Due to the current State of California budget, the Department of Resources Recycling and Recovery (CalRecycle) has constraints limiting the staff resources available to work on the At-Store Recycling Program: Plastic Carryout Bags annual reports. In recognition of this limitation, CalRecycle is deferring the submission due date of the at-store recycling annual report for six (6) months. The 2010 at-store recycling annual report submittal is extended from April 1, 2011 to October 1, 2011.

CalRecycle will send a notice/reminder at least three (3) months prior to the annual report submittal due date, of October 1, 2011, to allow you the standard amount of time to complete the annual report.

Should you have any questions regarding this notification, please contact Kathleen Marsh, Supervisor of the Jurisdiction & Product Compliance Unit at (916) 341-6475 or via e-mail at Kathy.Marsh@calrecycle.ca.gov.
