**PURPOSE OF THE FORM:**

Under the Waste Tire Enforcement Grant the grantee may be reimbursed for conducting surveillance activities which include: patrolling to identify illegal hauling and / or dumping of waste tires; setting up and maintaining surveillance cameras; conducting stings; or other proven surveillance methods. This form is to be used to document the grantees' activities for purposes of being reimbursed. Please note if a grantee identifies an illegal tire pile over 499, waste tires the grantee shall fill out CIWMB forms 181 and 182 and take enforcement action as outlined in the Terms and Conditions of the Waste Tire Enforcement Grant.

**Activity Type:**

*Surveying via the car:* Looking for illegal tire piles or illegal waste tire haulers.

*Investigation Observation:* Conducting an investigation or surveillance activities to gather evidence for a case.

*Identification of Tire Pile:* Locating or attempting to locate an illegal waste tire pile or illegal dumping area. This also includes monitoring piles or checking to see if the piles have been remediated.

*Camera Set-Up/Maintenance:* Setting up or maintaining electronic camera equipment.

**Observation For:** Check the boxes that best describes the illegal activity you suspected to find.

**Date and Time:** Self explanatory.

**Location:** Be exact as possible. Use street address if known. Include APN if necessary. If address is known, state address, otherwise use cross streets or a GPS reading.

**Property Ownership:** Check all that apply.

**No. of Tires:** State the number of waste tires in the pile if applicable.

**Observations:** State what was learned through the surveillance activities conducted.

**Next Steps:** State the what steps will be taken to remediate or correct the situation, if applicable.
