NOTICE

To: Beverage Manufacturers and Distributors

Subject: BMDS Report and Pay on Behalf of Information Form

A registered beverage manufacturer and/or distributor (BMDS), as defined in the California Beverage Container Recycling and Litter Reduction Act (Act), may choose to enter into an agreement with another entity to have that entity report and pay on their behalf. This includes Beverage Manufacturer Reports (DR-4) and associated Processing Fees payments and Distributor Reports (DR-3) and associated CRV payments.

California Code of Regulations (regulations) Title 14, Division 2, Chapter 5, Sections 2230 (c) and (d), and 2300 (b) (c) were recently amended and became effective September 1, 2012. Pursuant to the revised regulations, a BMDS is required to provide CalRecycle with a listing of all entities that have an agreement to report and make payments on the BMDS's behalf. This list is due annually by June 30th. In order to assist you in meeting this requirement, a "*Report and Pay on Behalf of Information Form*" is attached to this Notice and has also been emailed to you in a Microsoft Excel format. Please return the completed form to CalRecycle by June 30, 2013 in one of the three ways below:
