Public Resources Code (commencing with Section 41800), then the diversion reductions granted above shall be deemed revoked.

December 14, 1994

Resolution 94-447

Adoption of the Negative Declaration for California Environmental Quality Act (CEQA) Compliance and the revised regulations for Recycled Content Plastic Trash Bags, Title 14 California Code of Regulations, Division 7, Chapter 4, Article 5.

WHEREAS, formal notice of rulemaking activity was published on August 26, 1994 in California Regulatory Notice Register 94, No. 34-Z, the 45-day public comment period has passed and the Board held a public workshop to consider the adoption of regulatory revisions on September 22, 1994; and

WHEREAS, the Board has taken the public comments received under consideration; and

WHEREAS, the Board finds, pursuant to Government Code Sections 11346.14 and 11346.7, that this regulation is necessary, and that no alternatives considered would be as effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action; and

WHEREAS, the Board finds, in accordance with Government Code sections 11346.5(a)(5) and 11346.7, that the adoption of the proposed regulations does not impose a mandate on local agencies or school districts and does not impose costs on local agencies or school districts that are required to be reimbursed under Part 7 (commencing with section 17500) of Division 4 of the Government Code; and

WHEREAS, the Board finds, in accordance with Government Code section 11346.5(a)(6), that the proposed regulations will not create a costs or savings to any state agency or to federal funding to the State; and

WHEREAS, the Board finds, pursuant to Government Code section 11346.53, that the adoption of the proposed regulations will not have a significant adverse economic impact on businesses, including the ability of California businesses to compete with businesses in other states, and that no costs to businesses or persons will be created by the adoption of the proposed regulations; and

WHEREAS, the Board finds, pursuant to Government Code section 11343.2, that the adoption of the proposed regulations will not affect small businesses in the State; and

WHEREAS, the Board finds, in accordance with Government Code section 11346.54, that the proposed regulatory action will not affect the creation or elimination of jobs within the State of California, the creation of new businesses or the elimination of existing businesses within California, nor the expansion of businesses currently doing business within the State; and

WHEREAS, since the Board has fulfilled all of the requirements of Government Code Sections 11343, 11346.1, 11346.14, 11346.4, 11346.5, 11346.53, 11346.7, 11346.8, and 11347.3; and Title 1 California Code of Regulations Section 20; and

WHEREAS, the Board has maintained a rulemaking file which shall be deemed to be the record for the rulemaking proceedings pursuant to Government Code Section 11347.3; and

WHEREAS, the California Environmental Quality Act (Public Resources Code Section 21000 et. seq.), and State CEQA Guidelines, Section 15074 (b) require that, prior to approval of a proposed project, the Board, as Lead Agency, shall first consider the potential significant adverse environmental impacts associated with the project; and

WHEREAS, a Negative Declaration for the adoption of proposed revisions to existing Board Recycled Content Plastic Trash Bag regulations was prepared, and the Board, as decision-making body, shall approve the Negative Declaration if it finds on the basis of the Initial Study and any comments received that there is no substantial evidence that the project will have a significant effect on the environment; and

WHEREAS, the Board has reviewed all comments received during the state agency review period assigned by the State Clearinghouse and public review period announced in a newspaper of general circulation throughout the State of California as required by the State CEQA Guidelines, Section 15072(a).

NOW, THEREFORE, BE IT RESOLVED that the Board hereby deems the proposed Negative Declaration complete.

BE IT FURTHER RESOLVED that the Board has determined that the project as proposed will not have a significant effect on the environment.

BE IT FURTHER RESOLVED that the Board adopts the Negative Declaration, State Clearinghouse Number 94021042.

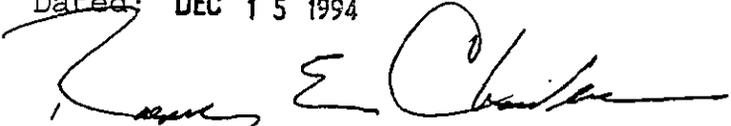

BE IT FURTHER RESOLVED that the Board directs staff to prepare and submit a Notice of Determination for the project to the State Clearinghouse for filing as required by the State CEQA Guidelines, Sections 15075.

