Proposed Solid Waste Facility Permit Revision for the CALEXICO SOLID WASTE SITE

PUBLIC NOTICE IS HEREBY GIVEN in compliance with Section 21660.2 of Title 27 of the California Code of Regulations that the Local Enforcement Agency (LEA) will be conducting an informational meeting regarding a proposed Solid Waste Facility Permit revision for the Calexico Solid Waste Site located at 133 West Highway 98, Calexico, California.

Date: November 17, 2011
Time: 1:00 P.M. – 3:00 P.M.
Location: Imperial County Public Health Training Center
935 Broadway, El Centro, California

Purpose: The meeting is being held to provide information about a proposed revision to the Solid Waste Facility Permit for the Calexico Solid Waste Site as requested by the County of Imperial Department of Public Works. The public will be offered the opportunity to comment and to ask the LEA questions about the application package that was accepted for filing on October 25, 2011. A summary of comments from the informational meeting and any written public comments received by the LEA prior to the meeting will be included with the permit revision application package submitted to the California Department of Resources, Recycling and Recovery (CalRecycle).

Project Location: Calexico Solid Waste Site
133 West Highway 98, Calexico, California

Facility Operator: County of Imperial Department of Public Works
155 South 11th Street, El Centro, California 92243
Tel.: (760) 482-4462

Project Description: The proposed permit revision will allow a 9.22-acre expansion of the permitted facility boundaries and a 2.12-acre expansion of the permitted waste disposal area with no changes to the maximum height of the landfill. The hours of operation would be revised to include one half hour before opening and one half hour after closing for site maintenance. No changes in the public hours of waste acceptance are proposed. The permit would also be revised to reflect a revised final grading plan as described in the amended Preliminary Closure/Post-Closure Maintenance Plan and the installation of a perimeter landfill gas monitoring system at the landfill. The estimated closure date will be revised from March 2103 to January 2077.

Additional information: A copy of the proposed revisions are available for public review in the office of the **Imperial County Division of Environmental Health (LEA), located at 797 Main Street, Suite B, in El Centro, California** during regular business hours. Public comments will be accepted at the informational meeting or may be submitted in writing to the LEA prior to November 17, 2011. For other questions or information about the availability of appeals pursuant to Section 44307 of the Public Resources Code, please contact the **Imperial County LEA at 760-336-8530**.
