RE: San Joaquin Recycling Market Development Zone Renewal Application

Dear Lisa:

For the past 10 years, the San Joaquin County Recycling Market Development Zone (RMDZ) has served the County of San Joaquin and the seven incorporated cities within the County boundary. This letter will serve as a request to the California Integrated Waste Management Board from San Joaquin County and its nine incorporated cities for the designation of the San Joaquin County RMDZ to be renewed for an additional 10 years.

The Zone Administrator is Frank Ferral, who is currently the Program and Public Policy Director for the Greater Stockton Chamber of Commerce, located at 445 West Webber Avenue, Suite 220, Stockton California 95203. His telephone number is (209) 547-2763.

Attached please find the San Joaquin RMDZ Renewal Application and its referenced attachments.

Thank you for your help throughout the renewal process. Please contact me if you have any questions or comments on this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Alison Hudson".