BE IT FURTHER RESOLVED that the Board hereby adopts the revised recycled content plastic trash bag regulations to be codified in Chapter 4, of Title 14 of the California Code of Regulations, and directs staff to submit the regulations and rulemaking file to the Office of Administrative Law for review and filing with the Secretary of State.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION 94-449
APPROVAL OF LOANS FOR THE FOURTH QUARTER OF 1994 FROM
THE RECYCLING MARKET
DEVELOPMENT ZONE REVOLVING LOAN FUND

WHEREAS, the Board is authorized to make loans to recycling businesses using postconsumer or secondary waste materials located in designated Recycling Market Development Zones from its Recycling Market Development Revolving Loan Account;

WHEREAS, Board staff solicited applications for loans July 9, 1994 through October 6, 1994;

WHEREAS, Board staff has determined that nine (9) applicants are eligible for consideration of loan funding and has recommended to the Loan Committee the approval and authorization of loans to the eligible applicants;

WHEREAS, the Loan Committee has considered the credit-worthiness of the eligible applicants and has recommended to the Market Development Committee the approval and authorization of loans to the eligible applicants;

WHEREAS, the Market Development Committee has considered the extent to which the eligible applicants meet the goals of the Recycling Market Development Zone Loan Program and has recommended to the Board the approval and authorization of loans to the eligible applicants;

NOW, THEREFORE, BE IT RESOLVED, that in accordance with the recommendations of the Board staff, the Loan Committee and the Market Development Committee, the Board hereby approves the funding of the following loans in the following original principal amount as set forth next to the borrower's name, subject however, to the terms and conditions contained in the loan agreement to be prepared by Board staff for the loan in accordance with applicable regulations, and on such terms and conditions as the Board or its duly authorized staff representative in its or their sole discretion deems necessary or advisable:

	<u>BORROWER</u>	<u>AMOUNT</u>
1.	Hi Life Products, Inc.	\$1,000,000
2.	American Soil Products, Inc.	\$230,000
3.	California Grey Bears, Inc.	\$48,000
4.	Encore Ribbon, Inc.	\$50,000
5.	Exclusively Buff, Inc.	\$225,000
6.	Valley Rock Products, dba ReCon	\$300,000
7.	Simi Valley Base, Inc.	\$125,000
8.	M&F Metals, dba Markovits & Fox	\$1,000,000
9.	Oceanside Glasstile Company	\$76,000

RESOLVED FURTHER, that the Board, the Executive Director, its authorized representative, or the Executive Director's designee, be and each hereby is, authorized to do and perform any and all such acts, including execution of the loan agreements to be prepared by Board staff and all other documents or certificates as the Board or its authorized representative in its or their sole discretion deem necessary or advisable to carry out the purposes of the foregoing resolution.

RESOLVED FURTHER, that any actions taken by the Board or the Executive Director, its authorized representative, or the Executive Director's designee prior to the date of the adoption of the foregoing resolutions that are within the authority conferred by those resolutions, are hereby ratified, confirmed and approved as the acts and deeds of the Board.

**CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD
RESOLUTION # 94-450**

**FOR THE REDUCTION OF DIVERSION
REQUIREMENTS FOR THE CITY OF COLUSA**

Title 14, Division 7, Chapter 9, Section 18775

WHEREAS, Public Resources Code (PRC) Section 41782 allows reductions in the diversion and planning requirements specified in Public Resources Code Section 41780, if a city or county can demonstrate that achievement of the requirements is not feasible due to geographical size or low population density, and small waste generation rates; and

WHEREAS, Title 14 of the California Code of Regulations (CCR), Section 18775 allows for qualifying jurisdictions to petition the Board for reductions in the planning and diversion requirements and specifies the information which must be provided in support of a petition; and

WHEREAS, the Board received a Petition for Reduction in the diversion requirements from the City of Colusa; and

WHEREAS, the City of Colusa qualifies based on geographic size, and small waste generation rates to petition the Board for specified reductions; and

WHEREAS, the Board finds that the request for reduction in diversion requirements to allow the City of Colusa to achieve a 18 percent level of waste diversion by January 1, 1995 is reasonable; and

WHEREAS, the City has complied with PRC Section 41782, and Title 14 of the CCR, Section 18775; and

WHEREAS, the Board's Local Assistance and Planning Committee approved staff's recommendation to allow the City of Colusa to reduce its short term diversion requirement from 25 percent to 18 percent;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby grants the reduction in diversion requirements for the City of Colusa to 18 percent for January 1, 1995.

BE IT FURTHER RESOLVED, that if the City SRRE has not been locally adopted and submitted to the Board within six months of the granting of this petition; or, if the City SRRE is not approved by the Board pursuant to the provisions of Chapter 7, Part 2, of Division 30 of the Public Resources Code (commencing with Section 41800), then the diversion reductions granted above shall be deemed revoked.

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted by the California Integrated Waste Management Board on December 14, 1994.

CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD

RESOLUTION #94-451

**FOR APPROVAL OF THE REPORT TO THE LEGISLATURE:
"A REVIEW AND ASSESSMENT OF EXISTING CLOSURE AND POSTCLOSURE
MAINTENANCE REQUIREMENTS FOR CLASS III LANDFILLS IN
COUNTIES WITH POPULATIONS OF 200,000 OR LESS"**

WHEREAS, Assembly Bill 337 requires a report to be prepared for the Legislature pursuant to Public Resources Code, Section 43501.5, and,

WHEREAS, the Board has approved the report for transmittal to the Legislature;

NOW THEREFORE, BE IT RESOLVED that the Board directs the Executive Director to forward to the Legislature a copy of the report entitled: "A REVIEW AND ASSESSMENT OF EXISTING CLOSURE AND POSTCLOSURE MAINTENANCE REQUIREMENTS FOR CLASS III LANDFILLS IN COUNTIES WITH POPULATIONS OF 200,000 OR LESS."

CERTIFICATION

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on December 14, 1994.

**California Integrated Waste Management Board
Resolution 94-453
November 16, 1994**

Adoption of Regulations
Relating to the Used Oil Recycling Program,
Title 14, California Code of Regulations,
Division 7, Chapter 8, Sections 18601 through 18655.6.

WHEREAS, the Office of Administrative Law approved the rulemaking file for the subject regulations on May 6, 1994; and

WHEREAS, the Board has taken all public comments under consideration; and

WHEREAS, the Board finds, pursuant to Government Code Sections 11346.14 and 11346.7, that this regulation is necessary, and that no alternatives considered would be as effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action; and

WHEREAS, the Board finds, that these regulations do not impose a mandate on local agencies or school districts pursuant to Government Code Section 11346.7; and

WHEREAS, the Board finds, in accordance with Government Code section 11346.5(a)(5), that the adoption of the proposed regulations does not impose a mandate on local agencies or school districts and does not impose costs on local agencies or school districts that are required to be reimbursed under Part 7 (commencing with section 17500) of Division 4 of the Government Code; and

WHEREAS, the Board finds, in accordance with Government Code section 11346.5(a)(6), that the proposed regulations will not create costs or savings to any state agency or to federal funding to the State; and

WHEREAS, the Board finds, pursuant to Government Code section 11346.53, that the adoption of the proposed regulations will not have a significant adverse economic impact on businesses, including the ability of California businesses to compete with businesses in other states, and that no costs to businesses or persons will be created by the adoption of the proposed regulations; and

WHEREAS, the Board finds, pursuant to Government Code section 11343.2, that the adoption of the proposed regulations will not affect small businesses in the State; and

WHEREAS, the Board finds, in accordance with Government Code section 11346.54, that the proposed regulatory action will not affect the creation or elimination of jobs within the State of California, the creation of new businesses or the elimination of existing businesses within California, nor the expansion of businesses currently doing business within the State.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby adopts the proposed permanent regulations: Title 14, California Code of Regulations, Division 7, Article 4, sections 18601 through 18655.6.

Certification

The undersigned Executive Director of the California Integrated Waste Management Board does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the California Integrated Waste Management Board held on November 16, /in Sacramento, California.
