WASTE WATCH

Recycling Section In Phone Book

Do You Have Hazardous Waste?

From Your Business

If your business generates less than 220 lbs. of hazardous waste per month...

Call (661) 862-8922

for an appointment or additional disposal information.

The Conditionally Exempt Small Quantity Generator (CESQG) Program provides a cost effective method for eligible businesses to dispose of hazardous waste at the County's Special Waste Facility.

This program is governed by the Kern County Waste Management Department and the CDFWG.

From Your Home

Don't Toss It!

Bring your household hazardous waste to the...

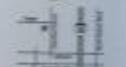

Kern County Special Waste Facility

- Automotive Products
- Antifreeze
- Automotive Products
- Automotive Oils
- Household Chemicals
- Household Appliances
- Household Paints
- Household Bleach
- Household Cleaners
- Household Medicines

Special Services
 Drop-off hours: 9 AM to 3 PM
 7 days a week

4801 Standard St.
 Bakersfield
 Monday, Tuesday & Saturday
 9 AM to 3 PM

Residential Waste Only. No Business Waste. No Flammables. No auto air conditioners are not building and air conditioning systems.

Approved by the County Waste Management Dept. and the CDFWG.

For more information call (661) 862-8922 or 800-852-KERN, option 6

For additional LOCATIONS and information, see page 16 of the Kern County Recycling Guide.

A NOTE FROM THE KERN COUNTY WASTE MANAGEMENT DEPARTMENT

This Recycling Guide is a product of the Kern County Waste Management Department. It is designed to provide Kern County residents with information on waste and recycling services available throughout the county.

Although it is our intent to provide you with a complete resource, we acknowledge that we may have inadvertently omitted a service provider. If you know of such information or services, please let us know. We will be pleased to include them in future editions.

This guide is for informational purposes only and should not be construed as a representation or endorsement by the Kern County Waste Management Department. The guide is not complete and subject to change. It is not intended to be used as a substitute for professional advice. It is not intended to be used as a substitute for professional advice. Components of the Kern County HWEP Summary

- Education
- Recycling
- SWF & Collection Events
- Load Check

Program Modifications Being Considered

- More thorough load checking of commercial vehicles.
- A site is being considered to evaluate the feasibility of a constant presence along with substantially more load checks.
- Confiscate rather than reject and charge for our trouble.
