

## **Explanation of Changes**

Department of Resources Recycling and Recovery, Division of Recycling  
Beverage Manufacturer and Distributor Forms and Registration  
Proposed Regulations Amendments  
Second 15-Day Renotice  
May 7, 2012

### **Section 2000(47.25)**

The proposed text adding the definition of “transfer” has been deleted. The Department of Resources Recycling and Recovery, Division of Recycling (Department), will not seek to add this definition at this time. The authority references in the text that were added to support this proposed definition have also been deleted. These references are Sections 14523, 14575(G)(1), 14575(g)(3)(B), and 14575(j)(2).

### **Section 2231(b)(8)**

The requirement to provide documentation for the type of business ownership structure was deleted from the proposed text for the first 15-day renotice on January 23, 2012. This text is being revised again to remove the examples provided for the type of documentation that would have been requested.

### **Section 2231(b)(14)**

The proposed text has been amended in this subsection to delete the word “your” from this line of text. The change has been made for grammatical consistency with the rest of the language in 2231 and because it is already established that the requirements of this section are directed towards beverage manufacturers.

### **Section 2300(d)**

The proposed text has been amended to delete the words “beverage manufacturer” and replaced with “distributor” because this section applies to distributors.

### **Section 2301(b)(7)**

The requirement to provide documentation for the type of business ownership structure was deleted from the proposed text for the first 15-day renotice on January 23, 2012. This text is being revised again to remove the examples provided for the type of documentation that would have been requested.

### **Section 2301(b)(13)**

The proposed text has been amended in this subsection to delete the word “your” from this line of text. The change has been made for grammatical consistency with the rest of the language in 2301 and because it is already established that the requirements of this section are directed towards distributors.
