**DATE LEA ACCEPTED
REQUEST:** May 9, 2013

The Riverside County Department of Environmental Health, Solid Waste Management Program, acting as the Local Enforcement Agency (LEA) is certified by the Department of Resources Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste sites within its jurisdiction. The Oasis Sanitary Landfill operates under a Solid Waste Facility Permit issued by the LEA. The operator has filed a request to extend operating days and to increase the daily tonnage for the period from April 29, 2013 to June 27, 2013, with the LEA. On May 9, 2013 the operator requested an additional increase in the tonnage for the duration of the project.

As required by 14 CCR, Section 17211.7, the LEA is distributing this notice for the purpose of noticing its acceptance of the stipulated agreement for the Oasis Sanitary Landfill.

Description of Project

The stipulated agreement addresses the following changes:

1. Extending the operating days from 2 days a week to 6 days a week (Monday through Saturday).
2. Raise the maximum tonnage per day (tpd) from 450 tpd to 2100 tpd.

LEA's Determination

A request for a stipulated agreement was received by the LEA on April 23, 2013 with an addendum on May 9, 2013. Pursuant to 14 CCR, Section 17211.4(b), the LEA reviewed the request for a stipulated agreement and the addendum and approved the changes based on the conditions provided within the request. The LEA approved the stipulated agreement on April 29, 2013 and the addendum on May 9, 2013.

Where to Get Additional Information

A copy of the stipulated agreement is available for public review by appointment in the LEA office located at 47-950 Arabia St, Suite A, Indio, CA.
