Description of Project and LEA Preliminary Determination

The Olinda Alpha Landfill is a 565-acre existing landfill site. On February 5, 2010, the LEA accepted a Solid Waste Facility Permit (SWFP) revision application from OC Waste & Recycling. The applicant plans to implement lateral and vertical expansion of the waste disposal area within existing facility boundaries. As a result, facility closure will be postponed by 8 years (from 2013 to 2021).

Purpose of the Meeting

This informational meeting is for any interested parties to learn more about the proposed SWFP revision process and to provide input to the LEA regarding the proposed action. After this informational meeting, the proposed revised SWFP along with the application and any input received from this meeting will be submitted to the Department of Resources, Recycling and Recovery (CalRecycle).

Where to get additional information

A copy of the application is available for public review by appointment in the LEA office located at 1241 E. Dyer Road, Ste. 120, Santa Ana, CA 92705.

Options for Submitting Comments and LEA Contact Information

If you have any questions after reviewing the above information or would like to schedule an appointment to review the application package, please contact Kathryn Cross (714) 433-6270, kcross@ochca.com. If you would like to provide input on the proposed permit action, you may do so at the meeting or send your written input via email or fax (714-754-1768) to Kathryn Cross within 14 days of the date of this notice.

Appeals Process Information

For information on the appeals process pursuant to Public Resource Code §44307 after the decision to issue or deny the SWFP revision has occurred, you may contact Kathryn Cross at (714) 433-6270.
