- Proof of Designation
- Being an Approved Collector
- The Digital TV Broadcast Transition

Electronic Waste Recycling Act (aka SB 20/50)

- Provides for recycling of video displays
 - Recovery and Recycling Payments
 - Consumer Fee
- Eliminates stockpile of waste monitors/TVs
- Fosters convenient recycling opportunities

CIWMB FORM 198 SA (revised 11/06)

Proof Of Designation

Local governmental agencies can designate approved collectors to collect CEWs on their behalf within their jurisdictions.

PROOF OF DESIGNATION

Designating Jurisdiction:

County of M & M

Designated Approved Collector Name:

Sac Transfer Station

CEWID #:

100745

Designation Start Date:

12/1/2007

Designation End Date:

12/31/2009

Geographic Area of Service:

County of Sacramento

Location(s) of Collection Activities:

North Sacramento, Sacramento, California

Type of Collection Activities (check all that apply):

Drop-off

Illegal Disposal Clean-up

Curbside

Special Events

CEW Sources Served (check all that apply):

Residents

Government

Businesses

Educational / Non-Profit
Institutions

Designating Authority

Name (printed):

Jane Doolittle

Title:

**Director, Department of
Environmental Health**

Signature:

Jane Doolittle

Phone:

916-456-1111

E-Mail:

Jane.doolittle@mmcounty.gov.org

Becoming an Approved Collector?

- Entitles you to currently receive 20 cents per pound from an approved recycler when supplying proper source documentation.
- For more Information
 - www.dtsc.ca.gov
 - www.ciwmb.ca.gov/Electronics

Digital TV Broadcasting Transition

- February 17, 2009 all TV broadcasts change from Analog to Digital
- Cable and satellite service unaffected
- Discard volume uncertain, potentially large

MORE FOR CONSUMERS

podcast

video

A high-angle photograph of a vast warehouse filled with thousands of computer monitors stacked on wooden pallets. The monitors are arranged in neat rows, stretching far into the background. In the foreground, several workers wearing hard hats and safety vests are visible, some standing near a conveyor belt or sorting area. The overall scene suggests a large-scale recycling or processing operation for electronic waste.
